The Pelican Guide To Plantation Homes Of Louisiana Pelican Guide Ser:

The Pelican Guide to Plantation Homes of Louisiana, 1972 **The Pelican Guide to Plantation Homes of Louisiana** Anne Butler, 2009 Featuring homes such as the beautiful Merieult House in the French Quarter and Oaklawn Manor near Bayou Teche this comprehensive guide highlights the finest plantation homes in all regions of the state From Natchitoches s Melrose Plantation to Lafayette s Alexandre Mouton House these homes have been an integral part of Louisiana some from the periods of French and Spanish rule Butler carefully describes each structure s architectural uniqueness and relates the home s significance She notes private and public plantations and includes updated contact information all organized by driving tours This revised edition reflects recent restorations and includes a new section showcasing the homes in New Orleans Garden District *The Pelican Guide to Louisiana* Sternberg, Mary Ann, 1993 **A Haunted History of Louisiana Plantations** Cheryl H. White, W. Ryan Smith, 2017-09-25 Stories of ghosts and strange happenings at these historic Southern homes with photos included Louisiana plantations evoke images of grandeur and elegance but beyond the facade of stately homes are stories of hope and subjugation tragedy and suffering shame and perseverance and war and conquest After sixteen workers axed most of the Houmas House s ancient oak trees referred to as the Gentlemen eight of the surviving trees eerily twisted overnight in grief over the losses wrought by a great Mississippi River flood An illegal duel to reclaim lost honor left the grounds of Natchez s Cherokee Plantation bloodstained but the victim s spirit may still wander there today A mutilated slave girl named Chloe still haunts the halls of the Myrtles Plantation in St Francisville In this book Cheryl H White and W Ryan Smith reveal the dark history folklore and lasting human cost of Louisiana plantation life **Robert W. Tebbs, Photographer to Architects** Richard Anthony Lewis, 2011-12-05 One of the finest architectural photographers in America Robert W Tebbs produced the first photographic survey of Louisiana s plantations in 1926 The images now housed in the Louisiana State Museum and never before widely available consist of 110 plates showcasing fifty two homes Author and curator Richard Anthony Lewis explores Tebbs s life and photographs revealing in both a new awareness of historic preservation [The WPA Guide to Louisiana](#) Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country s shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state s unique flavor The WPA Guide to Louisiana features a state influenced greatly by both Cajun and Southern cultures as seen in the excellent photography and the chapter focused solely on traditional Louisiana cuisine From Acadiana

to the northern Sportsmans Paradise this guide takes the reader on a journey across the swamplands of the Pelican State with several driving tours and special essays on the rich histories of Baton Rouge and New Orleans

The Washingtons. Volume 5, Part 1 Justin Glenn, 2014-09-05 This is the fifth volume of Dr Justin Glenn's comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable family members in the next eight generations of John and Anne Washington's descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington's descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn's The Washingtons A Family History finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of The Virginia Genealogist 1957 2006 and author of Adventurers of Purse and Person Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain

Plantation Homes of Louisiana Pelican Publishing Company, 1972

Subject Guide to Books in Print, 1996

Louisiana Place Names Clare D'Artois Leeper, 2012-10-19 From Aansel to Zwolle with Mamou in between researcher Clare D Artois Leeper offers an alphabet of Louisiana place names both past and present Leeper includes 893

entries that reveal a distinct view of the state's history. Her unique blend of documented fact and traditional wisdom results in an entertaining guide to Louisiana's place name lore. Leeper considers the origins of each place as well as each name drawing attention to the individuals who transformed Louisiana from an uninhabited wilderness into a populated state. Not surprising for a region that has existed under ten flags, Louisiana's place names reflect a mixture of several languages and point to other locales across the country and around the world. Even the state's name, Leeper points out, combines the French *Louis* and the Spanish *iana*, meaning belonging to Louis XIV. Name origins trace back to geography, flora, fauna, religion, weather, people, and occasionally a flood, a favorite book, or a popular local dish. Leeper conducted numerous interviews, visited courthouses, museums, and libraries, and more recently made use of the Geographic Names Information System to create this fascinating collection of Louisiana history and folklore.

Louisiana Almanac, 2006 *The Washingtons. Volume 5, Part 2*

Justin Glenn, 2014-09-05

This is the fifth volume of Dr. Justin Glenn's comprehensive history that traces the Presidential line of the Washingtons. Volume One began with the immigrant John Washington who settled in Westmoreland Co. Va. in 1657, married Anne Pope, and became the great grandfather of President George Washington. It continued the record of their descendants for a total of seven generations. Volume Two highlighted notable family members in the next eight generations of John and Anne Washington's descendants, including such luminaries as General George S. Patton, the author Shelby Foote, and the actor Lee Marvin. Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe. Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington's descendants. Volume Five now presents Generation Nine, including more than 10,000 descendants. Future volumes will trace generations ten through fifteen, making a total of over 63,000 descendants. Although structured in a genealogical format for the sake of clarity, this is no bare bones genealogy but a true family history with over 1,200 detailed biographical narratives. These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others, great and humble, who struggled to build that country.

ADVANCE PRAISE: I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself. Although the surname Washington is perhaps the best known in American history, and much has been written about the Washington family for well over a century, it is surprising that no comprehensive family history has been published. Justin M. Glenn's *The Washingtons: A Family History* finally fills this void for the branch to which General and President George Washington belonged, identifying some 63,000 descendants. This is truly a family history, not a mere tabulation of names and dates, providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County, Virginia, in 1657. Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented, and errors of identification in previous publications are commented upon as appropriate. John Frederick Dorman, editor of *The Virginia Genealogist*, 1957-2006 and author of

Adventurers of Purse and Person Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of *The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain*
