Cottrell,2014-12-24 This is the story of Civilian Public Service smokejumpers who battled against dangerous winds searing heat and devastating fires from 1943 until 1945 Fewer than 300 World War II conscientious objectors served their country in this fashion operating out of CPS bases in Montana Idaho and Oregon But that small band of men helped to keep alive Forest Service operations in the Pacific Northwest and thus sustained a program to fight potentially crippling fires When the war ended CPS smokejumpers like millions of World War II combat soldiers were ushered out of wartime service Some like many returning GIs encountered difficulties in adjusting to civilian life Nevertheless the one time smokejumpers often went on to make other remarkable contributions to their communities their nation and the world **Smokejumpers** Charles W.
