Smeaton Chase, 2015-07-11 Excerpt from *The Penance of Magdalena And Other Tales of the California Missions* Slowly very slowly the greatest and most beautiful of the Missions of Alta California had risen among the swelling lomas of the valley of the San Juan Brick by brick and stone by stone the simple Indian laborers under the tutelage of the Fathers had reared a structure which in its way and place might not unfitly be compared with those great cathedrals of Europe in which we see as in a parable how inward love and faith work out in material beauty Huge timbers of pine and sycamore hewn on Palomar the Mountain of Doves many miles away had been hauled by oxen over trackless hill and valley to form the joists and rafters that one sees to day after the lapse of more than a century firm and serviceable fastened with wooden spikes and stout rawhide lashings In all these labors Teofilo had taken a principal part As a child he had been christened with the name of Lucas and had carried it through boyhood But when about fourteen years of age he had been transferred from the duties of a herder to learn the simple crafts taught in the workshops and his industry and intelligence had so commended him to the overseers and Padre Josef that one day the latter praising him for some task especially well performed had said half in jest Hijo mio we must christen you over again You are excelentísimo as San Lucas said of San Teofilo in the superscription to his holy evangel so I shall call you Teofilo excelentísimo Teofilo instead of Lucas why not About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
