Collected Poems William Blake, 2005-06-29 William Blake is a poet without parallel who remains a source of wisdom and inspiration to countless individuals throughout the world This selection was commissioned in 1905 by the firm of George

Routledge from W B Yeats who had previously been one of the pioneer editors of Blake's prophetic books. Yeats, one of the few poets whose work could be compared with that of Blake, prepared a unique selection of his poetic and prose writings. There is no better way to encounter the work of one poetic genius than as it is presented by another, and Yeats understood Blake in a way few others did.
