Sketch Of The Oregon Territory Or Emigrants Guide:

Sketch of the Oregon Territory Philip Leget Edwards,1953 **Sketch of the Oregon Territory, Or Emigrants' Guide (Classic Reprint)** Philip Leget Edwards,2018-03-11 Excerpt from Sketch of the Oregon Territory or Emigrants Guide I mean the route up the South Platte a short distance above the junction of the north and south forks thence up the north fork until you have traveled some six or eight days within the first range of mountains called the Black Hills thence to the Colorado of the West and thence to Fort Hall on Lewis s river by the way of Bear river About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Sketch of the Oregon Territory* Philip Leget Edwards,1992 *Sketch of the Oregon Territory* Philip Leget Edwards,1842 *Sketch of the Oregon Territory, Or, Emigrants' Guide - Primary Source Edition* Philip Leget Edwards,2014-01-11 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **The Oregon Trail** David Dary,2007-12-18 A major one volume history of the Oregon Trail from its earliest beginnings to the present by a prize winning historian of the American West Starting with an overview of Oregon Country in the early 1800s a vast area then the object of international rivalry among Spain Britain Russia and the United States David Dary gives us the whole sweeping story of those who came to explore to exploit and finally to settle there Using diaries journals company and expedition reports and newspaper accounts David Dary takes us inside the experience of the continuing waves of people who traveled the Oregon Trail or took its cutoffs to Utah Nevada Montana Idaho and California He introduces us to the fur traders who set up the first forts as centers to ply their trade the missionaries bent on converting the Indians to Christianity the mountain men and voyageurs who settled down at last in the fertile Willamette Valley the farmers and their families propelled west by economic bad times in the East and of course the gold seekers Pony Express riders journalists artists and entrepreneurs who all added their unique presence to the land they traversed We meet well known figures John Jacob Astor Marcus and Narcissa Whitman John Fr mont the Donners and Red Cloud among others as well as dozens of little known men women and children who jotted down what they were seeing and feeling in journals letters or perhaps even on a rock or a gravestone Throughout Dary keeps us informed of

developments in the East and their influence on events in the West among them the building of the transcontinental railroad and the efforts of the far western settlements to become U S territories and eventually states Above all The Oregon Trail offers a panoramic look at the romance colorful stories hardships and joys of the pioneers who made up this tremendous and historic migration

So Rugged and Mountainous Will Bagley,2012-10-09 The story of America s westward migration is a powerful blend of fact and fable Over the course of three decades almost a million eager fortune hunters pioneers and visionaries transformed the face of a continent and displaced its previous inhabitants The people who made the long and perilous journey over the Oregon and California trails drove this swift and astonishing change In this magisterial volume Will Bagley tells why and how this massive emigration began While many previous authors have told parts of this story Bagley has recast it in its entirety for modern readers Drawing on research he conducted for the National Park Service s Long Distance Trails Office he has woven a wealth of primary sources personal letters and journals government documents newspaper reports and folk accounts into a compelling narrative that reinterprets the first years of overland migration Illustrated with photographs and historical maps So Rugged and Mountainous is the first of a projected four volume history Overland West The Story of the Oregon and California Trails This sweeping series describes how the Road across the Plains transformed the American West and became an enduring part of its legacy And by showing that overland emigration would not have been possible without the cooperation of Native peoples and tribes it places American Indians at the center of trail history not on its margins

The World of the American West Gordon Morris Bakken,2016-12-12 Addressing everything from the details of everyday life to recreation and warfare this two volume work examines the social political intellectual and material culture of the American Old West from the California Gold Rush of 1849 to the end of the 19th century What was life really like for ordinary people in the Old West What did they eat wear and think How did they raise their children How did they interact with government What did they do for fun This encyclopedia provides readers with an engaging and detailed portrayal of the Old West through the examination of social cultural and material history Supported by the most current research the multivolume set explores various aspects of social history family politics religion economics and recreation to illuminate aspects of a society s emotional life interactions opinions views beliefs intimate relationships and connections between the individual and the greater world Readers will be exposed to both objective reality and subjective views of a particular culture as a result they can create a cohesive accurate impression of life in the Old West during the second half of the 1800s

A Guide to the Manuscript Collections of the Bancroft Library Dale L. Morgan,George P. Hammond, **The Great Medicine Road, Part 1** Michael L. Tate,2014-10-22 Between 1841 and 1866 more than 500 000 people followed trails to Oregon California and the Salt Lake Valley in one of the greatest mass migrations in American history This collection of travelers accounts of their journeys in the 1840s the first volume in a new series of trail narratives comprises excerpts from pioneer and missionary letters diaries journals and memoirs many previously unpublished accompanied by biographical

information and historical background Beginning with Father Pierre Jean de Smet's letters relating his encounters with Plains Indians and ending with an account of a Mormon gold miner's journey from California to Salt Lake City these narratives tell varied and vivid stories Some travelers fled hard times religious persecution the collapse of the agricultural economy illness or unpredictable weather Others looked ahead attracted by California gold the verdant Willamette Valley of Oregon or the prospect of converting Native people to Christianity Although many welcomed the adventure and adjusted to the rigors of trail life others complained in their accounts of difficulty adapting Remembrances of the Oregon California and Mormon Trails have yielded some of the most iconic images in American history This and forthcoming volumes in The Great Medicine Road series present the pioneer spirit of the original overlanders supported by the rich scholarship of the past century and a half
