# Sociology For Social Work

**Lena Dominelli**

## **Sociology For Social Work:**

*Sociology for Social Work* Chris Yuill, Alastair Gibson, 2010-11-15 This excellent textbook introduces the social work student to the field of sociology illustrating how sociology is connected to and fundamental to effective social work practice Each chapter applies theory to practice and is uniquely co written by a sociologist social worker and service user A wide range of topics and subjects relevant to social work are covered including Gender Class Ethnicity and race Ageing Health Intimacies Social exclusion Crime and deviance Communities Disability The book comes with access to an exciting companion website offering the reader downloads web links powerpoint slides and case studies Every chapter of the book further includes further case studies along with lots of clear definitions of terms and reflection points making this book the essential introductory text for all social work students

**Sociology for Social Workers** Anne Llewellyn, Lorraine Agu, David Mercer, 2008-07-08 How can sociology contribute to positive social work practice This introductory textbook uses pedagogical features such as chapter summaries numerous examples a glossary activities and annotated further reading

**Sociology in Social Work Practice** Peter R. Day, 1987-08-07 All social work activity is influenced by the society in which it takes place It is therefore inescapable that understanding sociology should help social workers to make a more effective contribution to people s welfare The different perspectives which constitute sociology are examined and the book analyses the ways peoples lives are powerfully influenced by social forces and social problems It is argued that sociology should help social workers to examine their assumptions and value judgements and develop their capacity to be questioning and discriminating about their methods and the policies which affect them and their clients

*Sociology and Social Work* Brian J. Heraud, 2014-05-17 Sociology and Social Work Perspectives and Problems focuses on the relationship between sociology and social work providing a sociological understanding of the problems social workers face This book begins with an introduction to sociology and social work followed by a discussion on the nature of a sociological perspective The sociological approach to family and kinship analysis of the community social stratification and social deviance are also elaborated This text emphasizes child rearing language and social class including childhood as a preparation for class membership and changes in the stratification system The social functions of social work in relation to social control and social change are likewise reviewed This compilation concludes with a review of the professionalization and organizational context of social work and problems arising from the nature of social work and sociology This publication is a good reference for students and researchers interested in the perspectives and problems related to sociology and social work

*Social Work* Joyce Lishman, Janine Bolger, Neil Gibson, Gary Spolander, Chris Yuill, 2023-05-11 Now in its third edition Social Work An Introduction will equip you as a future social worker with everything you need to know in your first year and beyond Split into four parts each chapter is packed with learning features to allow you to get the most out of your reading and studies This book includes Case studies and exercises to illustrate and test your knowledge Critical thinking boxes and reflective

questions to help you carefully consider and review what you have learned Recommended reading to further develop your understanding A range of tools for practice with different service user groups Guidance on relating your knowledge to different practice frameworks throughout the UK Plus free online resources to support teaching find themes for discussion SAGE journal articles case studies activities and more at <https://study.sagepub.com/lishman-et-al3e>

**The Sociology of Social Work** Martin Davies, 2023-07-21 How do sociologists explain the role and function of social work in society How has sociological knowledge been used adapted and misused by social workers Originally published in 1991 The Sociology of Social Work includes chapters on sociological theory and social work child protection community care probation interviews family therapy residential care race and knowledge and power

**The Contribution of Sociology to Social Work** R. M. Maciver, 2011-10-12 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

**Sociology and Social Work** Jo Cunningham, Steve Cunningham, 2014-03-24 Sociological perspectives and their application to social work are an inherent part of the QAA benchmark statements in the social work degree In addition graduates must understand how sociological perspectives can be used to dissect societal and structural influences on human behaviour at individual group and community levels This fully revised second edition includes a new chapter on social class and welfare and is mapped to the new Professional Capabilities Framework for Social Work

**Social Theory for Social Work** Christopher Thorpe, 2017-09-28 Trying to understand how the world looks through the eyes of individuals and groups and how it shapes the ways they think and act is something social workers do all the time It is what social theorists do too This book identifies and explains in a highly accessible manner the absolute value of social theory for social work Drawing on the theoretical ideas and perspectives of a wide range of classical and modern social theorists the book demonstrates the insights their work can bring to bear on a wide range of social work practice scenarios issues and debates Departing with the work of the classical theorists the book covers a diverse range of theoretical traditions including phenomenology symbolic interactionism Norbert Elias Michel Foucault Pierre Bourdieu feminism and globalization theory Putting to work ideas from these different perspectives a range of social work scenarios issues and debates are opened up and explored The final chapter brings together the various theoretical strands and critically considers the contribution they can make towards realizing core social work values in a rapidly globalizing world Demonstrating exactly how and in what ways social theory can make important and enduring contributions to social work Social Theory for Social Work is essential reading for social work students practitioners and professionals alike

**Introduction to Social Work** Lisa E. Cox, Carolyn J. Tice, Dennis D. Long, 2015-01-21 Introduction to Social Work by Lisa E Cox Carolyn J Tice and Dennis D Long is an exciting and timely new text that takes readers to the roots of the social work profession framing its history practice settings and career paths through the lens of advocacy Closely aligned with the latest Educational Policy and Accreditation

Standards EPAS the text goes beyond standard coverage to explore such cutting edge content as military social work environmental issues global international social work housing and more Robust applied pedagogy and an emphasis on advocacy and reflective practice help underscore the transformative opportunities and contributions of social work on clinical client community national and international levels      Sociology in Social Work Peter Leonard,1966      *An Introduction to Sociology, for Social Workers and General Readers* Joseph John Findlay,2018-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      An Introduction to Sociology, for Social Workers, and General Readers Joseph John Findlay,2015-06-11 Excerpt from *An Introduction to Sociology for Social Workers and General Readers* This book does not aim to cover all the topics which would be included in a comprehensive text book it is just an Introduction although the treatment is systematic since my motive in taking up the study was to strike a clear path for myself through the jungle of social questions Some problems of great importance as for example the institution of land tenure of marriage are left on one side others have received a more extended notice probably because the upheaval of Europe during the recent years has thrust these into prominence The central theme of sociology as here conceived is the definition of social groups their classification and their relations to each other Taken apart such study is an intellectual exercise placing a number of conceptions in a rational order like pieces on a chessboard the difficulty which the task presents does not lie so much in the effort of thought as in the variety of sciences which the student has to turn for his materials Anthropology biology psychology history to say nothing of politics theology education all in turn have to be requisitioned I cannot pretend to a mastery of these great fields of research and shall not hope to escape the strictures of those who are qualified to handle such disciplines Some of the more obvious defects have been removed by the kindness of those who have read the pages in proof the rest are on record About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in

our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Sociological Social Work* Priscilla Dunk-West, Fiona Verity, 2016-04-01 Sociological social work is a lifelong social work practice which is animated by a sociological perspective Social workers shorthand orientations such as strengths perspective task centred or humanistic to name but a few as a way to identify their philosophical and theoretical approaches in professional life Whilst some texts have examined sociology for social work this text instead proposes that sociological social work is a legitimate and theoretically rich orientation and this book demonstrates what sociological social work looks like in our rapidly changing world This text will equip students and practitioners with a way to think sociologically not just while they are studying but as an ever present reference for making sense of social work purpose and how this is realised in a transforming world This follows an established tradition in social work literature but this book elevates and names the importance of this approach which we argue is critically needed if social work is to achieve its agenda in transformative social political economic and environmental contexts The current landscape in which we live is one that is characterised by rapid changes which have implications for the life experiences of those with whom social workers work social justice advocacy agendas and for fulfilling the purpose of social work more generally This book is essential reading for those looking to keep up with these changes

*An Introduction to Sociology, for Social Workers and General Readers* J J 1860- Findlay, 2015-11-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Systems Theory for Social Work and the Helping Professions** Werner Schirmer, Dimitris Michailakis, 2019-03-21 Social systems occur in many contexts of social work This book provides an easy to read introduction to systems thinking for social workers who will encounter social problems in their professional practice or academic research It offers new insights and fresh perspectives on this familiar topic and invites creative critical and empathetic thinking with a systems perspective Through introducing systems theory as a problem oriented approach for dealing with complex interpersonal relations and social systems this book provides a framework for studying social relations The authors present a strand of systems theory inspired by sociologist Niklas Luhmann that offers innovative surprising and

practically relevant understandings of everyday social life inclusion exclusion social problems interventions and society in general Systems Theory for Social Work and the Helping Professions should be considered essential reading for all social work students taking modules on sociology and social policy as well as students of nursing medicine counselling and occupational health and therapy

**Sociology for Social Workers and Probation Officers** Vivienne E. Cree, 2012-10-12

How does a social work student make the connection between sociological knowledge and day to day social work procedures Sociology for Social Workers provides an introduction to sociological ideas and research and places it firmly into the context of social work practice It takes the issues that sociology addresses and uses them to show how social work can be better informed and improved Each chapter provides full referencing so that students and social work practitioners can follow up on primary sources to pursue and develop the most useful specific themes and ideas

*Sociology for Social Work* Lena Dominelli, 1997-11-11 This major text addresses the relevance of sociological concepts to social work practice arguing that lack of understanding of the ways in which social work fits into society's structures and is informed by its relationship with these can lead to impoverished social work practice Written from an anti racist feminist perspective it both argues for social workers to engage in empowering forms of practice and provides students practitioners and educators with a new paradigm to draw on

**Concepts and Methods of Social Work** Walter A. Friedlander, 1958

Applied Sociology for Social Work Ewan Ingleby, 2017-11-27 Sociology can help students understand why and how so many of the problems their service users face occur in the first place helping them choose effective ways to communicate and make informed decisions on how their needs can be fully met This book offers students a framework to explore how their professional responsibility to understanding sociology can be realised in every aspect of their work with a diverse range of service user groups including children and families adults older people people with learning disabilities and people suffering from mental distress The book takes students step by step through the theoretical grounding what sociology is how it is relevant to everyday social work practice and what are the key aspects of sociological theory that need to be understood
