book came as result of many personal experiences Being about our Father s business is bigger than any title in life Professionally I am an entrepreneur an adjunct instructor an attorney a board director and officer and many other titles Personally I am a wife a daughter a sister a friend a poet an athlete We all have many titles but above all of these there is a business a mission we have each been assigned to carry out This book is written to remind and encourage you and me to pick up the mission then drop the mic Picking up the mission refers to bearing your cross and coming after Christ Dropping the mic refers to when a speaker or artist is on a stage and says something so profound and final leaving nothing else to be said afterwards This is how our lives should be lived with such profundity that when our time on this earth is over we can say I have fought a good fight I have finished my course I have kept the faith our physical death being our drop the mic moment The specific challenges we face in deciding to answer God s call on our lives will be different for each of us Some of the most difficult decisions will be choices between good our plans and best God s plans for us It is my prayer that you read this book and pick up the mission so that at the end of your life you can then drop the mic [Click here to access the author s website](#)
