The Perfect Wife The Life And Choices Of Laura Bush:

The Perfect Wife Ann Gerhart, 2004-01-14 Laura Bush is arguably the most popular figure in the Bush White House. Even the President's detractors would not hesitate to describe the First Lady as utterly sincere and devoted to family and country, whether she is advocating on behalf of education and libraries or comforting the nation in times of crisis. Ann Gerhart of *The Washington Post* has covered Mrs. Bush since 2001, and no other reporter has interviewed the First Lady more often. Through this unparalleled access, Gerhart has been able to uncover the woman behind the carefully maintained image. Far more than an uncomplicated maternal figure and dedicated wife, Laura Bush emerges as a complex and fascinating woman in her own right who has composed a life of accomplishment for herself alongside her husband's tremendous ambitions. *The Perfect Wife* tells the complete story from Mrs. Bush's upbringing to her whirlwind three-month courtship by George W. Bush and her role as a mother, wife, and public figure. An only child raised in a segregated and fiercely traditional West Texas town, she is less conservative than her husband and appealingly down to earth despite the extraordinary privileges of her position. Two tragedies have defined her: a car accident when she was seventeen and September 11 when she suddenly had to transform her job and take herself far more seriously. Ann Gerhart examines the First Lady's influences and motivations, reveals the depths to which her husband relies upon her, and assesses her achievements. Compelling and insightful, this is the first comprehensive account of a woman who has won the admiration of the nation and of the compromises and challenges that come with taking on the most examined volunteer job in the world.

The Perfect Wife Ann Gerhart, 2005-04-08 This book tells the complete story of Laura Welch Bush. From Mrs. Bush's upbringing in West Texas to her whirlwind romance with George W. Bush and her role as a mother.

Laura Bush Ronald Kessler, 2007-04-10 An authorized portrait of America's First Lady offers a rare glimpse inside the private world of Laura Bush, the beliefs and attitudes that shape her life, and her influence on the president and his administration.

American Woman Katie Rogers, 2024-02-27 The first definitive exploration of the changing role of the twenty-first century First Lady, painting a comprehensive portrait of Jill Biden from a White House correspondent for *The New York Times*. A fascinating and deeply researched exploration into the most public-facing and least understood role in Washington. Kate Andersen Brower, 1. *New York Times* bestselling author of *The Residence* and *First Women*. AN ELLE BEST BOOK OF THE YEAR. Since the Clinton era, shifts in media, politics, and pop culture have all redefined expectations of First Ladies, even as the boundaries set upon them have often remained anachronistic. With sharp insights and dozens of firsthand interviews with major players in the Biden, Obama, Trump, Bush, and Clinton orbits, including Jill Biden and Hillary Clinton, *New York Times* White House correspondent Katie Rogers traces the evolution of the role of the twenty-first century First Lady from a ceremonial figurehead to a powerful political operator, which culminates in the tenure of First Lady Jill Biden. Dr. Jill Biden began her journey toward public life in 1975 as a twenty-three-year-old who caught the eye of a widowed Senator, Joe Biden. Recovering from the heartbreak of her failed first marriage, she found a man who was

still grieving She knitted his life together after unspeakable tragedy and stood by his side through three presidential campaigns In some ways her legacy as First Lady was set before she ever entered the White House She is the first presidential spouse in history to work in a paid role outside the White House a decision that blazes the path for future first spouses But as a prime guardian of one of the most insular operations in modern politics she is also a central part of her husband s presidential legacy Through deep reporting and newly discovered correspondence *American Woman* is the first book to paint a full picture of Jill Biden while exploring how she helps answer the evolving question of what the role of the modern First Lady should be
