The Rapture and Return of The Lord Jesus Christ Joseph Morgan,2021-12-15 Is Christ going to return to the earth physically Will the Rapture of the church occur The Bible answers these questions in the affirmative So when will these things take place After years of studying this I am convinced that not only will the Lord Jesus be coming to reign on this earth from Jerusalem but He will be doing so very shortly I believe that the Bible in fact tells us the exact date of His return Not only that it also tells us the exact date of the Rapture or at least the time in which it will occur Even more it tells us when the final seven year period will begin and when the Antichrist will reveal himself to the day I know that many might express incredulity at such claims and even shock at the utter audacity to proclaim something so preposterous and I do not blame you if you do feel this way I only ask that you read and consider for yourself The prophetic time line laid out in this book is absolute and can be overlaid onto the Gregorian calendar I encourage you to read and discover for yourself why I am so confident in my declarations and how those prophetic time stamps align on our modern calendar When done and when applied to what Scripture says and the history of the church age it tells us the physical return of Christ to the earth could very well take place on April 9 2033 Get ready to be shocked as the book of Revelation will be unfolded to you in a way you have probably never seen before
