about state intervention in the economy Challenging accounts of widespread political disengagement in the twentieth century Politics of the Past shows how re telling family stories about the inter war period offered ordinary people an accessible way of engaging in politics Drawing on six local case studies across Scotland and England this book explains how stories about the inter war working class experience in industrial areas came to appear commonplace nationwide **The way about Warwickshire** Walter Ambrose Bettsworth,1892 *The Electrician* ,1927 *The Electrical Journal* ,1927 **King of the Woods** Richard Butterworth,2019-11-03 One long summer two friends discover that their fantasy worlds are becoming a bit real and that the real world has got rather fantastic until no one is really sure which is which For the next twenty years they try to recapture that summer and their imaginary enchanted woodlands in a Great Work of Art Too bad they keep getting distracted and going to the pub As well as taking you for a gentle ramble through their fantasy worlds King of the Woods will teach you the secret art of making very loud explosions you will meet the Thorn Witch who dances with the winds a fox who is probably also a Prince and is in love with an Ice Maiden an Austin Mini 850 held together with string and a Land Rover that hates roads a life size working clockwork model of Jean Paul Satre and the worst heavy metal band in the West Midlands King of the Woods is silly mysterious elegiac and a love story though neither of the protagonists would ever admit it to each other **The official illustrated guide to the Great western railway** George Measom,1860 The [afterw.] Newcomb's Midland counties' almanac and rural hand-book ,1866 **Parliamentary Debates (Hansard)**.
