Closure in the Novel Marianna Torgovnick, 2017-03-14 Drawing on a wide range of nineteenth and twentieth century English French American and Russian novels Marianna Torgovnick demonstrates the variety and complexity of the process by which a work reaches an appropriate conclusion Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 love story... with a happy ending Flávio Gikovate, 2013-08-06 Technological advances and changes in society have led to the growth of individuality and the impoverishment of conventional love which nonetheless prevails in the collective imagination as an ideal This slow transformation according to Fl vio Gikovate is excellent news He believes that adults today have two options both of which are much better than the possessive conventional relationships of old to live alone establishing more superficial emotional and physical connections or to develop relationships based on what he calls love which respects individuality and can create ties capable of lasting a lifetime In this work Gikovate explains how to take the second path definitely more difficult but far more rewarding Water Wings Kristen Den Hartog, 2003 The seedy underbelly of small town life is exposed in Water Wings but there are flower growing out of the decay as two grown sisters unearth both ugly secrets and the strange resiliency of love Swarm of Five Francis DiPietro, 2006-08 Stories in Swarm of Five stand in complimentary contrast to one another united by an arc of succulent imagery and memorable characters From the wild chaotic wry and politically apocalyptic overtones of Beat Me Sweetly Heavy Jesus to the subtle complexities of retelling the life of an unknown hero in Legacy of a Teacher DiPietro strives to capture a diverse sampling from the borderlands of storytelling The pseudo autobiographical parody of Groveling Music The Soundtrack to My Remarried Life presents the most engaging glimpse yet into the mind of this longtime author and veteran of the final age of pulp magazines with DiPietro escaping to a park in Texas for six days while his new wife half his age goes to a resort spa to pamper herself at his expense Insecurities and bawdy reminiscences abound as DiPietro aging and rueful of his diminishing sexual prowess travels the lonely spaces of America in deep thought and strange mood Shorter works of The Dojo Demon and When Pickpockets Collide are experimental and wide ranging psychological fantasies which explore the oft dirty and unenviable depths of human machination Swarm of Five accomplishes the difficult task of offering engaging tales in a spectrum of tastes and textures

She explores the problems of how a society as defined in democratic terms can accommodate political gender and class differences without resorting to hierarchy and how narrowly conceived economic agendas compete with social cohesion Students advanced undergraduates postgraduates and specialists will find this text invaluable Studying English Robert Eaglestone, with Jonathan Beecher Field, 2015-11-06 Clearly focussed on the needs of students Robert Eaglestone and Jonathan Beecher Field have revised the best selling Doing English specifically for English literature courses in America Studying English presents the ideas and debates that shape literary studies in America today This overview of the discipline explains not only what students need to know but how and why English came to be the way it is This uniquely comprehensive guide to the subject gives students the background they need to understand and enjoy their studies more fully The book covers arguments about criticism and theory value the canon Shakespeare authorial intention figural language narrative writing identity politics and the skills that are learned from studying English for the world of work In a clear and engaging way Robert Eaglestone and Jonathan Beecher Field Orient you by exploring what it is to study English in America now Equip you by explaining the key ideas and trends in English in context Enable you to begin higher level study Literature and the Bible David Bevan, 2023-12-18 The Oxford Handbook of the Victorian Novel Lisa Rodensky, 2013-07-11 The Oxford Handbook of the Victorian Novel contributes substantially to a thriving scholarly field by offering new approaches to familiar topics as well as essays on topics often The Road Movie Book Steven Cohan, Ina Rae Hark, 2002-01-04 The Road Movie Book is the first overlooked comprehensive study of an enduring but ever changing Hollywood genre its place in American culture and its legacy to world

cinema The road and the cinema both flourished in the twentieth century as technological advances brought motion pictures to a mass audience and the mass produced automobile opened up the road to the ordinary American When Jean Baudrillard equated modern American culture with space speed cinema technology he could just as easily have added that the road movie is its supreme emblem The contributors explore how the road movie has confronted and represented issues of nationhood sexuality gender class and race They map the generic terrain of the road movie trace its evolution on American television as well as on the big screen from the 1930s through the 1980s and finally consider road movies that go off the road departing from the US landscape or travelling on the margins of contemporary American culture Movies discussed include Road classics such as It Happened One Night The Grapes of Wrath The Wizard of Oz and the Bob Hope Bing Crosby Road to films 1960 s reworkings of the road movie in Easy Rider and Bonnie and Clyde Russ Meyer's road movies from Motorpsycho to Faster Pussycat Kill Kill Contemporary hits such as Paris Texas Rain Man Natural Born Killers and Thelma and Louise The road movie Australian style from Mad Max to the Adventures of Priscilla Queen of the Desert Biography and the Question of Literature in France Ann Jefferson, 2007-01-04 This book takes a fresh look at the relations between literature and biography by tracing the history of their connections through three hundred years of French literature The starting point for this history is the eighteenth century when the term biography first entered the French language and when the word literature began to acquire its modern sense of writing marked by an aesthetic character Arguing that the idea of literature is inherently open to revision and contestation Ann Jefferson examines the way in which biographically orientated texts have been engaged in guestioning and revising definitions of literature At the same time she tracks the evolving forms of biographical writing in French culture and proposes a reappraisal of biography in terms not only of its forms but also of its functions Although Ann Jefferson's book has powerful theoretical implications for both biography and the literary it is first and foremost a history offering a comprehensive new account of the development of French literature through this dual focus on the question of literature and on the relations between literature and biography It offers original readings of major authors and texts in the light of these concerns beginning with Rousseau and ending with life writing contemporary authors such as Pierre Michon and Jacques Roubaud Other authors discussed include Mme de St el Victor Hugo Sainte Beuve Barbey d Aurevilly Baudelaire Nerval Mallarm Schwob Proust Gide Leiris Sartre Genet Barthes and Roger Laporte Writing Death and Absence in the Victorian Novel J. Zigarovich, 2012-08-06 This book asks why Bront Dickens and Collins saw the narrative act as a series of textual murders and resurrections Drawing on theorists such as Derrida Blanchot and de Man Zigarovich maintains that narrating death was important to the understanding of absence separation and displacement in an industrial and destabilized culture Modernism Today Sjef Houppermans, Pete Liebregts, Jan Baetens, Otto Boele, 2013-10-25 This book manifests at least four recent shifts and tendencies within Modernist studies in general that point at the expansion of this increasingly interdisciplinary field First Modernist studies has seen a temporal expansion to the extent that scholars in

the field have come to turn to both the pre and posterior history of Modernism Second the field has witnessed a spatial expansion in that increasingly so researchers have also come to scrutinize the Modernisms of regions at the fringes of Europe and beyond Thirdly a vertical expansion too has marked Modernist studies in recent decades not only by further expanding the canon of women writers and exploring the continuum between high and lowbrow but also by looking at the artistic and mediatized hierarchies and cross fertilizations operative in the period A fourth conceptual expansion of the field shows that whereas concepts such as middlebrow arri re garde and to some extent even avant garde were once exotic notions of at best marginal importance in European Modernist studies they now form part and parcel of the field complicating and expanding it Truth's Ragged Edge Philip F. Gura, 2013-04-09 A history of the early American novel focusing on its conceptually origins in and relationship with American religion Provided by publisher The United Stories of America Rolf Lundén, 2022-06-08 This book discusses the American short story composite or short story cycle a neglected form of writing consisting of autonomous stories interlocking into a whole The critical work done on this genre has so far focused on the closural strategies of the composites on how unity is accomplished in these texts This study takes into consideration to a greater degree than earlier criticism the short story composite as an open work emphasizing the tension between the independent stories and the unified work between the discontinuity and fragmentation on the one hand and the totalizing strategies on the other The discussion of the genre is illustrated with references to numerous American short story A Novel in a Year Louise Doughty, 2008-09-04 Can you write a novel in a year If you simply sit back and think composites about the enormity of writing a book it will seem like a vast and unconquerable task impossibly daunting The way to make it less daunting is to break it down into its constituent parts to do it bit by bit Over the chapters herein different aspects of technique are divided up into bite size chunks the better to aid digestion. The book will look at different aspects of writing with set exercises to help the reader along in their confidence and technique It is designed to be read a chapter a week with the aim of the fledgling writer having a body of material at the year s end which should form a solid start to their novel Deeply practical with sound advice at every stage A NOVEL IN A YEAR is essential reading for any would be novelist

Beyond the Happy Ending Kathryn Robson, 2025-02-04 Happiness and the question of how to define measure and facilitate it has become a key theme in political economic and social discourses in recent decades in France and elsewhere yet research on happiness in French culture and film has been limited Given that happiness is clearly gendered this book looks critically at the ways in which contemporary French women s writing and film give voice to and critique conceptions of happiness Analysing French and francophone women s writing including Nina Bouraoui H l ne Cixous Annie Ernaux Camille Laurens Le la Slimani Delphine de Vigan and film including Claire Denis C line Sciamma and Agn s Varda I focus on five main areas images of happiness in consumer and Internet culture happiness and intimacy in the family and the home queering happiness migrated happiness and happiness and ageing Whilst the happiness turn is problematic the desire for happiness
