The People Yes:

The People, Yes Carl Sandburg, 2021-05-12 The acclaimed epic prose poem from one of America's greatest poets and the three time winner of the Pulitzer Prize A long poem that makes brilliant use of the legends and myths the tall tales and sayings of America As Irish poet Padraic Colum said The fine thing about The People Yes is that it is indubitable speech Here is a man speaking a man who knows all sorts and conditions of men who can be wise and witty stirring and nonsensical with them all Carl Sandburg is a master of his own medium he can deliver himself with the extraordinary clarity of the comic strip caption with the punch of the tip top editorial with the jingle of the American ballad If America has a folksinger today he is Carl Sandburg a singer who comes out of the prairie soil who has the prairie inheritance who can hand back to the people a creation that has scraps of their own insight humor and imagination a singer it should be added who both says and sings He has a passion that gives dignity to all he says It is a passion for humanity not merely for the man with depths of personality in him but for the ordinary man and woman The People Yes is his most appealing volume Praise for Carl Sandburg A poetic genius whose creative power has in no way lessened with the passing years Chicago Tribune Carl Sandburg was more than the voice of America more than the poet of its strength and genius He was America President Lyndon B Johnson People Yes Carl Sandburg, 1990-06-04 **Proverbs in Carl Sandburg's Poem "The People, Yes"** Wolfgang Mieder (Philologe), 1973 Federal Textbook on Citizenship United States.
