James Dean Transfigured Claudia Springer, 2013-05-17 After the death of James Dean in 1955 the figure of the teen rebel permeated the globe and its presence is still felt in the twenty first century Rebel iconography which does not have to resemble James Dean himself but merely incorporates his disaffected attitude has become an advertising mainstay used to sell an array of merchandise and messages Despite being overused in advertisements it still has the power to surprise when used by authors and filmmakers in innovative and provocative ways The rebel figure has mass appeal precisely because of its ambiguities it can mean anything to anyone The global appropriation of rebel iconography has invested it with fresh meanings Author Claudia Springer succeeds here in analyzing both ends of the spectrum the rebel icon as a tool in upholding capitalism's cycle of consumption and as a challenge to that cycle and its accompanying beliefs In this groundbreaking study of rebel iconography in international popular culture Springer studies a variety of texts from the United States and abroad that use this imagery in contrasting and thought provoking ways Using a cultural studies approach she analyzes films fiction poems Web sites and advertisements to determine the extent to which the icon's adaptations have been effective as a response to the actual social problems affecting contemporary adolescents around the world Savin Hill Dr. Edward McKenney, 2016-11-18 Edward McKenney looks back to another era with entertaining stories from Savin Hill an Irish Catholic neighborhood in this entertaining and heartfelt memoir highlighting the period from 1969 to 1979 Edward's father almost became a priest but then he met an attractive strawberry blonde who became his wife and mother to their children As one of nine siblings Edward stood out with his red hair an enormous gap between his front teeth and horned rim eyeglasses He relives the humorous and serious sides of receiving a Catholic school education during the seventies Bullies gangsters and psychopathic nuns crossed the paths of the McKenney children and all the while their parents tried to shield them from negative influences with Catholic moral teachings If you drove a Big Wheel ate Mallo Cups or survived an education at the
