Some More Ways To A Mans Heart:

Work Your Mind and Not Your Behind Kevin Johnson, 2012-06 Kelly is a young girl who is growing up in a single family home Despite her mother being a dancer she has a purpose for life She s a typical young girl growing up in Washington DC trying not to let mundane things distract her while trying to be a positive influence on her friend Trina **The Works of T. G. [With Preface to Vol. 1. by T. Owen and J. Barron.]** Thomas GOODWIN (D.D.), 1681 The workes of that famovs and worthy minister of Christ in the Vniuersity of Cambridge, Mr. W. Perkins William Perkins, 1617 *Guy Livingstone* George Alfred Lawrence, 1857 *Natural Gas Magazine* , 1925 **Guy's Hospital Gazette** , 1904 **A Concordance to the Holy Scriptures ... In a More Exact and Useful Method Than Hath Hitherto Been Extant. By S. N. [i.e. Samuel Newman.]** , 1662 **Fanny Campbell, The Female Pirate Captain** Maturin Murray Ballou, 2015-01-12 Example in this ebook CHAPTER I The town of Lynn Massachusetts situated up the Atlantic sea board at a distance of some ten miles from the metropolis of New England has been the locale of many an incident of a most romantic character Indeed its history abounds with matter more akin to romance than fact There are here the Pirate s Cave Lover s Leap the Robber s Dungeon all within a pistol shot of each other The story of its early Indian history is also of a most interesting character and altogether the place is one destined to be immortal from these causes alone In that part of the town known as Wood End there is an immense pile of stone rising perpendicularly on the side of a hill fronting the ocean known far and near by the name of High Rock This granite mass is very peculiarly formed the front rising abruptly nearly an hundred feet while the back is deeply imbedded in the rising ground and the summit forms a plain level with the height of the hill and the adjoining plain in the rear This spot has long been celebrated for the extended and beautiful prospect it affords From its top which overlooks rock bound Nahant in a Southerly direction may be had a noble view of the Atlantic and a breadth of coast nearly thirty miles in width There is no spot upon our shores where the sea plays a wilder or more solemn dirge than on the rocky peninsula of Nahant the long connecting beach is here a scene of angry commotion from the constant and heavy swells of the broad ocean At a distance of about ten miles in the South West lies Boston The eye always rests upon the dense smoke that enshrouds it first piercing which loom up the spires of its numerous churches and towering above them all the noble State House is distinctly seen Turn still more to the West and you overlook the principal portion of the manufacturing town of Lynn with its picturesque collection of white cottages and factories appearing of miniature dimensions Turn again towards the North West and a few miles beyond the town of Lynn lies the thriving little village of Saugus A full Northern view is one of woody beauty being a field of forest tops of almost boundless extent In the North East through the opening hills and trees a glimpse is had of the water in Salem harbor while the city itself is hid from view reminding one of the distant view of the Adriatic from the lofty Appenines which rise from the very gates of the lovely city of Florence This is a slight glance at the extended prospect to be enjoyed by a visit to High Rock at the present day saying nothing of the pretty quiet little fishing village of Swampscot and

the panorama of sailing craft that always ornament the sea view Near the base of the rock there resided until a few years since the celebrated fortune teller known by the name of Moll Pitcher a soubriquet given her by the town s people her rightful name never having been ascertained She lived to a remarkable old age and to the day of her death the visitor who crossed her palm with broad pieces was sure to receive in return some truthful or fictitious legend of the neighborhood There are many among us to this day who remember with pleasure their visits to the strange old fortune teller of Lynn at the base of High Rock To be continue in this ebook
