**Louisiana Creole Literature** Catharine Savage Brosman, 2013-10-17 Louisiana Creole Literature is a broad ranging critical reading of belles lettres in both French and English connected to and generally produced by the distinctive Louisiana Creole peoples chiefly in

the southeastern part of the state The book covers primarily the nineteenth and twentieth centuries the flourishing period during which the term Creole had broad and contested cultural reference in Louisiana The study consists in part of literary history and biography When available and appropriate each discussion arranged chronologically provides pertinent personal information on authors as well as publishing facts Readers will find also summaries and evaluation of key texts some virtually unknown others of difficult access Brosman illuminates the biographies and works of Kate Chopin Lafcadio Hearn George Washington Cable Grace King and Adolphe Duhaime among others In addition she challenges views that appear to be skewed regarding canon formation The book places emphasis on poetry and fiction reaching from early nineteenth century writing through the twentieth century to selected works by poets still writing in the early twenty first century A few plays are treated also especially by Victor Séjour Louisiana Creole Literature examines at length the writings of important Francophone figures and certain Anglophone novelists likewise receive extended treatment Since much of nineteenth century Louisiana literature was transnational the book considers Creole based works which appeared in Paris as well as those published locally

Translating Jazz Into Poetry Erik Redling, 2017-02-20 The study develops a new theoretical approach to the relationship between two media jazz music and writing and demonstrates its explanatory power with the help of a rich sampling of jazz poems Currently the mimetic approach to intermediality e g the notion that jazz poetry imitates jazz music still dominates the field of criticism This book challenges that interpretive approach It demonstrates that a mimetic view of jazz poetry hinders readers from perceiving the metaphoric ways poets rendered music in writing Drawing on and extending recent cognitive metaphor theories Lakoff Johnson Turner Fauconnier it promotes a conceptual metaphor model that allows readers to discover the innovative ways poets translate melody dynamics tempo mood and other musical elements into literal and figurative expressions that invite readers to imagine the music in their mind's eye i e their mind's ear

### **Other Influences**

Marcella Durand, Jennifer Firestone, 2024-10-29 A compelling collection of original essays on influence that restore a feminist avant garde that includes women of color queer and trans women Other Influences frames a new literary history in which feminist avant garde and poetry practices intersect foregrounding critically neglected but artistically powerful lineages in twentieth and twenty first century North American poetry In this collection Marcella Durand and Jennifer Firestone assemble original essays by a range of leading contemporary feminist avant garde poets asked to consider their lineages inspirations and influences Their reflections contain many surprises with writers citing scientists artists and little known feminist writers from other eras and traditions for example Tracie Morris discusses the Gee's Bend quilters Carla Harryman writes about her collaboration with Lyn Hejinian and Cecilia Vicuña cites the Tao Te Ching Unlike other collections of writers on writing Other Influences demonstrates a complex feminist ethos of paying homage to forebears while at the same time resisting the parts of a history along with previous concepts of influence that might be stale or limiting Countering a masculinist model of influence la Harold Bloom Durand and Firestone illuminate the diverse nonhierarchical ecosystems of feminist avant garde

In this capacious and challenging book Maria Damon surveys the poetry and culture of the United States in two distinct but inextricably linked periods In part 1 Identity K not e s she considers the America of the 1950s and early 1960s when contentious and troubled alliances took shape between different marginalized communities and their respective but overlapping bohemias Jews African Americans the Beats and gays and lesbians Damon then turns to more contemporary issues and broader topics of poetics in part 2 s Poetics for a Postliterary America which goes on to paint a wider picture dwelling less on close readings of individual poems and more on asking questions about the nature of poetry itself and its role in community formation and individual survival Discussions of counterperformance kinetics the Nuyoricans Latino identity and electronic poetics enliven this section

**PostNegritude Visual and Literary Culture** Mark A. Reid,1997-03-06 In the 1960s and 1970s the civil rights movement and other national and cultural movements fractured dominant paradigms of American identity and demanded a reformulation of American values and norms This book borrows the moral ethical and political purposes of these movements to show how film literature photography and television news broadcasts construct essentialist myths about race gender sexuality and nation It also examines how some visual and literary works and public reactions challenge these essentialist myths by exploring racial sexual and national anxieties Reid explains how artists such as filmmakers Julie Dash Spike Lee and Marlon Riggs photographers Rotimi Fani Kayode and Gordon Parks novelists John A Williams and Ayi Kwei Armah playwright Adrienne Kennedy and poet Bob Kaufman portray the fears of people in the grips of social and psychological change In each chapter he explores how an important social issue black feminism interracial intimacy biracial and homosexual identity and black erotica for example is presented in film literature and photography Throughout the book Reid s analysis is driven by a postNegritude understanding of race and cultural identity as a socially acquired and unfixed process rather than a biological fact By showing how visual and literary artists challenge hegemonies of power through the creative imagination he challenges monolithic and fixed notions of race ethnicity sexuality gender religion and cultural identity

**Romans Through the Centuries** Paul S. Fiddes,2025-08-04 Presents a theological literary and cultural reading of Romans across the centuries of Christian thought Romans Through the Centuries offers a groundbreaking commentary that invites readers to engage with the Apostle Paul s letter not only as a theological

text but also as a dynamic and evolving voice that resonates across history and culture In a format that reflects the complexity of both the letter itself and its enduring legacy Paul S Fiddes divides each passage into three distinct yet interconnected lenses Paul s own speaking voice as he dictated the letter the rich tradition of its interpretation through major historical epochs and its influence on literature visual art and socio political thought This commentary is distinctive in tracing Paul s argument as a mind in motion acknowledging the oral nature of the letter s composition and offering a literary reading that takes seriously the nuances of thought developed in conversation Fiddes brings theological voices from early Christianity the medieval West the Reformation and contemporary global scholarship into dialogue providing a comprehensive reception history without overshadowing Paul s original voice In its final movement the commentary broadens further illuminating how Romans has shaped the cultural imagination beyond ecclesial contexts A flexible and deeply informed guide to Paul s most influential letter Romans Through the Centuries Integrates literary analysis with theological exegesis treating Paul s letter as an evolving spoken argument Provides readers with flexible entry points to focus on theological development historical context or cultural relevance Features a wide ranging reception history from Patristic writers to twenty first century global scholars Includes cultural case studies in literature visual art and political discourse influenced by Romans Incorporates the most current scholarship on Romans and critically engages with alternative readings Part of the acclaimed Wiley Blackwell Bible Commentaries series Romans Through the Centuries is an essential resource for those seeking to understand the layered legacy of Romans through theological inquiry literary insight and historical perspectives It is well suited for undergraduate and postgraduate courses in New Testament studies Pauline theology and the cultural reception of Scripture and serves as a valuable resource for clergy scholars and advanced students engaged in research
