Some of My Best Friends A. Nolder Gay, 1990 Some of My Best Friends Tajja Isen, 2022-04-19 Named One of the Best Books of the Year by The Globe and Mail Toronto Daily Hive and Electric Literature A fearless and darkly comic essay collection about race justice and the limits of good intentions In this stunning debut collection Catapult editor in chief and award winning voice actor Tajja Isen explores the absurdity of living in a world that has grown fluent in the language of social justice but doesn't always follow through These nine daring essays explore the sometimes troubling and often awkward nature of that discord **Some of My Best Friends** takes on the cartoon industry's pivot away from colorblind casting the pursuit of diverse representation in the literary world the law's refusal to see inequality and the cozy fictions of nationalism Isen deftly examines the quick cosmetic fixes society makes to address systemic problems and reveals the unexpected ways they can misfire In the spirit of Zadie Smith Cathy Park Hong and Jia Tolentino Isen interlaces cultural criticism with her lived experience to explore the gaps between what we say and what we do what we do and what we value what we value and what we demand Male Homosexuality in Literature , **A Woman Who--** Yvonne Rainer, 1999 Her work has been the subject of more than a dozen retrospectives most recently at the Film Society of Lincoln Center and has earned her numerous honors including fellowships from the Guggenheim and MacArthur foundations **BOOK JACKET** The latest volume in PAJ's Art Performance series **A Woman Who** is a wide ranging collection of Rainer's interviews essays talks and other writings **BOOK JACKET** **Sanctify them in the Truth** Stanley Hauerwas, 2016-01-28 In **Sanctify them in the Truth** Stanley Hauerwas provides an overview of the development of theology and ethics He considers how the two disciplines interrelate discusses the nature of sin how any account of sin requires a more determinative account of moral law the nature of sanctification the body as a subject for Christian holiness and the relationship between sanctification and truthfulness The volume ends with sermons Hauerwas emphasizes the freedom the sermons create as they remind us that the words we use are not our words The inclusion of sermons also underlines Hauerwas point that the truth of the gospel cannot be discovered apart from its embodiment in specific communities of faith The Christian life he argues is not about being in possession of the truth defined as a set of timeless and universal principles of belief and action Rather it is about learning and living the life of truthfulness toward God and one another For this Cornerstones edition Hauerwas has provided a new preface that places the work in the present debate and brings this remarkable work to a new audience *The Psychology of Human Sexuality* Justin J.
