in a row in a call centre in an unassuming new build office on the outskirts of Oxford Barry White a forty nine year old slightly balding diabetic telephone counsellor was putting in his usual eight hour shift Little did he know that his life was going to change forever Cultivating Mad Cow is a true story that could easily be described as a memoir but it s more than that it s a story about madness love desperation tragedy and recovery Rich with comic moments which against the backdrop of so much despair and anguish makes it both a comical but at the same time a heart breaking read New to writing Kathryn brings a unique unsanitised voice to tell the profoundly disturbing story of a woman trying to hold it all together working in child protection and dealing with an unknown serious mental health condition Things start to go badly wrong when Kathryn goes off work on annual leave and she is unaware she is having a mental health episode With her wheelie bin going missing and with the new found desire to build phallic objects in her garden and get herself arrested for outlandish and hilarious public disturbances Kathryn is offered support in the form a telephone counsellor by the name of Barry White As the weeks progress and with little help on the ground Kathryn begins to form a romantic attachment to Barry and creates a world where only he and she exist As Barry writes his case notes she writes her book Her increasing need to be near Barry and decreasing inhibitions lead to disaster when she sends him inappropriate material which he shares with his manager leading to them to terminate all contact between her and Barry Undeterred by this latest turn of events she purchases a lighthouse made from resin throws it in her clapped out Nova abandons her daughter and sets off to Oxford in search of Barry When Barry fails to show up in a church which she believed the universe had led her to she is mortified The truth that Barry is not telepathically connected to her and that there is no great master plan created by a higher force to bring them together is too much to bear and she returns home sinking into a darker more disturbing state With Barry gone and a career in tatters she decides to return to work with devastating consequences
