*Soft Day* Peter Fallon, Sean Golden, 1980      **Irish Writing in the Twentieth Century** David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into      **Contemporary Irish Poetry, New and Revised Edition** Anthony Bradley, 1988-11-15 The poems featured in this anthology are quintessentially human documents informed by humor compassion and a joyful and visionary element an impulse to praise what is really life and to protect it from the naysayers as well as by a salutary realism and irony This revised edition features the work of Tom Paulin Medbh McGuckian Paul Durcan Aidan Carl Mathews Anne Hartigan Nuala n Dhomhnaill and others who were not included in the first edition Moreover the selections from those poets featured in the first edition have in many cases been extensively changed and updated In total more than half the poems published in this second edition did not appear in the first      *The Modern Irish Sonnet* Tara Guissin-Stubbs, 2020-10-10 The Modern Irish Sonnet Revision and Rebellion discusses how and why the sonnet appeals to Irish poets and has grown in popularity over the last century Using a thematic approach Tara Guissin Stubbs argues for the significance of the Irish sonnet as a discrete entity within modern and contemporary poetry and shows how the Irish sonnet has become a debating chamber for discussions concerning the relationship between Irish and British culture poetry and gender and revision and rebellion The text reshapes the poetic and critical field exploring canonical and non canonical poems by male and female poets so as to challenge outmoded views of the thematic and formal limitations of the sonnet      **Nonverbal Communication and Translation** Fernando Poyatos, 1997 This is the first book within the interdisciplinary field of Nonverbal Communication Studies dealing with the specific tasks and problems involved in the translation of literary works as well as film and television texts and in the live experience of simultaneous and consecutive interpretation The theoretical and methodological ideas and models it contains should merit the interest not only of students of literature professional translators and translatoologists interpreters and those engaged in film and television dubbing but also to literary readers film and theatergoers linguists and

psycholinguists semioticians communicologists and crosscultural anthropologists Its sixteen contributions by translation scholars and professional interpreters from fifteen countries deal with discourse in translation intercultural problems narrative literature theater poetry interpretation and film and television dubbing      **Irish Literature** Mary Ketsin,2004 Irish literature s roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett

**My Self, My Muse** Patricia Boyle Haberstroh,2001-07-01 A unique look into the minds and creative processes of contemporary Irish women poets this book focuses on the transformation of their life experiences into poetry that blends personal identity with national identity It assembles many voices around common themes that are emerging to change Irish poetry permanently Patricia Boyle Haberstroh whose book *Women Creating Women Contemporary Irish Women Poets* was a Choice Outstanding Academic book in 1996 shows in this new work how nine of the most prolific Irish women writers generate their poetry broadening our understanding of the context of the poems She pairs each author s verse with a companion and often autobiographical prose piece to illuminate the ways in which the poetry expresses the poet s personal experience As women in a politically and religiously charged male dominated genre and country these poets feel compelled to transcend daily life by articulating against the norm In this book they describe the issues they confronted in their growth as poets and the strategies they developed to translate life into art In linking these poets drawn from Northern Ireland and England as well as the Republic of Ireland Haberstroh throws into relief the characteristics that define their unique individual subjects themes and styles      *Irish Books in Print & Leabhair Gaeilge i GCló* ,1984      **Worlds Apart** Howard Goldblatt,2024-12-06 Thirteen selected papers from an international conference on contemporary Chinese literature held near Gunzburg Bavaria in June July 1986 constitute both a record of literary writings from the PRC Hong Kong and Taiwan as well as an overview of the broader international role of Chinese writing in translation      *The Plays of Thomas Kilroy* Thierry Dubost,2015-03-14 The Irish Times called Thomas Kilroy one of the most significant playwrights of modern Ireland while The Sunday Times has described him as one of the outstanding living Irish playwrights and perhaps the most complete The winner of numerous honors including a special tribute from the Irish Theatre Awards in 2003 he has written fourteen plays This appraisal of the works of Thomas Kilroy focuses on the common themes and methodology of his plays including an unusual alliance between serious theatrical complexity and varied but demanding forms of comedy A separate chapter is devoted to each play with the exception of *The Death and Resurrection of Mr Roche* and *The MacAdam Travelling Theatre* whose complementary themes are discussed together Reflecting on the essence of theatre Kilroy s works combine meditations on humanity with references to Irish history generally using historical reality as a dramatic starting point Plays

discussed include Kilroy originals such as Talbot's Box The Secret Fall of Constance Wilde and Blake as well as adaptations of well known works such as The Seagull Six Characters in Search of an Author and Henry Interviews with stage directors L Parker M Stafford Clark P Mason A S Paul and the playwright himself contribute to this in depth analysis of Kilroy's dramatic art Photographs of staged plays and a list of premieres of Kilroy's works plays and adaptations are also included
