Ireland's Imperial Mandarin: How Sir Robert Hart Became the Most Influential Foreigner in Qing China Mark O'Neill,2017-01-01 There is almost no Chinese official upon whom I can rely But the report of this foreigner is reliable If we had 100 Harts our affairs would run smoothly Prince Gong Director of the Tsungli Yamen The prince headed the Yamen forerunner of the Foreign Ministry from 1861 to 1884 and 1894 until his death in 1898 Sir Robert Hart served as the Inspector General of the Imperial Maritime Customs Service of the Qing dynasty from 1863 until his death in 1911 No foreigner has ever had or will ever have the life he did in China He provided the government with more than 20 per cent of its annual revenue set up the Chinese Post Office founded a system of lighthouses along the coast bought British warships that were the foundation of the modern Chinese navy and negotiated a peace treaty to end the Sino French war of 1884 85 He was a trusted confidant of government leaders who constantly sought his advice in how to deal with aggressive and meddling foreigners His finest hour came in the Boxer Rebellion of 1900 With 1 300 other foreigners and 3 100 Chinese he was trapped in the Legation Quarter of Beijing for 55 days ready for death After the siege many called for partition of China or imposition of a new dynasty but Hart argued that the fault for the rebellion lay with the foreigners His personal life was just as dramatic He had a Chinese lady friend Miss Ayaou with whom he had three children He sent them to be brought up by a foster family in London Then he married an Irish lady from his home place they also had three children He did everything possible to prevent each family from knowing of or meeting the other Mark O'Neill uses a wide range of sources in English and Chinese to describe this fascinating and complex character in all his many colours **Half a Decade of Chinese**

Studies (1886-1891) Henri Cordier,1892 **Government, Imperialism and Nationalism in China** Chihyun Chang,2013-08-06 The Chinese Maritime Customs Service which was led by British staff is often seen as one of the key agents of Western imperialism in China the customs revenue being one of the major sources of Chinese government income but a source much of which was pledged to Western banks as the collateral for and interests payments on massive loans This book however based on extensive original research considers the lower level staff of the Chinese Maritime Customs Service and shows how the Chinese government struggling to master Western expertise in many areas pursued a deliberate policy of encouraging lower level staff to learn from their Western superiors with a view to eventually supplanting them a policy which

was successfully carried out The book thereby demonstrates that Chinese engagement with Western imperialists was in fact an essential part of Chinese national state building and that what looked like a key branch of Chinese government delegated to foreigners was in fact very much under Chinese government control

Tracing Your Irish Family History on the Internet, Second Edition Chris Paton, 2020-11-12 A simple easy to use guide to tracing your Irish ancestry via the Internet In this the fully updated second edition of his best selling guide to researching Irish history using the Internet Chris Paton shows the extraordinary variety of sources that can now be accessed online Although Ireland has lost many records that would have been of great interest to family historians he demonstrates that a great deal of information survived and is now easily available to the researcher Thanks to the pioneering efforts of the Public Record Office of Northern Ireland the National Archives of Ireland organizations such as FindmyPast Ireland Ancestry co uk and RootsIreland and the volunteer genealogical community an ever increasing range of Ireland s historical resources are accessible from afar As well as exploring the various categories of records that the family historian can turn to Chris Paton illustrates their use with fascinating case studies He fully explores the online records available from both the north and the south from the earliest times to the present day Many overseas collections are also included and he looks at social networking in an Irish context where many exciting projects are currently underway Paton s book is an essential introduction and reference for anyone who is keen to trace their Irish roots
