was born on July 8 1869 in Spencer Indiana He became an orphan at a young age when both of his parents passed He
supported himself while he was in school going on to attend Harvard University He graduated and then went on to become a
professor at University of Chicago In 1908 he earned a Litt D from Yale He wrote a great deal including works such as The
Masque of Judgment 1900 Poems 1901 and The Faith Healer 1909 Sadly his promising life was cut short at the age of 41 as
Moody had suffered from brain cancer and passed away This new edition is dedicated to Judy Rich Lauder enthusiast for
books of all kinds *Some Letters of William Vaughn Moody* Daniel Gregory Mason, 2015-07-02 Excerpt from Some Letters
of William Vaughn Moody Edited With an Introduction He liberates the imagination with his prose wrote one of Moody s
friends when the project of collecting some of the letters was being discussed as effectively as he does with his poetry And
then besides there is the luminous personality which emerges from every folded sheet looking out with large veiled eyes The
comment happily describes the double interest of these letters They are first of all literature and may be read by those who
know nothing of the personality of their author for their purely literary charm their power to liberate the imagination They
carry like his poetry for such a reader their own rich gift of delight they are as magnanimously conceived as hauntingly
phrased as eloquently and ingeniously clothed in metaphor even more mischievously touched with humor Moody s poetry is
destined surely to a high if not to the supreme place in the American poetry of his generation His letters it seems to me are
worthy to stand beside it and there no far as their purely literary quality is concerned they may be left without further
