Sole Survivor An Examination Of The Frank Finkel Narrative:

Sole Survivor Douglas W. Ellison, 1983 **Custer, the Seventh Cavalry, and the Little Big Horn** Mike

O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn, fascination with the battle and with Lieutenant George Armstrong Custer has never ceased. Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time. This two-volume bibliography of Custer literature is the first to be published in some twenty-five years and the most complete ever assembled. Drawing on years of research, Michael O'Keefe has compiled entries for roughly 3,000 books and 7,000 articles and pamphlets. Covering both nonfiction and fiction but not juvenile literature, the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890. Included within this span are Custer's experiences in the Civil War and in Texas; the 1873 Yellowstone and 1874 Black Hills expeditions; the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Percés in 1877. The literature on Custer, the Battle of the Little Big Horn, and the Seventh Cavalry touches the entire American saga of exploration, conflict, and settlement in the West, including virtually all Plains Indian tribes, the frontier army, railroading, mining, and trading. Hence, this bibliography will be a valuable resource for a broad audience of historians, librarians, collectors, and Custer enthusiasts.

What They Didn't Teach You in American History Class Mike Henry, 2016-06-07 For the average person, most of the American history that he or she knows comes from facts taught to them in school to prepare them for their state-mandated tests. That's not the fault of their teachers who were just carrying out the directives of their employers. But it is also a fact that a great deal of that content that they were teaching is dry and boring. However, as in every aspect of life, there is always another story behind each major event. The story of America is interesting and exciting, but it's those lesser-known parts of our history that make it special. Even though in most cases the names and events in the book will be recognizable, most of the stories about them will be new to the reader. If you're a young teacher, perhaps you'll find some material to help you get through those less-than-exciting areas of your textbook. If you hated history as a student, maybe you'll find some of these tales entertaining. For those of you who are history buffs, hopefully you'll come across a few things that are new to you.

His Very Silence Speaks Elizabeth Atwood Lawrence, 1989 The mount of Captain Miles W. Keogh, Comanche, was the legendary sole survivor of Custer's Last Stand. As such, the horse makes an electric connection between history and memory. In exploring the deeper meaning of the Comanche saga, *His Very Silence Speaks* addresses larger issues such as the human relationship to animals and nature, cross-cultural differences in the ways animals are perceived, and the symbolic use of living and legendary animals in human cognition and communication. More than an account of the celebrated horse's life and legend, this penetrating volume provides insights into the life of the cavalry horse and explores the relationship between cavalrymen and their mounts. Lawrence illuminates Comanche's significance through the many symbolic roles he has assumed at different times.

and for various groups of people and reveals much about the ways in which symbols operate in human thought and the manner in which legends develop

To Tame a Savage Georgina Gentry, 2002 Knowing that Cavalry Captain Austin Shaw's proper Boston family will never accept her or their unborn child Sioux beauty Wilwila flees Years later at Little Big Horn an injured brave named Colt wearing a Shaw family ring is captured Shipped to Boston Colt comes under the tutelage of Samantha MacGregor Convinced her prim exterior hides a passionate heart Colt vows to reward her efforts with lessons of his own August

Fort Meade and the Black Hills Robert Lee, 1991-05-01 Fort Meade was the home of the famous Seventh Cavalry after its ignominious defeat in the Battle of the Little Bighorn Troops from Fort Meade played a pivotal role in the events that led to the tragedy at Wounded Knee in 1890 It was the scene of imprisonment of Ute Indians who made the mistake of interpreting their new citizenship status as freedom from government control The fort survived the mechanization of the horse cavalry aided the record breaking Stratosphere Balloon flight of 1935 and became a training site for the nation's first airborne troops Fort Meade existed for sixty six years from 1878 to 1944 Robert Lee examines the strategic importance of its location on the northern edge of the Black Hills and the role it played in the settlement of the region as well as the role played by the citizens of Sturgis in keeping it alive One of the chief delights of Fort Meade and the Black Hills is a gallery of characters including the unfortunate Major Marcus Reno the beautiful and fatal Ella Sturgis and the cigar smoking Poker Alice Tubbs They and events scaled to their larger than life size are part of this long overdue story of Fort Meade

West Coast Review of Books, 1986 *Research Review*, 1982
