The Life Fortune of Vincent Van Gogh Deepak Gupta, 2024-11-04 Vincent Van Gogh once wrote when his paintings weren't selling I cannot help it that my paintings do not sell The time will come when people will see that they are worth more than the price of the paint I wish they would take me as I am Vincent Van Gogh Jean Paul Sartre voiced if victory is told in detail one can no longer distinguish it from a defeat What we all want from life That's the question we should ask ourselves every day as when we earn all the wealth and prosperity of this world then we try focusing on our soul satisfaction but how ravishing it would be if we felt peaceful even in the devastating storm That even if everything is getting apart and broken around you but a deep solitude is having a permanent home in your soul and you are so lost that you have no other desires and greed to make you feel satisfied Vincent William Van Gogh a Dutch Post Impressionist Painter is the most famous and influential figure in the history of modern art but inside he was just a broken artist combating everything in agony so what made him go for so long Have you ever thought about whether destiny really exists or not Everything is uncertain then what is fixed What truly made him Vincent Van Gogh even despite everything that was against him he created his world's best work even with nothing and we are still complaining because we don't have perfect resources for our work What made him genius What fortune he created even with nothing That's astounding and loving to know Our research was on Vincent Van Gogh because when everyone is blaming they have less resources Vincent carved his fortune with nothing and what he weaved in his heart is a matter of secret to be opened to the entire world and that's a proud moment because if he could accomplish perfection with nothing then why we can't even with something Time is an illusion as it makes you realise you have more and you have it but you don't have it until you claim it by utilizing it well It's damn true and practical that everything is out of control except your soul So if everything around is a mess and you are
