James Naughton

Slovenska Amerika Slovak America:

The Slovak Question Michael R. Cude, 2022-06-07 The so called Slovak question asked what place Slovaks held or should have held in the former state of Czechoslovakia Formed in 1918 at the end of World War I from the remains of the Hungarian Empire and reformed after ceasing to exist during World War II the country would eventually split into the Czech Republic and Slovakia after the Velvet Divorce in 1993 In the meantime the minority Slovaks often clashed with the majority Czechs over their role in the nation The Slovak Question examines this debate from a transatlantic perspective Explored through the relationship between Slovaks Americans of Slovak heritage and United States and Czechoslovakian policymakers it shows how Slovak national activism in America helped the Slovaks establish a sense of independent identity and national political assertion after World War I It also shows how Slovak American leaders influenced US policy by conceptualizing the United States and Slovakia as natural allies due to their connections through immigration This process played a critical role in undermining attempts to establish a united Czechoslovakian identity and instead caused a divide between the two groups which was exploited by Nazi Germany and then by other actors during the Cold War and proved ultimately to be insurmountable

Notable Czech and Slovak Americans Miloslav Rechcigl Jr., 2021-12-14 The contribution to the development and culture of America by the immigrants from the territory of former Czechoslovakia be they Czechs or Slovaks or Bohemians as they used to be called has been enormous Yet little has been written about the subject This compendium is part of an effort to correct this glaring deficiency In this compendium the focus is on religion law and jurisprudence business and entrepreneurship and the notable people in the government with the narration and assessment about the Czechoslovak American explorers adventurers and

pioneers who paved the way for the colonists and settlers who followed them An important role among them played the social movement activists some of whose ideas won the respect and ultimately acceptance by general population to which subject an entire section has been devoted Among other you will find among them abolitionists freethinkers suffragists civil human rights activists environmentalists and conservationists climate change activists philanthropists inventors and even futurists or futurologists Their innovative ideas inevitably led to the rise of the plethora of Czech and Slovak American leaders encompassing practically every aspect of human endeavor As stated in the Foreword this reference will serve as a powerful research tool for many years to come for scholars and all Czechs and Slovaks on both sides of the Atlantic
