Price, 2005-04-01 Penny Pony began as an idea for a scrapbook for a family reunion As the photographs and story of Penny s life were put together the book grew into a true real life tale about family and beloved pets growing older together It s a story about love and commitment and the obligation to serve and care for each other through all the phases and seasons of our lives Together the author and Penny have watched the toddlers they taught to ride grow up to return with their own young ones to place on Penny s now swaying back The Price family s love for this wonderful pony has been a common and unifying thread during the seasons and storms in all of their lives The use of photographs brings to life the reality of Penny Pony s story in a world that bombards children with fantasy and magic a world that causes kids to ask Is that real To be loved and wanted even when ones usefulness has diminished eyesight dimmed and appearance word this is a comforting message to readers of all ages
