

The background of the book cover is a painting of a winter seascape. In the foreground, a person wearing a red jacket is ice skating on a frozen body of water. The water is dark and textured, with white ice patches. In the middle ground, a small white boat is visible on the water. The background shows a hazy, mountainous landscape under a cloudy sky. The overall tone is somber and atmospheric.

Skating On The Sea Poetry From Finland:

Skating on the Sea Suomalaisen Kirjallisuuden Seura, 1997 Finnish poetry has three traditions an oral tradition which dates back to the Iron Age and the written traditions in both Finnish and Swedish Keith Bosley made a Knight First Class of the Order of the White Rose of Finland for his services to Finnish literature is the only English translator to work in all three areas His selections for this collection are wide including not only key texts but also many poems that Finns have taken to their hearts Hymns and verse from three hundred years ago are represented as are the twentieth century voices of Edith Sodergran Bo Carpelan and Gosta Agren among many others The book includes a foreword for the general reader as well as extensive notes for the serious student

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators
