Sociology Of Juvenile Delinquency

Donald J. Shoemaker

Sociology Of Juvenile Delinquency:

Juvenile Delinquency Jack E. Bynum, William Edwin Thompson, 1992 Juvenile delinquency is one of the most complex interesting and challenging phenomena in the US Newspapers television and radio bombard us with accounts of juvenile misbehavior and crime which range from truancy to first degree murder Consequently youths who violate the law receive considerable attention from law enforcement officials social agencies criminologists and social and behavioral scientists This book is guided by the basic premise that juvenile delinquency is inherently social in nature Thus any meaningful discussion of delinquency must be expressed in a sociological framework More specifically this book approaches delinquency as it relates to and emerges from the youth s family neighborhood school peer group social class and overall culture and environment This edition includes current and controversial topics such as community policing gun control hate crimes the impact of TV violence boot camps and capital punishment for juveniles Sociologists social workers law enforcers teachers and administrators

The Sociology of Juvenile Delinquency Ronald J. Berger, 1991 **Delinquency and Society** James F. Short, 1990 *An Introduction to the Sociology of Juvenile Delinquency* David Musick, 1995-02-01 This is a challenging book that makes no attempts to oversimplify and trivialize the highly complex subject of juvenile delinquency Its approach is both conceptual and historical It includes information not only about delinquents but also about other types of problem children By doing so the broader social environment of delinquency is better understood and delinquency can be put into a more general conceptual context Fundamental concepts interpretive perspectives and methodologies that are used to describe and analyze juvenile delinquency and related children s problems are presented *Juvenile Delinquency* Donald J. Shoemaker, 2013-03-14 Juvenile Delinquency is a comprehensive textbook that covers criminal behavior and justice for young people Donald J Shoemaker offers a simple and accessible text for students who are seeking a better understanding of crime and youth culture With a strong emphasis on the importance of theory and practice this updated edition of Juvenile Delinquency is a must read for understanding crime and youth culture *The Social Organization of Juvenile Justice* Aaron Victor Cicourel, 1995-01-01 The Social Organization of Juvenile Justice recasts familiar sociological problems of research within a dramatically new and different theoretical and methodological perspective In seeing law enforcement officers no less than those accused of criminal behavior as locked into the creation of history or more precisely a series of retrospective and prospective interpretations of events both within and disengaged from the social contexts relevant to what purportedly took place Aaron Cicourel redefined the fault lines of contemporary criminology The work makes imaginative use of a wide variety of new techniques of analysis from ethnomethodology to community studies while at no point ignoring basic hard statistical data in this study of juvenile justice in two California cities Cicourel challenges the conventional view that assumes delinquents are natural social types distributed in some ordered fashion and produced by a set of abstract internal or external pressures from the social structure He views the everyday organizational workings of the police probation

departments courts and schools demonstrating how these agencies contribute to various kinds of transformation of the original events that led to law enforcement contact This contextual creation of facts in turn leads to improvised ad hoc interpretations of character structure family life and future prospects In this way the agencies may generate delinquency by their routine encounters with the young His new introduction discusses with great detail the methodology behind his research and responses to earlier critiques of his work

Juvenile Delinquency in a Diverse Society Kristin A. Bates, Richelle S. Swan, 2023-03-28 In the Fourth Edition of *Juvenile Delinquency in a Diverse Society* authors Kristin A Bates and Richelle S Swan take a critical approach to juvenile delinquency in the context of real communities and social policies focusing on the issues of race class and gender True stories and real world examples allow students to gain a critical understanding of juvenile delinquency and the juvenile justice system encouraging them to explore how theories of delinquency can be used to create new policies and programs in their own communities

Bynum, 2012-11-07 **ALERT** Before you purchase check with your instructor or review your course syllabus to ensure that you select the correct ISBN Several versions of Pearson's MyLab check with the seller before completing your purchase Used or rental books If you rent or purchase a used book with an access code the access code may have been redeemed previously and you may have to purchase a new access code Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code Check with the seller prior to purchase Teaches students the ways to understand explain control and prevent juvenile delinquency Taking a sociological approach this text discusses delinquency as it relates to and emerges from the youth's family neighborhood school peer group social class and overall cultural and social environment The authors incorporate contributions from sociologists psychologists social workers criminologists and other specialists who have sought to understand explain control and prevent juvenile delinquency Learning Goals Upon completing this book readers will be able to Understand the causes of juvenile delinquency in both the US and other countries Use theoretical ideas to explain the cause of juvenile delinquency Discuss preventive measures to juvenile delinquency Analyze various studies on juvenile delinquency and apply theories to real life situations 0205934889 9780205934881 *Juvenile Delinquency Plus MySearchLab with eText Access Card Package* Package consists of 0205239927 9780205239924 *MySearchLab with Pearson eText Valuepack Access Card* 0205246532 9780205246533 *Juvenile Delinquency*

[Juvenile Delinquency in America](#) Kelly Clarkson, 2013-04-18 Seminar paper from the year 2012 in the subject Sociology Children and Youth grade A State University of New York at Stony Brook language English abstract Juvenile delinquency has been ranked as one of the most serious problems facing the United States today It has become a national problem as opposed to being restricted to the large cities The nature of juvenile delinquency has changed over time such that the delinquent activities being engaged in by the juveniles have changed over the years The relevant juvenile justice agents have attempted to

prevent and control this vice However it seems like more still needs to be done are the methods that have been employed have not yielded the desired results Muraskin Roberts 2005 There is no universally accepted definition and approach of addressing juvenile delinquency For instance to the criminologists juvenile delinquency entails all public wrongs committed by the young between the ages of 12 and 20 Sociologists take a broader approach since they postulate that delinquency includes many violations of legal and social norms including minor offences serious crimes committed by juveniles The sociologists the specifics of youth deviant behavior with the home peers family neighborhood as well as other variables which influence the formation of young people s social environment It is against this backdrop that this paper seeks to delve into the issue of juvenile delinquency by looking at its causes prevention control and the way forward Muraskin Roberts 2005

Juvenile Delinquency in Modern Society Martin Henry Neumeyer,1961 Sociology of Delinquency Gary F. Jensen,American Society of Criminology,1981-09 Victims of Change Harold Finestone,1976-09 *Theories of Delinquency* Donald J. Shoemaker,2018-05-01 *Theories of Delinquency* is a comprehensive survey of the theoretical approaches towards understanding delinquent behavior It includes discussions and evaluations of all major individualistic and sociological theories presenting each theory in a standard format with basic assumptions important concepts and critical evaluations of the relevant research Juvenile Delinquency Robert Agnew,Samuel Candler Dobbs Professor Department of Sociology Robert Agnew,2004-08-10 The Second Edition of Agnew s popular text is thoroughly updated The coverage of delinquency theories is expanded more examples are provided and a Teaching Aids section appears at the end of each chapter The four sections of this text examine 1 The nature and extent of delinquency Includes chapters on the nature and origins of the juvenile justice system the extent of and trends in delinquency including reasons for the recent decline in delinquency and the characteristics of delinquents 2 The major theories of delinquency Discusses strain social learning control and labeling theories as well as efforts to use these theories to explain patterns of offending over the life course why delinquency is more likely in some situations than others and why some groups and communities have higher rates of delinquency than others e g why males have higher rates of delinquency than females 3 The major research on the causes of delinquency Includes research on the relationship between delinquency and biological factors individual traits family factors school experiences delinquent peer groups and gangs the mass media religion work drugs and guns 4 The efforts of the police juvenile court and juvenile correctional agencies to control delinquency Examines the effectiveness of these agencies ways to increase their effectiveness and the extent to which they discriminate against certain groups Also examines four general strategies for controlling delinquency the get tough strategies of deterrence and incapacitation and the strategies of rehabilitation and prevention *Sociological Aspects of Crime and Delinquency (Routledge Revivals)* Michael Phillipson,2014-10-14 The field of crime and delinquency attracts a great deal of heated and partial opinion prejudice and other forms of mal thinking When there is a scientific approach there tends to be a psychological explanation This book first

published in 1971 is a corrective to both trends It is a discussion of criminal behaviour in relation to a wide range of behaviours which could be called deviance and regards the whole field from the sociological point of view The whole discussion is related to social policy and is vital reading for students of sociology and criminology **Juvenile Delinquency** Peter C. Kratcoski, Lucille Dunn Kratcoski, Peter Christopher Kratcoski, 2019-12-03 Combining theory with practical application this seminal introduction to juvenile delinquency and juvenile justice integrates the latest research with emerging problems and trends in an overview of the field Now in its sixth edition this book features new interviews and discussions with child care professionals and juvenile justice practitioners on their experiences translating theory to practice It addresses recent changes in the characteristics of delinquents alongside changes in laws and the rise of social media and smartphones It includes a new chapter of international perspectives on juvenile justice and delinquency Incorporated throughout is consideration of the mental health and special needs of youth in the juvenile justice system as well as at risk and non fault children as victims With attention to both quantitative and qualitative findings this clear and comprehensive text will be useful for students of criminology criminal justice sociology and those interested in working with at risk youth *Juvenile Delinquency* James W. Burfeind, Dawn Jeglum Bartusch, 2006 *Juvenile Delinquency An Integrated Approach* provides a thorough examination of the primary theories of delinquency along with the most recent and relevant research in the field The social contexts of delinquency families peers schools drugs and gangs are considered within the theoretical traditions that most actively address these arenas With a writing style praised by reviewers and students alike Burfeind and Bartusch do an outstanding job helping students understand juvenile delinquency The text is divided into four main sections containing 15 chapters The first two sections focus on defining and describing juvenile delinquency The third section concentrates on explaining delinquent behavior while the fourth section considers responding to juvenile delinquency through contemporary juvenile justice systems *Juvenile Delinquency and Justice* Ronald J. Berger, Paul D. Gregory, 2009 This anthology offers a comprehensive overview of the essential topics in juvenile delinquency and justice The selections encompass both landmark scholarship and cutting edge research to expose students to a wide range of theoretical and methodological approaches

Juvenile Delinquency Laura Pinto Hansen, 2023-09-14 *Juvenile Delinquency* by Laura Pinto Hansen blends a discussion of the juvenile justice system with the sociological underpinnings of delinquency issues creating the ideal text for courses in sociology criminology and criminal justice programs Providing thorough coverage of both theory and application the text s interdisciplinary approach looks at juvenile offending through the scholarly lenses of sociology criminal justice developmental and physiological psychology The thoughtful approach is designed to offer a rich reading experience accommodating different styles of learning Professors and students will benefit from Comprehensive coverage of not only the history and theory of juvenile delinquency but also the sociological and psychological underpinnings underlying the law Interdisciplinary approach that can be used in a wide variety of programs International Perspectives on Juvenile Justice in each chapter

offering cross cultural cross national views of the treatment of juvenile offenders as well as a peek behind the walls of juvenile detention centers in other countries around the world In the Media sections provide timely case studies of current trends in the field Carefully designed pedagogy including Chapter Objectives Key terms Chapter Summaries and Discussion Questions helps students master the material References and Suggested Readings at the end of each chapter not only cite the sources used but also encourage students to research topics further as well as giving them a start for their class research papers

Causes of Delinquency Travis Hirschi, 1969 This book tests three theories of delinquency causation the strain control and cultural deviancy theories using a large body of data on delinquency collected in California It outlines the assumptions of each theory and discusses the logical and empirical difficulties attributed to them It then draws and outline of a social control theory which informs the subsequent analysis
