Cup in Caracas Venezuela most Americans however had no idea such a team even existed A Game of Their Own chronicles
the largely invisible history of women in baseball and offers an account of the 2010 Women s World Cup tournament Jennifer
Ring includes oral histories of eleven members of the U S Women s National Team from the moment each player picked up a
bat and ball as a young girl to her selection for Team USA Each story is unique but they share common themes that will
resonate with young female players and fans alike facing skepticism and taunts from players and parents when taking the
batter s box or the pitcher s mound self doubt the unceasing pressure to switch to softball and eventual acceptance by their
baseball teammates as they prove themselves as ballplayers These racially culturally and economically diverse players from
across the country have ignored the message that their love of the national pastime is wrong Their stories come alive as they
recount their battles and most memorable moments playing baseball the joys of exceeding expectations and the pleasure of
honing baseball skills and talent despite the lack of support With exclusive interviews with players coaches and
administrators A Game of Their Own celebrates the U S Women s National Team and the excellence of its remarkable players
