Solving Problems In Couples And Family Therapy Robert Sherman, Paul Oresky, Yvonne Rountree, 2013-05-13 Aimed primarily at clinicians who are required to find ways to interrupt patterns of destructive behaviour in couples and families this text provides a compilation of multi disciplinary techniques and flexible strategies to accomplish 14 major therapeutic tasks

Biblical Counsel , 1993

The Golden Rules of Marriage Hugo Rodriguez, 2012 It was good to see another book from this talented author and I enjoyed reading *The Golden Rules of Marriage* The book is a thought provoking and knowledgeable read from start to finish Written by a psychologist the work explains why marriage counselling has not been effective and shows the reasons The book focuses on profiting from differences rather than trying to solve them and the crucial role that thoughts play in determining one s attitude Using some ancient wisdom the work contains a five week program with practical strategies that a couple can complete at home It explains what true love is and the difference with romantic love and shows how if a couple go by the Golden Rules then their problems can be solved Written in an easy fluent style with excellent advice it explains how our minds and thoughts govern our situations I particularly liked the way the book combines ancient wisdom

with modern concepts and shows there is not much difference after all Leanne Saunders Evaluator Five Steps to Romantic Love Willard F. Jr. Harley, 2022-02-01 Five Steps to Romantic Love will help you and your spouse to know and meet each other's needs and overcome the habits that destroy your love This workbook takes the proven concepts found in Dr Harley's His Needs Her Needs and Love Busters and helps you make them a reality in your marriage All of the worksheets inventories and questionnaires that Dr Harley recommends in these two bestsellers are available here in a full sized and easily reproducible format Fall in love again and enjoy an intimate passionate marriage that lasts **Lasting Marriages** Richard Mackey, Bernard O'Brien, 1995-06-30 Based on in depth interviews by skilled clinicians with husbands and wives who have been married more than 20 years Mackey and O'Brien explore how spouses adapt to each other from the early years of marriage through the parenting years and into the post parenting or empty nest years Purposely selected for inclusion were spouses representing religious ethnic racial and educational diversity Given increased life expectancies couples who stay together will remain together for longer periods of time As longevity extends into the seventies eighties and beyond it is critical to identify the significant dynamics which contribute to satisfaction among couples in stable marriages This book responds to this need Each chapter focuses on an important theme in these long term marital relationships Mackey and O'Brien first explore the beginnings of the relationships and the recollections of how respondents were attracted initially The next chapters focus on dimensions of marriage as they evolve over time Collective themes emerging from the interviews are explored in relationship to gender ethnicity religion and education In view of increased life expectancies couples who stay together will remain together for longer periods of time As longevity extends into the seventies eighties and beyond it is critical to identify the significant dynamics which contribute to satisfaction among couples in stable marriages This book responds to this need among sociologists psychologists social workers marriage and family counselors and general adult readers interested in gender cultural differences and interpersonal relationships *Original S.T.A.R.S. Guidebook for Older Teens and Adults* Susan Heighway, 2022-07-05 Everyone should reach for the STARS The goal of The Original S T A R S Guidebook is to promote positive sexuality and prevent sexual abuse This revised second edition of this valuable resource presents new information about sexual orientation gender identity cultural diversity cyber security and includes even more helpful materials It provides assessment tools that can be used to identify strengths and needs of each individual Each activity can be catered to address specific needs The STARS model is specially designed for teaching adolescents and adults with a broad range of disabilities emphasizing four important areas Understanding Relationships Social Interaction Sexual Awareness Assertiveness Sacred Marriages David Mullins, 2018-06-14 This book represents a new direction in the study of religion and marriage by using a postmodern theoretical framework focusing on gendered discourse and culture to examine the meaning of sacred marriage within social contexts Drawing upon data from in depth interviews of couples in long term sacred marriages living in the American Midwest together with an analysis of Christian marriage advice manuals

Sacred Marriages explores how couples use religious and nonreligious discourses and cultures to give their marriages meaning and how those sacred meanings are used in their daily lives and the spaces that they embody The study shows how religious and secular beliefs are combined to formulate cultural strategies for approaching the sacralization of marriage and how religious and nonreligious discourses and cultures are ordered depending on circumstances and social contexts This often results in other relationships being subordinated in favour of the sacred bond believed to exist between husband and wife The book argues that sacred marriage is a malleable concept as people bend religious culture to form new and altered sacred marriages during emotional extremes A thoughtful examination of long term Christian marriages this volume will appeal to scholars of religion and sociology with interests in marriage and the family *Making Marriage Work* Rob Pascale, Louis H. Primavera, 2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be linked to or caused by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera's twenty five years in private practice as a marriage counselor each chapter is peppered with anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems **Solving Problems in Marriage** Robert K. Bower, 1972 **Crumbling Commitment: Managing a Marital Crisis** Lee Horton, Ph.D., 2008-11-01 Each year there are over one million divorces in America Each divorce is preceded by a marital crisis A crisis begins when a spouse's commitment to the marriage becomes uncertain The message I'm not sure I want to be married brings a cascade of emotion Deeply hurt and wanting desperately to save the marriage the rejected mate grasps often destructively for something to preserve the relationship *Crumbling Commitment: Managing a Marital Crisis* is a lifeline for those who are left feeling helpless and powerless to respond to their distancing mate From the initial shock that comes with the knowledge that one's spouse is not committed to the marriage to the final decision to reconcile or divorce this book helps the reader to make

decisions and regain power in each stage of the marital crisis *The All-for-Nothing Marriage* Daniel Zopoula,2019-08-07
Rather than being a source of joy your marriage can destroy your quality of life causing silent frustration and catastrophic disappointment But every couple is entitled to a meaningful marriage filled with passion intimacy and shared purpose The All for Nothing Marriage is a highly practical tool designed to help couples identify a path for achieving just those things Drawing in his experience and a guiding faith Daniel will walk you through the philosophy underlying his unique take on today s marriage solutions with brilliant insights personal reflections and practical advice to show how any marriage can be better The book is divided into two intuitive sections Part One explores the internal workings of a marriage Part Two challenges readers to implement four practical steps to rekindle the core connection which results in phenomenal love and ultimate fulfillment in life Here is a step by step strategies for neutralizing your marital problems with a redemptive mindset one that will turn a mediocre marriage into a remarkable one Here is a paradigm shifting approach to recalibrate your expectations increase intimacy and emotional togetherness make the most of your relationship live a better story and experience a meaningful life Whether you are married would be married or just looking for illuminating advice The All for Nothing Marriage will forever transform your understanding of the anatomy of marriage and the unique value you bring to a relationship that s critical to so many people s lives **Christian Counseling 3rd Edition** Gary R. Collins,1988-10-06 This proven guide in pastoral counseling has been extensively expanded and revised by the author to include recent developments and research new resources and attention to newly urgent needs such as AIDS eating disorders homosexuality and violence Written with clarity and sensitivity this volume builds on biblical foundations and the best resources of professional psychology It reflects the insights the author has gained from many years of Christian counseling New Sections include The Legal Ethical and Moral Issues in Counseling The Multicultural Multiracial Issues in Counseling Conflict and Relationships Dealing with Death and Grief Alcoholism and Other Substance Abuse Crises and Trauma Counseling and Terrorism **The Handbook of Marriage and Marital Therapy** G. Pirooz Sholevar,2013-11-11 **Preparing Couples for Love and Marriage** Cameron Lee,James L. Furrow,2013-10-15 Good preparation enables couples to take a first step together in facing their future challenges While no one can smooth away all the rough spots in the marital road ahead couples can be coached to pay attention to warning signs see the bumps before they hit them and deal more skillfully with inevitable conflicts This book provides pastors with a framework and tools for this ministry The good news is that you don t need any formal background in counseling because the kind of work we re talking about isn t counseling it s coaching a coach who can help couples to respond positively to the differences between them It s not about having the answers but is it about helping couples manage difficulties before they become serious threats to the marriage Understanding and Satisfaction in Marital Problem Solving Frances Louise Jessica Ball,1984 **Problem Solving in Families** Samuel Vuchinich,1999
Synthesizing the diverse body of perspectives and approaches to family problem solving covered in research and clinical
