Walker,2020-09-04 This book first published in 1988 provides an analysis of recruitment to the new profession of nineteenth century accountancy and in doing so gives an insight into the complex origins and behaviour of the emergent professional classes Unlike most studies this is a study of all recruits not only of those who succeeded in becoming qualified This permits an analysis of the whole process of recruitment including the choice of accountancy as a career option and as a vehicle of social mobility *Transmission Electron Microscopy* C. Barry Carter,David B. Williams,2016-08-24 This text is a companion volume to *Transmission Electron Microscopy A Textbook for Materials Science* by Williams and Carter The aim is to extend the discussion of certain topics that are either rapidly changing at this time or that would benefit from more detailed discussion than space allowed in the primary text World renowned researchers have contributed chapters in their area of expertise and the editors have carefully prepared these chapters to provide a uniform tone and treatment for this exciting material The book features an unparalleled collection of color figures showcasing the quality and variety of chemical data that can be obtained from today s instruments as well as key pitfalls to avoid As with the previous TEM text each chapter contains two sets of questions one for self assessment and a second more suitable for homework assignments Throughout the book the style follows that of Williams Carter even when the subject matter becomes challenging the aim is always to make the topic understandable by first year graduate students and others who are working in the field of Materials Science Topics covered include sources in situ experiments electron diffraction Digital Micrograph waves and holography focal series reconstruction and direct methods STEM and tomography energy filtered TEM EFTEM imaging and spectrum imaging The range and depth of material makes this companion volume essential reading for the budding microscopist and a key reference for practicing researchers using these and related techniques Technical Abstract Bulletin ,1978 **Scientific and Technical Aerospace Reports** ,1970 Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database School Library Journal ,1966 American Book Publishing Record Cumulative, 1876-1949: Non-Dewey decimal classified titles R.R.
