The Penthouse Theatre Glenn Hughes, 1969 The Penthouse Theatre G. Hughes, 1958 The Penthouse Theatre, Its History and Technique Glenn Hughes, 1950 **The Penthouse Theatre ... Revised Edition** Glenn Hughes, 1950 **The Methuen Drama Dictionary of the Theatre** Jonathan Law, 2013-12-16

The Methuen Drama Dictionary of the Theatre is an essential reference tool and companion for anyone interested in the theatre and theatre going. Containing over 2500 entries, it covers the international spectrum of theatre with particular emphasis on the UK and USA. With biographical information on playwrights, actors and directors; entries on theatres and theatre companies; explanation of technical terms and theatrical genres; and synopses of major plays, this is an authoritative, trustworthy and comprehensive compendium. Included are synopses of 500 major plays; biographical entries on hundreds of playwrights, actors, directors and producers; definitions of nearly 200 genres and movements; entries on over 100 key characters from plays; information about more than 250 theatres and companies. Unlike similar products, *The Methuen Drama Dictionary of the Theatre* avoids a dry technical approach with its sprinkling of anecdotal asides and fascinating trivia, such as how Michael Gambon gave his name to a corner of a racing track following an incident on BBC's *Top Gear* programme, and under advice to actors, the sage words of Alec Guinness: "First wipe your nose and check your flies and the equally wise guidance from the master of his art, Noël Coward: "Just know your lines and don't bump into the furniture." As a companion to everything from the main stage to the fringes of theatrical fact and folklore, this will prove an irresistible book to all fans of the theatre.

Seattle's Music Venues Jolie Dawn Bergman, 2013-07-01

The varieties of music venues in Seattle have been as vital and vibrant for the people of the Emerald City as the genres that have graced these famous halls. These houses of music have nurtured the entertainment legacy of this region. Each holds a beautiful, haunting and unique history that has helped shape the Pacific Northwest's musical culture, which in turn has helped shape our community. Out of the ashes of the Great Seattle Fire of 1889, the vaudeville age took Seattle by storm. The cultural and community centers harmonized with operas and symphonies. From the 1962 World's Fair to world-famous street musicians, Seattle's Music Venues will take the reader on a pictorial journey through 100 years of images compiled from the photographic collections of the Seattle Public Library, Seattle Municipal Archives, Library of Congress and the author's personal collection.
