

Soldier In World War I

**William T. Bowers, William M.
Hammond, George L. MacGarrigle**

Soldier In World War I:

An American Soldier in World War I George Browne, 2006-01-01 George Brownie Browne was a twenty three year old civil engineer in Waterbury Connecticut when the United States entered the Great War in 1917 He enlisted almost immediately and served in the American Expeditionary Forces until his discharge in 1919 *An American Soldier in World War I* is an edited collection of more than one hundred letters that Browne wrote to his fianc e Martha Marty Johnson describing his experiences during World War I as part of the famed 42nd or Rainbow Division From September 1917 until he was wounded in the Meuse Argonne offensive in late October 1918 Browne served side by side with his comrades in the 117th Engineering Regiment He participated in several defensive actions and in offensives on the Marne at Saint Mihiel and in the Meuse Argonne This extraordinary collection of Brownie s letters reveals the day to day life of an American soldier in the European theater The difficulties of training transportation to France dangers of combat and the ultimate strain on George and Marty s relationship are all captured in these pages David L Snead weaves the Browne correspondence into a wider narrative about combat hope and service among the American troops By providing a description of the experiences of an average American soldier serving in the American Expeditionary Forces in France this study makes a valuable contribution to the history and historiography of American participation in World War I

Notes Clifton J. Cate, Charles Cameron Cate, 2005 Bearing his medical discharge from the fledgling American Expeditionary Force after only four months as a trainee in the 1st Massachusetts Ambulance Corps the author became one of thousands of American youths who sought adventure and validation by traveling North to offer their wartime services as members of the C E F His account finished in 1927 chronicles his brief U S Army experience and more extensively the next 20 months from the signing of his Attestation papers in September 1917 in Fredericton N B to his release from active duty at St John in May 1919 as a Canadian soldier Beginning with basic drill and an introduction to light artillery in Canada he moved on to more intensive training in England to become a charter member of an entirely new unit the 12th 6 inch howitzer Battery 3rd Brigade CGA Not just a record of combat in France the story encompasses a totality of military life as it impacted the author and his close companions He faithfully records battlefield and bivouac experiences anecdotes of both legal and unsanctioned absences in five countries the formation and shattering of close friendships of the strange realization of his having been wounded and gassed and his consequent hospitalization and recovery Following an unauthorized reunification with his Battery mates in Belgium he describes the boredom of post war occupation demobilization via Kinmel Park in Wales his return to Canada and finally the long and eagerly anticipated yet strangely abrupt and poignant emptiness that attended his return to civilian life The author s highly personal and well documented narrative is enhanced by the inclusion of letters written home numerous scans of photographs and memorabilia that survived his epoch journey as well as a number of original pen and ink drawings that complement his writing

The Life and Times of a World War I Soldier Clyde Cremer, 2014 Julius Holthaus a humble

American farm boy went to France to help fill the depleted ranks of the Allies in America's largest battle of World War I the Meuse Argonne Offensive He had no idea what he was getting into The fight would involve more than a million American doughboys span forty seven days and result in the deaths of tens of thousands of people in one of the bloodiest battle in American military history Countless books focus on great military leaders war heroes and battle tactics but one must look at war on a human scale to truly understand its toll That understanding comes through examining the life and diary of Holthaus Author Clyde Cremer explores them in detail supplementing the diary's information with the insights he gleaned during six years of research This history follows a single soldier from rural Idaho and Iowa through his enlistment training and final trauma in the dark disenchanted forest of the Argonne Filled with facts and historical anecdotes this could be the story of many of the members of the American Expeditionary Forces sent overseas in World War I Their names are not listed in the history books but they all answered their country's call and should be remembered

A Soldier on the Southern Front Emilio Lussu, 2014-02-25 Rediscover the World War I masterpiece one of the few memoirs about the Italian front for fans of military history and All Quiet on the Western Front An infantryman's harrowing moving and occasionally comic account of trench warfare on the alpine front seen in A Farewell to Arms Times Literary Supplement Taking its place alongside works by Ernst J nger Robert Graves and Erich Maria Remarque Emilio Lussu's memoir as an infantryman is one of the most affecting accounts to come out of the First World War A classic in Italy but virtually unknown in the English speaking world it reveals in spare and detached prose the almost farcical side of the war as seen by a Sardinian officer fighting the Austrian army on the Asiago plateau in northeastern Italy the alpine front so poignantly evoked by Ernest Hemingway in A Farewell to Arms For Lussu June 1916 to July 1917 was a year of continuous assaults on impregnable trenches absurd missions concocted by commanders full of patriotic rhetoric and vanity but lacking in tactical skill and episodes often tragic and sometimes grotesque where the incompetence of his own side was as dangerous as the attacks waged by the enemy A rare firsthand account of the Italian front Lussu's memoir succeeds in staging a fierce indictment of the futility of war in a dry often ironic style that sets his tale wholly apart from the Western Front of Remarque and adds an astonishingly modern voice to the literature of the Great War

Over There! Jonathan Gawne, 2000 Describes the training uniforms equipment and role of American soldiers fighting in Europe during World War I

A Soldier in World War I Elmer W. Sherwood, Robert H. Ferrell, 2004 As a soldier with the 42nd Rainbow Division in France in World War I Elmer Sherwood was an observer with uncommonly good judgment If his descriptions lacked perfection they partook of an attractive innocence that brought out the truth of such battles as the horrendous Meuse Argonne offensive that took 26 000 lives

Indian Soldiers in the First World War Ashutosh Kumar, Claude Markovits, 2020-12-23 This book explores the lives and social histories of Indians soldiers who fought in the First World War It focuses on their motivations experiences and lives after returning from service in Europe Mesopotamia East Africa and Palestine to present a more complete picture of Indian participation in the war The book looks

at the Indian support to the war for political concessions from the British government and its repercussions through the perspective of the role played by more than one million Indian soldiers and labourers It examines the social and cultural aspects of the experience of fighting on foreign soil in a deadly battle and their contributions which remain largely unrecognised From micro histories of fighting soldiers aspects of recruitment and deployment to macro histories connecting different aspects of the War the volume explores a variety of themes including the material incentives coercion and training which converted peasants into combatants encounters of travelling Indian soldiers with other societies and the contributions of returned soldiers in Indian society The book will be useful to researchers and students of history post colonial studies sociology literature and cultural studies as well as for those interested in military history World War I and colonial history

West Point History of World War II, Vol. 1 The United States Military Academy,2015-11-03 An outstanding new military history of the first half of World War II featuring a rich array of images exclusive graphics superb new maps and expert analysis commissioned by the United States Military Academy to teach the art of war to West Point cadets Since 1836 United States Military Academy texts have been the gold standard for teaching military history and the operational art of war Now the USMA has developed a new military history series for the public featuring the story of World War II in two volumes of which this is the first The West Point History of World War II combines the expertise of preeminent historians with hundreds of maps and images many created for this volume or selected from Army collections The first volume offers a balanced narrative analyzing the rising tide of Axis conquest from 1939 to mid 1942 ranging from battlefield decisions to operational and strategic plans all set in their proper political context The closing chapter provides a thematic treatment of the mobilization of the warring nations economies and home fronts for the conduct of total war The West Point History of World War II has been tested checked and polished by West Point cadets faculty and graduates to make this the best military history of its kind *The Diary of a Young Soldier in World War I* Dennis Hamley,2001 *West Point History of World War II* United States Military Academy,2015-11-03 Reader s Digest Endowed Book Fund *Soldiers' Lives through History - The Ancient World* Richard A. Gabriel,2006-11-30 Once warfare became established in ancient civilizations it s hard to find any other social institution that developed as quickly In less than a thousand years humans brought forth the sword sling dagger mace bronze and copper weapons and fortified towns The next thousand years saw the emergence of iron weapons the chariot the standing professional army military academies general staffs military training permanent arms industries written texts on tactics military procurement logistics systems conscription and military pay By 2 000 B C E war was an important institution in almost all major cultures of the world This book shows readers how soldiers were recruited outfitted how they fought and how they were cared for when injured or when they died It covers soldiers in major civilizations from about 4000 B C E to about 450 C E Topics are discussed cross culturally drawing examples from several of the cultures armies and time periods within each chapter in order to provide the reader with as comprehensive an understanding as possible and to avoid

the usual Western centric perspective too common in analyses of ancient warfare Infantry ,2012 *Civil Affairs: Soldiers Become Governors* Harry Lewis Coles,Albert Katz Weinberg,1964 A documentary history with brief narrative introductions illustrating the evolution of civil affairs policy and practice in the Mediterranean and European theaters **The Buffalo Soldiers** Debra J. Sheffer Ph.D.,2015-03-24 This riveting narrative focuses on the Buffalo Soldiers tracing the legacy of black military service and its social economic and political impact from the colonial era through the end of the 19th century This fascinating saga follows the story of the Buffalo Soldiers as they participated in key events in America s history Author Debra J Sheffer discusses the impetus for the earliest black military service how that service led to the creation of the Buffalo Soldiers and how these men and one woman continued to serve in the face of epic obstacles The work celebrates their significant military contributions to the campaigns of the American frontier and other battles their fighting experiences and life on the plains Starting with the American Revolution the book traces the heroic journey of these legendary servicemen from the period when black Americans first sought full citizenship in exchange for military service to the integration of the military and the dissolution of all black regiments Several chapters highlight the special achievements of the 9th and 10th United States Cavalry and the 24th and 25th United States Infantry The book also features the accomplishments both of the unit and individuals of the Buffalo Soldiers in battle and beyond **Textbooks of Military Medicine, Pt. 1, Warfare, Weaponry, and the Casualty** Franklin D. Jones,2000-04 Textbook of Military Medicine Pt 1 Warfare Weaponry and the Casualty Specialty editors Franklin D Jones et al Addresses the multiple mental health service provided by the military during peacetime Over There Jonathan Gawne,1997-01 Each volume in this ongoing series combines detailed and informative captions with over 100 rare and unusual images These books are a must for anyone interested in American military uniforms Soldiers ,1991 **Black Soldier, White Army** William T. Bowers,William M. Hammond,George L. MacGarrigle,1997-05 The history of the 24th Infantry regiment in Korea is a difficult one both for the veterans of the unit for the Army This book tells both what happened to the 24th Infantry why it happened The Army must be aware of the corrosive effects of segregation the racial prejudices that accompanied it The consequences of the system crippled the trust mutual confidence so necessary among the soldiers leaders of combat units weakened the bonds that held the 24th together producing profound effects on the battlefield Tables maps illustrations **Serving the Nation as a Buffalo Soldier** Allison Lassieur,2024 As a Buffalo Soldier in the all Black regiment of the United States Army you confront various threats including warfare bandits wildlife and racism facing pivotal decisions in your commitment to safeguard America during a tumultuous era **Solo Soldier's Stories** Kathy Warnes,2018-03-16 Stories of individual soldiers throughout history
