

SOLIDARITY FOREVER

When the Union's inspiration through the workers' blood shall run,
There shall be no power greater anywhere beneath the sun;
Yet what on earth is weaker than the feeble strength of one,
But the Union makes us strong!

CHORUS: Solidarity Forever,
Solidarity Forever,
Solidarity Forever,
For the Union makes us strong!

It is we who plowed the prairies, built the cities where they trade,
Dug the mines and built the workshops, endless miles of railroad laid,
Now we stand outcast and starving 'mid the wonders we have made,
But the Union makes us strong!

CHORUS

They have taken untold millions that they never toiled to earn,
But without our brain and muscle not a single wheel can turn;
We can break their haughty power, gain our freedom when we learn
That the Union makes us strong.

In our hands is placed a power greater than their hoarded gold,
Greater than the might of atoms magnified a thousandfold;
We can bring to birth a new world from the ashes of the old,
For the Union makes us strong.

CHORUS

Solidarity Forever:

Macho! Victor Villasenor, 2012-10-02 From a pioneer of modern U S Hispanic literature and the New York Times bestselling author of *Crazy Loco Love* and *Rain of Gold* comes a gripping coming of age tale that exposes the intensity and sheer will of one brave young immigrant who crosses the Mexican border Roberto Garcia is only seventeen but he already has big dreams of making his fortune building a family and gaining the respect of his community With ambition to burn and a passion to prove his manhood Roberto takes the dangerous journey north crossing the Mexican border to pick fruit in the golden fields of California It is said that a good man can make more money there in a week than in an entire year in the mountains of Michoac n his home With dreams that overshadow harsh realities Roberto is unprepared for the jammed boxcars and bolted trucks that carry undervalued migrant workers through the searing desert to long days of harsh labor Raw powerful poetic and heartbreaking *Macho* brings to life the brutality of migrant labor Cesar Chavez s efforts to unionize workers and a vivid portrayal of the immigrant experience through the eyes of a brave young man who bids goodbye to everything he knows to follow his dreams

Strike Songs of the Depression Timothy P. Lynch, 2009-11-12 The Depression brought unprecedented changes for American workers and organized labor As the economy plummeted employers cut wages and laid off workers while simultaneously attempting to wrest more work from those who remained employed In mills mines and factories workers organized and resisted striking for higher wages improved working conditions and the right to bargain collectively As workers walked the picket line or sat down on the shop floor they could be heard singing This book examines the songs they sang at three different strikes the Gastonia North Carolina textile mill strike 1929 Harlan County Kentucky coal mining strike 1931 32 and Flint Michigan automobile sit down strike 1936 37 Whether in the Carolina Piedmont the Kentucky hills or the streets of Michigan the workers songs were decidedly class conscious All show the workers understanding of the necessity of solidarity and collective action In Flint the strikers sang The trouble in our homestead Was brought about this way When a dashing corporation Had the audacity to say You must all renounce your union And forswear your liberties And we ll offer you a chance To live and die in slavery As a shared experience the singing of songs not only sent the message of collective action but also provided the very means by which the message was communicated and promoted Singing was a communal experience whether on picket lines at union rallies or on shop floors By providing the psychological space for striking workers to speak their minds singing nurtured a sense of community and class consciousness When strikers retold the events of their strike as they did in songs they spread and preserved their common history and further strengthened the bonds among themselves In the strike songs the roles of gender were pronounced and vivid Wives and mothers sang out of their concerns for home family and children Men sang in the name of worker loyalty and brotherhood championing male solidarity and comaraderie Informed by the new social history this critical examination of strike songs from three different industries in three different regions gives voice to a group too often deemed as inarticulate This study

the only book length examination of this subject tells history from the bottom up and furthers an understanding of worker culture during the tumultuous Depression years **The Battle Hymn of the Republic** John Stauffer, Benjamin Soskis, 2013-06-13 And yet the memory of the song's original role in bloody and divisive Civil War scuttled an attempt to make it the national anthem The Daughters of the Confederacy held a contest for new lyrics but admitted that none of the entries measured up to the power of the original The Battle Hymn has long helped to express what we mean when we talk about sacrifice about the importance of fighting in battles both real and allegorical for the values America represents It conjures up and confirms some of our most profound conceptions of national identity and purpose And yet as Stauffer and Soskis note the popularity of the song has not relieved it of the tensions present at its birth , Hard Lessons Mercedes Steedman, Peter Suschnigg, Dieter K. Buse, 1995-05-10 This book brings together the voices of contemporary labour leaders activists old timers and academics to discuss the first hundred years of the Mine Mill and Smelter Workers Union **The Encyclopedia of Strikes in American History** Aaron Brenner, Benjamin Day, Immanuel Ness, 2015-01-28 Strikes have been part of American labor relations from colonial days to the present reflecting the widespread class conflict that has run throughout the nation's history Against employers and their goons against the police the National Guard local state and national officials against racist vigilantes against their union leaders and against each other American workers have walked off the job for higher wages better benefits bargaining rights legislation job control and just plain dignity At times their actions have motivated groundbreaking legislation defining new rights for all citizens at other times they have led to loss of workers lives This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America To provide the analytical tools for understanding strikes the volume includes two types of essays those focused on an industry or economic sector and those focused on a theme Each industry essay introduces a group of workers and their employers and places them in their economic political and community contexts The essay then describes the industry's various strikes including the main issues involved and outcomes achieved and assesses the impact of the strikes on the industry over time Thematic essays address questions that can only be answered by looking at a variety of strikes across industries groups of workers and time such as why the number of strikes has declined since the 1970s or why there was a strike wave in 1946 The contributors include historians sociologists anthropologists and philosophers as well as current and past activists from unions and other social movement organizations Photos a Topic Finder a bibliography and name and subject indexes add to the work's appeal **A Short History of the U.S. Working Class** Paul Le Blanc, 2017-01-15 His aim is to make the history of labor in the U S more accessible to students and the general reader He succeeds Booklist In a blend of economic social and political history Paul Le Blanc shows how important labor issues have been and continue to be in the forging of our nation Within a broad analytical framework he highlights issues of class gender race and ethnicity and includes the views of key figures of United States labor The result is a thought provoking look at centuries of American history from a perspective that

is too often ignored or forgotten An excellent overview enhanced by a valuable glossary Elaine Bernard director of the Harvard Trade Union Program

Save the Humans? Jeremy Brecher, 2020-06-01 We the people of the world are creating the conditions for our own self extermination whether through the bang of a nuclear holocaust or the whimper of an expiring ecosphere Today our individual self preservation depends on common preservation cooperation to provide for our mutual survival and well being For half a century Jeremy Brecher has been studying and participating in social movements that have created new forms of common preservation Through entertaining storytelling and personal narrative Save the Humans provides a unique and revealing interpretation of how social movements arise and how they change the world Brecher traces a path that leads from the sitdown strikes on the pyramids of ancient Egypt through America s mass strikes and labor revolts to the struggle against economic globalization to today s battles against climate change Weaving together personal experience scholarly research and historical interpretation Jeremy Brecher shows how we can construct a human survival movement that could save the humans He sums up the theme of this book I have seen common preservation and it works For those seeking an understanding of social movements and an alternative to denial and despair there is simply no better place to look than Save the Humans

Songs of the workers: on the road, in the jungles, and in the shops Industrial Workers of the World, 2020-12-08 The Songs of the workers on the road in the jungles and in the shops is a collection of poignant and powerful poems that capture the struggles and triumphs of the working class Written in a raw and emotional style these poems provide a glimpse into the day to day lives of laborers and their fight for justice The author Industrial Workers of the World uses vivid imagery and lyrical language to convey the harsh realities faced by workers in various settings from the roads to the factories This book serves as a testament to the resilience and solidarity of the working class in the face of adversity Industrial Workers of the World a renowned labor union known for their advocacy of workers rights brings a unique perspective to this collection of poems Drawing from their experiences in organizing and mobilizing workers the author sheds light on the importance of unity and collective action in the fight for social justice Through Songs of the workers Industrial Workers of the World invites readers to reflect on the struggles of the working class and to stand in solidarity with them in their ongoing battle for fair treatment and equality This book is a must read for anyone interested in labor history social movements and the power of poetry to inspire change

Music Lesson Plans for Social Justice Lisa C. DeLorenzo, Marissa Silverman, 2022 Teaching Music for Social Justice offers a fresh innovative approach to teaching general music This book is a timely collection of lesson plans and units that artfully blend music making with relevant issues of social justice Particularly accessible to middle and high school classroom music teachers it includes a companion website with links to all of the music listening and videos Authors Lisa C DeLorenzo and Marissa Silverman accomplished music educators with extensive careers thinking about the relationship between music education and social justice have composed student centered lessons with thoughtful discussion prompts experiences with diverse genres and styles of music and technology

integrated music making projects that will activate students creativity and empathy Unit topics ranging from War to Climate Change include cross disciplinary lessons with the arts playing a central role in developing understanding Well researched introductory materials as well as how to guides for topics such as composing in the classroom make the text especially practical and approachable This book is an essential resource with ready to go lessons and classroom materials Music teachers will now have a unique new lens for engaging students in purposeful music making toward social justice

CQ Press Guide to Radical Politics in the United States Susan Burgess, Kate Leeman, 2016-02-15 The CQ Press Guide to Radical Politics in the United States is a unique work which provides an overview of radical U S political movements on both the left and the right sides of the ideological spectrum It focuses on analyzing the origins and trajectory of the various movements and the impact that movement ideas and activities have had on mainstream American politics This guide is organized thematically with each chapter focusing on a prominent arena of radical activism in the United States These chapters will Trace the chronological development of these extreme leftist and rightist movements throughout U S history Include a discussion of central individuals organizations and events as well as their impact on popular opinion political discourse and public policy Include sidebar features to provide additional contextual information to facilitate increased understanding of the topic Seeking to provide an accessible balanced and well documented discussion of topics often overlooked in political science this book includes an introduction to anarchism communism and socialism as well as the Chicano movement civilian border patrols Black power the Ku Klux Klan ACT UP the militia movement Occupy Wall Street farmers rebellions Earth First the Animal Environmental Liberation Front and many others

Rebel Voices Joyce L. Kornbluh, 2011-09-01 Welcoming women Blacks and immigrants long before most other unions the Wobblies from the start were labor s outstanding pioneers and innovators unionizing hundreds of thousands of workers previously regarded as unorganizable Wobblies organized the first sit down strike at General Electric Schenectady 1906 the first major auto strike 6 000 Studebaker workers Detroit 1911 the first strike to shut down all three coalfields in Colorado 1927 and the first no fare transit workers job action Cleveland 1944 With their imaginative colorful and world famous strikes and free speech fights the IWW wrote many of the brightest pages in the annals of working class emancipation Wobblies also made immense and invaluable contributions to workers culture All but a few of America s most popular labor songs are Wobbly songs IWW cartoons have long been recognized as labor s finest and funniest The impact of the IWW has reverberated far beyond the ranks of organized labor An important influence on the 1960s New Left the Wobbly theory and practice of direct action solidarity and class war humor have inspired several generations of civil rights and antiwar activists and are a major source of ideas and inspiration for today s radicals Indeed virtually every movement seeking to make this planet a good place to live to quote an old Wobbly slogan has drawn on the IWW s incomparable experience Originally published in 1964 and long out of print Rebel Voices remains by far the biggest and best source on IWW history fiction songs art and lore This new edition includes 40 pages of additional material

from the 1998 Charles H Kerr edition from Fred Thompson and Franklin Rosemont and a new preface by Wobbly organizer Daniel Gross

Communism Jeff Sparrow, 2007-02-01 For more than seventy years idealists and rebels of all stripes saw in the Communist Party the best hope for a world remade Who were the people who dedicated themselves to that beautiful dream How did they experience its shimmering promise and cope with its shattering collapse This is the story of Guido Baracchi the playboy and dilettante who experienced communism at its best and its very worst His love affair with Marxism took him from his father's astronomical observatory to the rough halls of the legendary Wobblies He debated Bob Menzies at the University of Melbourne he wooed novelist Katharine Susannah Prichard on a luxury ocean liner he belonged to illegal organisations in two world wars The Sun dubbed him Melbourne's Lenin and ASIO classified him a person of bad moral character and violent and unstable political views From Weimar Germany to Stalin's Russia from Melbourne's Pentridge gaol to the bohemian colony of Montsalvat Baracchi entwined political intrigue with a series of tempestuous romances with poets artists and playwrights Yet communism remained his real love and communism broke his heart in a betrayal that still resonates in the political choices available today

The Accidental Immigrant David Bouchier, 2004-06-24 Transatlantic humorist David Bouchier brings wit wisdom and a touch of philosophy to the everyday dramas of American suburban life This book brings together more than a hundred essays originally broadcast on National Public Radio or published in his Out of Order column in the Sunday New York Times When work and marriage brought David Bouchier to Long Island in 1986 the endless suburbs seemed mysterious and exotic to him He was inspired to begin writing essays and newspaper columns about his life there a personal and public diary of the Resident Alien experience In 1992 a weekly public radio essay was added to the newspaper columns and thousands of listeners still enjoy David's weekly radio broadcasts These are the affectionate and sometimes acerbic observations of an Accidental Immigrant who still finds life in America endlessly stimulating and wonderfully strange David Bouchier's thoughts about love life liberty and the pursuit of happiness in the suburbs will make you smile and make you think Boring suburban rituals like lawn care mall shopping wedding rehearsals and barbecues will never seem the same again

Ordinary People, Extraordinary Lives Debra E. Bernhardt, Rachel Bernstein, 2000-05 This pictorial history brings to life the breathtaking and often heartbreaking stories of the men and women who with cement and steel needle and thread blood sweat and dreams built New York City in the twentieth century

Gun Thugs, Rednecks, and Radicals David Alan Corbin, 2011-11-02 Strikes and union battles occurred throughout American industry during the early part of the twentieth century but none of these stories compare to the West Virginia Mine Wars of 1912 and 1921 These two workers rebellions quickly drew national attention to an area known principally for its black gold the coal that was vital for U S factories power plants and warships of that age In 1912 miners struck against the harsh conditions in the work camps of Paint and Cabin Creeks and coal operators responded with force The ensuing battles caused the West Virginia governor to declare martial law prompting Samuel Gompers to dub the state Russianized West Virginia where the people can be naught

but serfs There was little improvement in working conditions by 1921 when another army thousands of union miners went up against similar numbers of state police local deputies and paid company guards The weeklong Battle of Blair Mountain ended only after President Warren Harding sent 2 000 U S troops and a small unit of bombers to pacify the region Gun Thugs Rednecks and Radicals tells the story of these union battles as seen by the leaders rank and file participants and the journalists who came to West Virginia to cover them for papers including The Nation and the New York Times Union leaders like Gompers Frank Keeney Fred Mooney Bill Blizzard and Mother Jones discuss the lives and struggles of the miners for their union The book also contains articles speeches and personal testimony heard by two U S Senate committees sent to investigate West Virginia s labor problems In this testimony miners and their family members describe life and work in the coal camps telling why they participated in these violent episodes in West Virginia history Special attention is given to the role of Huntington s own radical newspaper The Socialist and Labor Star a forgotten monument in the history of American heresy and radicalism

On Strike for Respect Toni Gilpin, 1995 It is we who push the papers put the paychecks in the mail It is we who type the letters mind the office without fail And until we get a contract it is we who ll shut down Yale For the union makes us strong To the tune of John Brown s Body Must reading for anyone who wants to learn what a revitalized labor movement would look like Labor Notes A textbook on solidarity unionism Staughton Lynd One of the very best books on labor in the 1970s and 80s Dana Frank University of California at Santa Cruz There are very few case studies in recent labor history as readable and provocative as this one Karen Sawislak Stanford University On Strike for Respect is a lively account of the 1984 85 strike by clerical and technical workers at Yale University Members of Local 34 with a strong female majority mobilized themselves and the public breathing new life into the labor movement as they fought for and won substantial gains A short update on current conditions concludes this volume

Labor's Troubadour Joe Glazer, 2002 For more than half a century armed only with his guitar reams of songs and conviction Glazer has marshaled the power of music to fight for union representation in mills mines factories and offices all over the country This title traces the life and work of labor balladeer Joe Glazer

Fighting for the Union Label: The Women's Garment Industry and the ILGWU in Pennsylvania , The garment industry gained a foothold in Pennsylvania s hard coal region as mines were closing Runaway factories especially from Manhattan set up shop in mining towns where labor was plentiful and unions scarce By the 1930s garment factories employed thousands of wives and daughters of unemployed or underemployed coal miners Organizing these workers proved difficult for the International Ladies Garment Workers Union ILGWU

American History in Song Diane Holloway, 2001 Songwriters dramatically captured the details of how Americans lived thought and changed in the first half of the twentieth century This book examines 1033 songs about WWI and WWII wars presidents Women s Suffrage Prohibition the Great Depression immigration minority stereotypes new modes of transportation inventions and the changing roles of men and women America invited immigrants and went to war to ensure democracy but within its borders lyrics display intolerant

attitudes toward women blacks and ethnic groups Songs covered labor strikes communism lynchings women voting and working love sex airships radio telephones the lure of movies and new movie star role models drugs smoking and the atom bomb History books cannot match the humor poignancy poetry and thrill of lyrics in describing the essence of American life as we moved from a rural white male dominated society toward an urban democracy that finally included women and minorities
