Soldiers In Zibbabwe's Liberation War:

Society in Zimbabwe's Liberation War Ngwabi Bhebe, T. O. Ranger, 1996 This work examines people's beliefs, ideas and experiences both during Zimbabwe's liberation war and afterwards. The contributors look at African religion and Christianity and explore the efforts to educate people for a new society. They also look at the ideas used by whites to justify brutality and at the civilian experiences at the hands of the guerillas and the Fifth Brigade. Finally, they ask whether the new ideas were carried on after the war had ended. Zimbabwe University of Zimbabwe Publications. *Soldiers in Zimbabwe's Liberation War* Ngwabi Bhebe, T. O. Ranger, 1995 This book looks at the realities of Zimbabwe's liberation war and its aftermath. **Soldiers in Zimbabwe's Liberation War** Ngwabi Bhebe, T. O. Ranger, 1995 Guns and Guerilla Girls Tanya Lyons, 2004 The history of women guerilla fighters in the Zimbabwean National Liberation war 1965-80. This book provides an examination of the many different groups of women who joined the armed struggle and contributes to a feminist understanding of Zimbabwe and African history and politics. Most previously published accounts of this event in history have tended to focus on the feminine or natural role women played in it, ignoring the experiences of female guerilla fighters. This book redresses the balance, giving voice to a previously unsung group of women. **Soldiers in Zimbabwe's Liberation War: pt. 3. Legacies of the war. Healing the war scars in the Evangelical Lutheran Church in Zimbabwe** Ngwabi Bhebe, T. O. Ranger, 1995 **The Zimbabwe African People's Union, 1961-87** Eliakim M. Sibanda, 2005 This book is an exploration of the political history of insurgency in Southern Rhodesia. During the early years of its struggle, ZAPU employed non-violent means to try and achieve its goal for majority rule and a non-racial society. Because of the belligerency of the White settler regime, ZAPU added the armed resistance to its strategy and went on to build a formidable army. Problems escalated and alliances were built and dissolved until, tired of being hunted down and butchered, the ZAPU leadership decided to merge its party with the ruling party in December 1987. **African Police and Soldiers in Colonial Zimbabwe, 1923-80** Timothy Joseph Stapleton, 2011 Recruiting and motivations for enlistment. Zimbabwe's Migrants and South Africa's Border Farms Maxim Bolt, 2015-09-25 During the Zimbabwean crisis, millions crossed through the apartheid era border fence searching for ways to make ends meet. Maxim Bolt explores the lives of Zimbabwean migrant labourers, of settled black farm workers and their dependants, and of white farmers and managers as they intersect on the border between Zimbabwe and South Africa. Focusing on one farm, this book investigates the role of a hub of wage labour in a place of crisis. A close ethnographic study, it addresses the complex shifting labour and life conditions in northern South Africa's agricultural borderlands. Underlying these challenges are the Zimbabwean political and economic crisis of the 2000s and the intensified pressures on commercial agriculture in South Africa following market liberalization and post-apartheid land reform. But amidst uncertainty, farmers and farm workers strive

for stability The farms on South Africa's margins are centers of gravity islands of residential labour in a sea of informal arrangements *Disarmament, Demobilization and Reintegration in Southern Africa* Gwinyayi Albert Dzinesa, 2017-08-24 This book is a critical comparative reflection of the post colonial conflict Disarmament Demobilization and Reintegration DDR of ex combatants in Zimbabwe Namibia and South Africa It offers an up to date comparative analysis of how specific analytical elements that transcend state boundaries shaped DDR in the three southern African countries The author explores structural and organizational frameworks target groups state leadership in DDR linkages between DDR and SSR in nation and state building and types of post conflict violence The volume draws on fieldwork including interviews with policy makers and government officials as well as ex combatants and experts to provide valuable insights into how post colonial conflict DDR can provide knowledge crucial to understanding and addressing the problems of post conflict peace building in Africa The book is aimed at academics researchers and students working on Southern Africa African and Western policymakers concerned with problematic post conflict situations on the continent where improvising DDR processes will be vital to success as well as the general reader interested in political security and other developments in the region It will be of use in postgraduate courses in the inter related fields of international relations comparative government conflict resolution and peacebuilding *Black Soldiers in the Rhodesian Army* M. socially integrated region This book reframes debates around nationalism and belonging in southern Africa as it uses the idea of a borderscape to argue that nations are made at the border and in the contestations that take place in the borderlands Understanding borders and bordering in the SADC region is crucial to understanding how policies made in oft distant national capitals have played out among borderlands residents over time The contributors present why national citizens in SADC so often end up in countries distant from where they were born and reside and why leaders need to be cognizant of this Exploring gender history policy and the ways that people have moved across borders despite a myriad of restrictions stretching from the early twentieth century to the present this collection centers the voices and experiences of the most marginal to make the plea for a more humane border regime in Southern Africa and globally **Mugabe** Stephen Chan, 2019-04-18 On 21st November 2017 Robert Mugabe resigned as President of Zimbabwe after 37 years in power A week earlier the military had seized control of the country and forced him to step down as leader of the ruling Zanu PF party In this revised and updated edition of his classic biography Stephen Chan seeks to explain and interpret Mugabe in his role as a key player in the politics of Southern Africa In this masterly portrait of one of Africa s longest serving leaders Mugabe s character unfolds with the ebb and flow of triumph and crisis Mugabe s story is Zimbabwe s from the post independence hopes of idealism and reconciliation to electoral victory the successful intervention in the international politics of Southern Africa and the resistance to South Africa s policy of apartheid But a darker picture emerged early with the savage crushing of the Matabeleland rising the elimination of political opponents growing corruption and disastrous intervention in the Congo war all worsened by drought and the HIV AIDS crisis Stephen Chan s highly revealing biography based on close personal knowledge of Zimbabwe depicts the emergence and eventual downfall of a ruthless and single minded despot amassing and tightly clinging to political power We follow the triumphant nationalist leader who reconciled all in the new multiracial Zimbabwe degenerate into a petty tyrant consumed by hubris and self righteousness and ultimately face an ignominious endgame at the hands of his own army **Guerrilla Radios in Southern Africa** Sekibakiba Peter Lekgoathi, Tshepo Molo, Alda Romão Saúte Saíde, 2020-11-03 Guerrilla Radios in Southern Africa is a collection of essays on the histories of the different radios of the liberation movements in the region during the era of the armed struggle From Angola and Mozambique to Namibia Zimbabwe and South Africa the new technology of radio provided the liberation movements in exile with a platform to address their followers at home to propagate their ideologies and to counter the propaganda of the oppressive white minority regimes As the cheapest and most direct medium guerrilla radios transcended the boundaries imposed by the settler regimes and were widely listened to albeit within the realm of illegality Transnational in its approach the book explores the workings of these radios from their areas of broadcast in exile international solidarity to reception at home where listeners often huddled around their receivers to listen to the messages from the liberation movements often beyond the gaze of the state These radios shaped the nature of resistance campaigns that the liberation movements

embarked upon in the various countries in the region *The Struggle over State Power in Zimbabwe* George Hamandishe Karekwaivanane,2017-11-09 The establishment of legal institutions was a key part of the process of state construction in Africa and these institutions have played a crucial role in the projection of state authority across space This is especially the case in colonial and postcolonial Zimbabwe George Karekwaivanane offers a unique long term study of law and politics in Zimbabwe which examines how the law was used in the constitution and contestation of state power across the late colonial and postcolonial periods Through this he offers insight on recent debates about judicial independence adherence to human rights and the observation of the rule of law in contemporary Zimbabwean politics The book sheds light on the prominent place that law has assumed in Zimbabwe s recent political struggles for those researching the history of the state and power in Southern Africa It also carries forward important debates on the role of law in state making and will also appeal to those interested in African legal history *Zimbabwes Lost Decade* Lloyd Sachikonye,2012-04-24 Zimbabwe occupies a special place in African politics and international relations and has been the subject of intense debates over the years At independence in 1980 the country was better endowed than most in Africa and seemed poised for economic development and political pluralism The population was relatively well educated the industrial and agricultural bases were strong and levels of infrastructure were impressive However in less than two decades Zimbabwe was mired in a deep political and economic crisis Towards the end of its third decade of independence the economy had collapsed and the country had been transformed into a repressive state How can we make sense of this decline How can we explain the lost decade that followed Can the explanation be reduced to the authoritarian leadership of Robert Mugabe and role of ZANU PF Or was something defective about in the institutions through which the state has exercised its authority Or was it the result of imperialism the West and sanctions Zimbabwes Lost Decade draws on Lloyd Sachikonyses analyses of political developments over the past 25 years It offers a critique of leadership systems of governance and economic strategies and argues for democratic values and practices and more broad based participation in the development process **War Veterans and the World after 1945** Ángel Alcalde,Xosé M. Núñez Seixas,2018-03-29 This book examines war veterans history after 1945 from a global perspective In the Cold War era in most countries of the world there was a sizeable portion of population with direct war experience This edited volume gathers contributions which show the veterans involvement in all the major historical processes shaping the world after World War II Cold War politics racial conflict decolonization state building and the reshaping of war memory were phenomena in which former soldiers and ex combatants were directly involved By examining how different veterans groups movements and organizations challenged or sustained the Cold War strived to prevent or to foster decolonization and transcended or supported official memories of war the volume characterizes veterans as largely independent and autonomous actors which interacted with societies and states in the making of our times Spanning historical cases from the United States to Hong Kong from Europe to Southern Africa from Algeria to Iran the volume situates veterans within the

turbulent international context since World War II **Colonial Heritage, Memory and Sustainability in Africa** Mawere, Munyaradzi, Mubaya, Tapuwa R., 2015-12-12 This book serves as a drive and medium for constructive analysis critical thinking and informed change in the broad area of cultural heritage studies In Africa how to overturn the gory effects and reverse the wholesale obnoxious and unpardonable losses suffered from the excruciating experience of colonialism in a manner that empowers the present and future generations remains a burning question Colonial and liberation war heritage have received insignificant attention The relevance nature and politics at play when it comes to the role of memory and colonial heritage in view of nation building and sustainability on the continent is yet to receive careful practical and theoretical attention and scrutiny from both heritage scholars and governments Yet colonial heritage has vast potentials that if harnessed could reverse the gargantuan losses of colonialism and promote sustainable development in Africa The book critically reflects on the opportunities constraints and challenges of colonial heritage across Africa It draws empirical evidence from its focus on Zimbabwe South Africa Nigeria Ghana Zambia and Mozambique to advance the thesis that cultural heritage in Africa and in particular colonial heritage faces challenges of epic proportions that require urgent attention **Once Upon a Time in Zimbabwe** Alan Webb, 2023-11-09 Joseph Daniels narrates his family's origins beginning with their arrival from England among the 1820 Settlers that landed in Cape Town South Africa Starting with nothing except a plot of land and the promise of prosperity in the Dark Continent his ancestors John Henry and Kathleen Daniels build a legacy that will intertwine their European heritage and that of the Black indigenous people of Africa Generations later their mixed race descendant Joseph Daniels born in the turbulent years leading up to Zimbabwe's independence in 1980 strives to adapt to an environment rife with racial contradictions political tension and violence Joseph shares the tender harrowing and humorous moments of his family's lives set against a backdrop of Zimbabwe and South Africa's rich culture and history Starting with the clash of African kings in Southern Africa Joseph's multigenerational tale moves through European colonization the Rhodesian Civil War Zimbabwe's independence and Robert Mugabe's long presidency By the time Joseph comes of age in the 1990s he must navigate the complexity of his mixed race Coloured identity while seeking to establish his generational inheritance and legacy An episodic novel that sweeps across the centuries Once Upon a Time in Zimbabwe is replete with historical detail and unforgettable characters At turns adventurous romantic thrilling and heartbreaking the story of Joseph Daniels and his family is a testament to the resilience of the human spirit

Trauma Selma Leydesdorff, 2017-09-29 Traumatic experiences and their consequences are often the core of life stories told by survivors of violence In Trauma Life Stories of Survivors leading academics explore the relationship between the experiences of terror and helplessness that have caused trauma the ways in which survivors remember and the representation of these memories in the language and form of their life stories International case studies include the migration of Ethiopian Jews to Israel the life stories of Guatemalan war widows violence in South Africa persecution of

political prisoners in South Africa and the former Czechoslovakia lynching in the Mississippi Delta resistance in Zimbabwe's liberation war sexual abuse and the ongoing Irish troubles The volume reveals the complexity of remembering and forgetting traumatic experiences and shows that survivors are likely to express themselves in stories containing elements that are imaginary fragmented and loaded with symbolism Trauma Life Stories of Survivors is a groundbreaking work of relevance across the social sciences This new perspective on trauma will be of particular importance to researchers in psychology history women's studies anthropology sociology and cultural studies
