## **Soldiers And God:**

While God is Marching On Steven E. Woodworth, 2001-10-02 They read the same Bible and prayed to the same God but they faced each other in battle with rage in their hearts The Civil War not only pitted brother against brother but also Christian against Christian with soldiers from North and South alike devoutly believing that God was on their side Steven Woodworth one of our most prominent and provocative Civil War historians presents the first detailed study of soldiers religious beliefs and how they influenced the course of that tragic conflict He shows how Christian teaching and practice shaped the worldview of soldiers on both sides how it motivated them for the struggle how it influenced the way they fought and how it shaped national life after the war ended Through the diaries letters and reminiscences of common soldiers Woodworth illuminates religious belief from the home front to the battlefield where thoughts of death and the afterlife were always close at hand Woodworth reveals what these men thought about God and what they believed God thought about the war Wrote one Unionist I believe our cause to be the cause of liberty and light the cause of God and holy and justifiable in His sight and for this reason I fear not to die in it if need be With a familiar echo his Confederate counterpart declared that our Cause is Just and God is Just and we shall finally be successful whether I live to see the time or not Woodworth focuses on mainstream Protestant beliefs and practices shared by the majority of combatants in order to help us better understand soldiers motivations and to realize what a strong role religion played in American life throughout the conflict In addition he provides sharp insights into the relationship between Christianity and both the abolition movement in the North and the institution of slavery in the South Ultimately Woodworth shows us how opposing armies could put their trust in the same God while engaging in four years of organized slaughter and destruction His compelling work provides a rich new perspective on religion in American life and will forever change the way we look at the Civil War Soldiers of God Matthew

Dobson, 2015-03-07 Spiritual battles begin in the mind It s a person s spirit and mind that are closely related and work in tandem with each other Our best defense in spiritual battles is the assurance of salvation in Jesus Christ When a person has a confident belief they re a member of God s army and because they trust Him no other spiritual force can take that away This book has been written for the Christian who s serious about taking control of their life and gaining an advantage over everything evil The first part of the book defines what Spiritual Warfare is why it exists and how long we can expect to do battle The second half of the book explains the seven Rules of Spiritual Warfare and how it can enable a person to recognize and formulate a viable strategy against evil My reason for writing this book is to help guide you through the Spiritual Warfare that you ve been born into **God Is a Grunt** Logan M Isaac, 2022-04-19 This eye opening book invites readers of all political and denominational stripes into a more meaningful conversation and community with soldiers and veterans If Jesus is God then God is a grunt the humble hardy folk placed at the bottom of the social hierarchy who are relied on to accomplish the dirtiest most difficult and most thankless work This is good news for millions of Christian soldiers and

veterans in the U S because they have had to make an impossible choice with no perceivable middle ground between patriot and pacifist In his new book *God Is a Grunt* Logan Isaac offers an opportunity for GI veterans and those close to them to read Christian traditions as a soldier would by and through the lived experiences of military service This well researched meditative guide for Christians who have served their country delves deep into the Bible while Isaac shares his own beliefs and thoughts on the life altering experiences of battle He attempts to fill the void most Christians in the military feel by providing theological resources to discern a better way of discipleship for GIs affirming the nuance and complexity of armed service and the gifts GIs extend to Christians around the world *Stand Therefore* Adam Armstrong, 2013-08

**STAND THEREFORE** is a field Guide for Christian soldiers of all ages regardless of military service or length of time as a Christian Scott A Harrison Author uses his time deployed to Operation Desert Storm as a springboard into how to be an effective soldier for Christ During his time in Operation Desert Storm Scott began to see a relationship between that of a soldier in the US Army and a soldier in the Lord s Army 10 years or so passed and one day while sitting in his office he came across the Soldiers Manual of Common Tasks SMCT which was issued during his time in Basic Training Thumbing through the SMCT he began to write about the relationship between an Army soldier and that of a Christian 3 years later *Stand Therefore* was completed We are at war This war began in the Garden of Eden and will end on a bloody battlefield in a place called Armageddon The entire Bible is about this war Satan is the enemy and Christ has already won the victory This book is not about Satan s attack on the world in general but rather about his attack on each of us as individual Christians in our role as individual soldiers in God s army The time has come for all Christians to stand and fight not a carnal war with rifles bayonets and hand grenades but a spiritual war In my lifetime I have seen the rapid decline of our great nation War has reached our borders As the United States of America the last great hope for accomplishing Christ s Great Commission Matthew 28 19 20 to evangelize the world falls to the wiles of the devil most Christians stand on the sidelines despairing that anything can be done We are to don the spiritual armor God has given us and fight that souls might be saved Our Great Commander the Lord Jesus Christ died and rose again that we might have life and live a more abundant life The Lord Jesus Christ paid the price for our sin before we realized we needed such a payment and by doing so secured our salvation Christ left with us the Holy Spirit by which we have the strength to stand Having done all to stand stand therefore Ephesians 6 13 14 **The Victorious Christian Soldier in Christ's Army** Urian Oakes, C. Matthew McMahon, 2020-08-28 What does it mean to be a conqueror in Christ s army In fact the question really is what does it mean to be not only a conqueror but more than a conqueror and good soldier in Christ s ranks Oakes in this wonderful work on answering that question dives deep into Paul s statement in Romans 8 37 Nay in all these things we are more than conquerors through him that loved us The truth proclaimed by Oakes is that there is a more than ordinary triumph over all those enemies that oppose themselves against the progress and advancement of a Christian in his way to the fruition of the sweet fruits of the everlasting love of God in Jesus

Christ That all true believers have a transcendent and incomparably glorious conquest and victory in all their severe engagements with the enemies of their peace and happiness through the love of God in Christ Jesus Every true believer is a soldier and engaged in a warfare Every true believer has a constant fighting work before God and there is no end of his war in this world not any time in which he can stop fighting Yet a true believer is never totally and absolutely conquered in any engagement with the enemies that war against him Every true believer manages a successful war and is sure of a conquest A believer s victory and conquest are incomparably glorious Every believer obtains this glorious victory and conquest through the Lord Jesus Christ The love of God in Christ is the absolute first cause of those victorious proceedings and this infallible conquest of believers These believers are the greatest soldiers who have ever lived and are comforted in their fight by the blessings of Almighty God through Christ All believers must know and consider that they are soldiers in Christ s army and have a fighting work a warfare before them until they reach heaven They must as faithful soldiers improve their skill in fighting and harness the spiritual power of the everlasting Gospel of Jesus for their victory We wait and pray and look and long for that glorious day when our warfare shall be ended and we shall go out of the field victorious and triumphant as absolute conquerors This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions **Man Up with God** Brian E.

basics of Christianity and what it means to be a disciple of Christ Why discipleship is not just following orders from headquarters It is developing a deep relationship with Jesus Christ How establishing a firm foundation of prayer Bible reading and service in the local church will help ensure that God's soldiers are armed and ready for combat duty and prepared for a lifetime of service in God's army And much more [The Army of God](#) Donald Bell, 2018-08-15 This message is intended for those Christians who possess a warrior spirit deep inside and are searching for their individual position within the Army of God Men and women who really want to stand strong for our Lord in the face of a world that is becoming increasingly darker year after year *A Soldier's Journey with The Presence of God* Arthur David, 2021-10-20 Take a roller coaster ride of emotions through the life of a young soldier as he struggles to find purpose in his life Journey with him as he comes face to face with death and disease searching to understand why God had a special purpose in store for him Discover how life took him to the very brink of complete hopelessness and how he came to find his purpose lying flat on his back in the middle of a major highway Share in his incredible true stories of being rescued by God from being buried alive facing wave after wave of enemy attacks contracting a rare skin disease and returning home from Vietnam only to battle a mysterious illness while struggling daily with PTSD Read about his painful journey to recovery and how he navigated through depression discouragement disappointments and resentment to finally arrive in a place of peace purpose and meaning a place where God wants for us all Hopefully after reading about his amazing life in search for an understanding of purpose with the presence of God you may realize that God loves you above all things and he is with you in every aspect of your life Trust in him for his faithfulness his infinite wisdom and his unfailing love He will fulfill your purpose if you don't put any obstacles in his way For that reason he is donating all of his profits from the book to the Wounded Warrior Project and to the veteran's PTSD program You will seek and find me when you seek me with all your heart Jeremiah 29:13 Rick David cowriter of *A Soldier's Journey with the Presence of God* **Faith in the Fight** Jonathan H. Ebel, 2014-02-24 Faith in the Fight tells a story of religion soldiering suffering and death in the Great War Recovering the thoughts and experiences of American troops nurses and aid workers through their letters diaries and memoirs Jonathan Ebel describes how religion primarily Christianity encouraged these young men and women to fight and die sustained them through war's chaos and shaped their responses to the war's aftermath The book reveals the surprising frequency with which Americans who fought viewed the war as a religious challenge that could lead to individual and national redemption Believing in a Christianity of the sword these Americans responded to the war by reasserting their religious faith and proclaiming America God-chosen and righteous in its mission And while the war sometimes challenged these beliefs it did not fundamentally alter them Revising the conventional view that the war was universally disillusioning Faith in the Fight argues that the war in fact strengthened the religious beliefs of the Americans who fought and that it helped spark a religiously charged revival of many prewar orthodoxies during a postwar period marked by race riots labor wars communist witch hunts and gender struggles For many Americans Ebel

argues the postwar period was actually one of disillusionment Demonstrating the deep connections between Christianity and Americans experience of the First World War Faith in the Fight encourages us to examine the religious dimensions of America s wars past and present and to work toward a deeper understanding of religion and violence in American history

**PREPARING THE ARMY OF GOD - A Basic Training Manual For Spiritual Warfare** Patrick J. Hession,2016-04-14

You are involved in a war not of your own choosing but one that is having a profound and personal effect on you What you do about it will determine where and how you will spend eternity You must choose sides but you cannot avoid the war On the basis of your choice you will become a winner or a loser This book is designed to prepare and equip you for that war

Prayers and Other Devotions for the Use of the Soldiers of the Army of the Confederate States Female Bible Prayer-Book Tract Society,2018-04-14 The bedrock of the Southern American culture was that the Bible was indeed the infallible word of the God who created the heavens the earth and all that is therein and that Jesus Christ is the only means of redemption Therefore it should not be surprising to anyone that at the beginning of the War of Northern Aggression many of the political military officers and soldiers were Christians As a result they knew the great need for those going into battle to possess the Bible New Testaments tracts and hymn books especially for those who were unsaved It was simply amazing how politicians army commanders preachers churches chaplains and the people of the Confederacy immediately set into motion whatever was necessary to supply the troops with God s word This small prayer book was originally published in Charleston SC early in the War to be distributed to Confederate soldiers marching off to war or already in the field Hopefully this book played a part in bringing comfort to the men in the field as they faced the horrors of war **Bible Basic Training** Jeff Jay,James
