A Soldier Must Hang

By John Deane Potter

Soldier Must Hang

Leonid Andreyev

Soldier Must Hang:

A Soldier Must Hang John Deane Potter,1963 Den japanske m ske st rste h rf rer under 2 verdenskrig der som chef for 25 arme i lyntempo gennemf rte det malaysiske felttog 1941 og som ved processen p Manilla 7 dec p 4 rs dagen for Pearl Harbor blev d mt til d den ved h ngning A Soldier Must Hang John Deane Potter,1963 **Atrocity and American Military**

Justice in Southeast Asia Louise Barnett,2010-01-21 Using individual judicial proceedings held within war time Southeast Asia this book analyses how the American military legal system handled crimes against civilians and determines what these cases reveal about the way that war produces atrocity against civilians **The Seven Who Were Hanged and Other**

Stories Leonid Andreiev,2024-05-20 Leonid Andreiev is widely regarded as one of the most talented writers in Russian literature In his prose he reflected the influence of A Chekhov s realism the fascination with F Dostoevsky s psychological paradoxes and a constant obsession with the insignificance of life and the inevitability of death in the manner of L Tolstoy Written in 1909 and dedicated precisely to Tolstoy The Seven Who Were Hanged is considered by many to be Andreiev s best novel The work masterfully and simply delves into each of the tragedies of seven condemned to death leading the reader unrelentingly to a revelation a state of illumination that only the best works of art offer *The Seven Who Were Hanged; A*

story Leonid Andreyev,2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Soldier's Companion; Or, Martial Recorder, Consisting of Biography,**

Anecdotes, Poetry, and Miscellaneous Information Peculiarly Interesting to Those Connected with the Military Profession, Etc ,1824 **The Seven Who Were Hanged Leonid Nikolayevich Andreyev,2020-09-28 **Military****

Equitation: Or, a Method of Breaking Horses, and Teaching Soldiers to Ride. Designed for the Use of the Army. By Henry Earl of Pembroke .. The Fourth Edition, with Plates Henry Herbert (10th Earl of Pembroke.),1793

Britain's Greatest Defeat Alan Warren,2006-01-01 New in paperback The pre eminent history of a military disaster A masterful analysis of events *The Knutsford Lads Who Never Came Home* Tony Davies,2014-03-15 This is the story of over 260 young lads from the Knutsford Cheshire area who never returned from the Great War The story of each man has been researched including the use of regimental war diaries telling the story of how they met their end The Soldier Colonists

William Howard Warman,Collin Brooks,1918 **1942** Bob Wurth,2008-11-01 1942 was the year of Australia s greatest peril as Darwin was destroyed by bombing Australian ships were torpedoed within sight of our coast midget Japanese submarines attacked shipping in Sydney Harbour and the Japanese army invaded New Guinea on its inexorable march south This is the real story of the genuine and imminent threat to Australia in that fateful year On the beautiful Inland Sea of Japan the heartland of the Imperial Japanese Navy and in frenetic wartime Tokyo zealous staff officers and their illogical admirals debated the invasion of an almost defenceless nation The Imperial Japanese Army meanwhile opposed the attack foreseeing a

looming military quagmire In Australia Allied defence chiefs all but dismissed the chances of holding Darwin For months Australia's fate hung in the balance 1942 is a story of desperate bravery and criminal stupidity Most of all it is the story of Australians left high and dry under the looming shadow of a terrible invasion and the steps that an inexperienced leader John Curtin took to save his country in its darkest days

Yamashita's Ghost Allan A. Ryan, 2014-10-17 I don't blame my executioners I will pray God bless them So said General Tomoyuki Yamashita Japan's most accomplished military commander as he stood on the scaffold in Manila in 1946 His stoic dignity typified the man his U S Army defense lawyers had come to deeply respect in the first war crimes trial of World War II Moments later he was dead But had justice been served Allan A Ryan reopens the case against Yamashita to illuminate crucial questions and controversies that have surrounded his trial and conviction but also to deepen our understanding of broader contemporary issues especially the limits of command accountability The atrocities of 1944 and 1945 in the Philippines rape murder torture beheadings and starvation the victims often women and children were horrific They were committed by Japanese troops as General Douglas MacArthur's army tried to recapture the islands Yamashita commanded Japan's dispersed and besieged Philippine forces in that final year of the war But the prosecution conceded that he had neither ordered nor committed these crimes MacArthur charged him instead with the crime if it was one of having failed to control his troops and convened a military commission of five American generals none of them trained in the law It was the first prosecution in history of a military commander on such a charge In a turbulent and disturbing trial marked by disregard of the Army's own rules the generals delivered the verdict they knew MacArthur wanted Yamashita's lawyers appealed to the U S Supreme Court whose controversial decision upheld the conviction over the passionate dissents of two justices who invoked for the first time in U S legal history the concept of international human rights Drawing from the tribunal's transcripts Ryan vividly chronicles this tragic tale and its personalities His trenchant analysis of the case's lingering question should a commander be held accountable for the crimes of his troops even if he has no knowledge of them has profound implications for all military commanders

The Man Who Took the Rap Peter John Dye, 2018-10-15 This is the first biography of Sir Robert Brooke Popham a key figure in the early development of airpower whose significant and varied achievements have been overlooked because of his subsequent involvement in the fall of Singapore It highlights Brooke Popham's role in developing the first modern military logistic system the creation of the Royal Air Force Staff College and the organizational arrangements that underpinned Fighter Command's success in the Battle of Britain Peter Dye challenges longstanding views about performance as Commander in Chief Far East and based on new evidence offers a more nuanced narrative that sheds light on British and Allied preparations for the Pacific War inter service relations and the reasons for the disastrous loss of air and naval superiority that followed the Japanese attack The Man Who Took the Rap highlights the misguided attempts at deterrence in the absence of a coordinated information campaign and the unprecedented security lapse that betrayed the parlous state of the Allied defenses

The

Second World War: Asia and the Pacific ,2014-03-28 OVER 210 000 WEST POINT MILITARY HISTORY SERIES SETS IN PRINT Beginning with a look at the readiness of the Imperial Japanese Army and Navy and the United States armed forces this book gives a detailed account of the Allies brutal five year struggle with Japan It examines the interrelationship of land sea and air forces as they battled over the vast reaches of the Pacific Theater of War The Japanese On Trial Philip R. Piccigallo,2013-08-26 This comprehensive treatment of post World War II Allied war crimes trials in the Far East is a significant contribution to a neglected subject While the Nuremberg and to a lesser degree Tokyo tribunals have received considerable attention this is the first full length assessment of the entire Far East operation which involved some 5 700 accused and 2 200 trials After discussing the Tokyo trial Piccigallo systematically examines the operations of each Allied nation documenting procedure and machinery as well as the details of actual trials including hitherto unpublished photographs and ending with a statistical summary of cases This study allows a completely new assessment of the Far East proceedings with a few exceptions the trials were carefully and fairly conducted the efforts of defense counsel and the elaborate review procedures being especially noteworthy Piccigallo s approach to this emotion filled subject is straightforward and evenhanded throughout He concludes with a discussion of the broader implications of such war crimes trials a matter of interest to the general reader as well as to specialists in history law and international affairs

Reassessing the Japanese Prisoner of War Experience R P W Havers,R. P. W. Havers,2003-03-27 This book explores the history of the Changi Prisoner of War camp at Singapore between the surrender in 1942 and the eventual liberation by British forces in September 1945 It discusses the forms of POW resistance to the Japanese **The War Against Japan, 1941-1945** John J. Sbrega,2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA s fight against Japan in the Second World War Including books articles and de classified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories hisotoriographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military apsects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru Creative Thinking in Warfare Brigadier J Nazareth, In his book Brig Nazareth sets out to dispel the notion that war is too serious an affair to be left to military men He traces the history of war from more than 3000 years ago to the present day and explores the minds of military leaders through their contribution to the success or failure of a war In the game of war he says there is no second prize and crucial decisions have to be taken sometimes instantaneously in chaotic even deceptive circumstances The author attributes a vital role to the military commander who in addition to being technically proficient must also be sensitive to the needs of his men He makes a study of

creativity and interprets it for us in military terms The book is profusely illustrated with photographs of well known military leaders figures which explain the process of creative thinking and maps and sketches of combat areas

Historical Dictionary of World War II Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan s seizure of Manchuria from China in 1931 and covers Japan s ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan s cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas Historical Dictionary of World War II The War Against Japan Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II
