The Perfect Male:

The Perfect Male Rosemary Hammond, 2011-07-15 Ross Kirk should have come with a government warning tall dark and hazardous to the heart He was also stranded And since his car had crashed just outside her Washington home Sarah was stuck with him A storm had managed to do what clearly no woman ever had stop the wealthy businessman in his tracks Despite his cuts and scrapes there was no denying that Ross was a handsome one hundred percent red blooded male While Sarah had little experience with the species she knew plenty about biology Well in theory at least Perhaps now was the time for her to get a little more research under her belt of the hands on kind *Houdini, Tarzan, and the Perfect Man* John F. Kasson, 2002-07-02 A remarkable new work from one of our premier historians In his exciting new book John F Kasson examines the signs of crisis in American life a century ago signs that new forces of modernity were affecting men s sense of who and what they really were When the Prussian born Eugene Sandow an international vaudeville star and bodybuilder toured the United States in the 1890s Florenz Ziegfeld cannily presented him as the Perfect Man representing both an ancient ideal of manhood and a modern commodity extolling self development and self fulfillment Then when Edgar Rice Burroughs s Tarzan swung down a vine into the public eye in 1912 the fantasy of a perfect white Anglo Saxon male was taken further escaping the confines of civilization but reasserting its values beating his chest and bellowing his triumph to the world With Harry Houdini the dream of escape was literally embodied in spectacular performances in which he triumphed over every kind of threat to masculine integrity bondage imprisonment insanity and death Kasson s liberally illustrated and persuasively argued study analyzes the themes linking these figures and places them in their rich historical and cultural context Concern with the white male body with exhibiting it and with the perils to it reached a climax in World War I he suggests and continues with us today [The Perfect Menopause](#) Dr. Henry M. M. D. Hess, Henry M. Hess, 2008 Helps women thriving during the complex changes of menopause This book provides options for complete solutions to the difficulties of menopause by blending natural and traditional medicine It offers solutions that range from natural therapies to medical therapies to bioidentical hormones [The Impossible Search for the Perfect Man](#) Debbie Howells, 2023-10-29 An emotional uplifting book club pick from the Sunday Times bestseller Debbie Howells Imagine for a moment your husband leaves you Then through a bizarre twist of events you find yourself working with the girl he s left you for and even worse she s pregnant All Louisa wants is the impossible To find a straightforward man who isn t remotely messed up Now there s a thought But does such a man even exist All she knows is that she doesn t need any more complications in her life She has enough to deal with with one best friend with a very strange horoscope habit and the other dealing with a screwed up husband Not to mention dealing with her own ex husband and his pregnant new girlfriend who seems to need Louisa to give them relationship counselling She resolves that maybe a life of helping other people find their happy ever afters is enough for her But then handsome vet Marcus walks into her life And everything changes Set in the Hampshire countryside against a

background of horses dogs and vets this is a story about friendship love and finding the impossible just when you least expect it Perfect for fans of Lucy Diamond and Jojo Moyes Praise for Debbie Howells A powerful emotional and life affirming story of love and hope Rachael Lucas A warm uplifting story about love and loss but beware you ll need a big box of tissues Clare Swatman She paints with words and takes a scalpel to emotions Peter James Debbie Howells is a go to author for me I don t need to read the blurb I just need to read the book as in my experience they are all fabulous Reader Review This is a truly lovely story the kind that makes you feel warm inside Reader Review A sweet well written and poignant read which deals with some very important issues that affect us all Reader Review

Be a Perfect Man Andrew J. Romig, 2017-08-28 The life of an aristocratic Carolingian man involved an array of behaviors and duties associated with his gender and rank an education in arms and letters training in horsemanship soldiery and hunting betrothal marriage and the virile production of heirs and the masterful command of a prominent household In *Be a Perfect Man* Andrew J Romig argues that Carolingian masculinity was constituted just as centrally by the performance of *caritas* defined by the early medieval scholar Alcuin of York as a complete and all inclusive love for God and for fellow human beings flowing from the whole heart mind and soul The authority of the Carolingian man depended not only on his skills in warfare and landholding but also on his performances of empathy devotion and asceticism Romig maps *caritas* as a concept rooted in a vast body of inherited Judeo Christian and pagan philosophies shifting in meaning and association from the patristic era to the central Middle Ages Carolingian discussions and representations of *caritas* served as a discourse of power a means by which early medieval writers made claims both explicit and implicit about the hierarchies of power that they believed ought to exist within their world During the late eighth ninth and early tenth centuries they creatively invoked *caritas* to link aristocratic men with divine authority Romig gathers conduct handbooks theological tracts poetry classical philosophy church legislation and exegetical texts to outline an associative process of gender ideology in the Carolingian Middle Ages one that framed masculinity asceticism and authority as intimately interdependent The association of power and empathy remains with us to this day Romig argues as a justification for existing hierarchies of authority privilege and prestige

20 First Dates: How to Find the Perfect Man in 20 Dates Rebecca K Maddox, 2012-02-01 Humorous accounts of the author s search for Mr Right with practical advice and encouragement for fellow seekers Rebecca K Maddox is 30 years old After many years as a single Christian woman she embarked on a dating experiment to go on twenty first dates with twenty men met in twenty different ways Over the course of a year Rebecca was almost compromised on the dance floor stranded in a muddy village and the catcher of a bouquet She sheltered under a cupcake box waited nervously in line for results and spent hours trawling profiles on the Internet She was driven in a rusty car with no floor and chased by an angry granny She narrowly escaped a squirting tiger and a falling pigeon attempted to eat a variety of foodstuffs while trying to look attractive and struggled in and out of her glad rags in the toilets of approximately ten trains to London She was confused amused frustrated and dazzled in equal measure This is the true

story of one woman's determined search for the man of her dreams with plenty of practical advice on the world of Christian dating

Popular Science, 1879-08 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better and science and technology are the driving forces that will help make it better.

Spy, 1990-01 Smart. Funny. Fearless. It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written, and perfectly designed and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented. Dave Eggers: It's a piece of garbage. Donald Trump
