The Peggy Nisbet Story By Nisbet Peggy:

The Peggy Nisbet Story Peggy Nisbet, 1988-01-01 **The British Toy Business** Kenneth D. Brown, 1996-01-01 At its height British toymaking was a significant industry with famous names such as Britains and Meccano known throughout the world While in essence a specialised form of small scale engineering its products and market have always been unique reflecting the current priorities of both parents and children Yet while individual toys and marques have been catalogued extensively no previous history of toymaking as a whole exists The British Toy Business provides a fascinating example of the development of a specific industry Many early early toys were home made From the eighteenth century with its growing recognition of children as something other than small adults date the beginnings of specialised toys usually produced by small workshops and sold by street sellers The nineteenth century with its industrial growth and middle class prosperity saw an expansion of toymaking The 1960s and 1970s were the most successful years of British toymaking with companies like Lesney making record profits Yet British toy makers failed to solve a number of fundamental problems Following an unexpected sudden downturn in sales at a time of high interest rates the major names in British toy making Lesney Airfix Mettoy and Dunbee Combex Marx all collapsed between 1979 and 1985 leaving the business to be dominated largely by importers

International Bibliography of Business History Francis Goodall, Terry Gourvish, Steven Tolliday, 2013-12-16 The field of business history has changed and grown dramatically over the last few years There is less interest in the traditional company centred approach and more concern about the wider business context With the growth of multi national corporations in the 1980s international and inter firm comparisons have gained in importance In addition there has been a move towards improving links with mainstream economic financial and social history through techniques and outlook The International Bibliography of Business History brings all of the strands together and provides the user with a comprehensive guide to the literature in the field The Bibliography is a unique volume which covers the depth and breadth of research in business history This exhaustive volume has been compiled by a team of subject specialists from around the world under the editorship of three prestigious business historians
