### **Somebody Has To Shoot The Picture:**

Roy Scheider Diane C. Kachmar, 2008-11-21 Over his 30 plus year acting career Roy Scheider has redefined America's idea of a leading man thanks to his talent for playing an urban everyman that audiences relate to and root for despite flaws and failures He rose to fame in the early 1970s in the Oscar winning films Kluge and The French Connection his first Oscar nomination Roy garnered more critical acclaim in Jaws and Marathon Man as well as a second Oscar nomination for All That Jazz Scheider's life and career are chronicled in this work Beginning with his childhood in New Jersey it traces his development from a community theater actor to a world renowned movie star and covers his more recent work in the Golden Globe winning RKO 281 and the Shakespearean drama King of Texas Includes a complete filmography and index **Reel**

**Photos** Wendy Sterba, 2015-02-26 Even in an age when the photograph has changed from a physical object into a data file that can be easily manipulated we tend to believe what we see But photographs can and do lie As an object in a film a photograph's meaning and function can be even more malleable and deceiving as new developments in technology are altering how we perceive reality In Reel Photos Balancing Art and Truth in Contemporary Film Wendy Sterba examines the use of photographs in cinema to explore issues of objectivity subjectivity fabrication and fact This study first looks at the traditional use of the photograph in films such as Blow Up and then considers similar issues as they relate to the search for truth in detective films like Along Came a Spider The Bone Collector and Forgotten Subsequent chapters explore ambivalence and photographic objectification in films about art photography including The Governess Fur and Closer Other movies discussed include Inception Paparazzi Under Fire and Somebody Has to Shoot the Picture By examining the function of the photograph in movies rather than the role of film photography as art Sterba provides an innovative approach to cinema studies Utilizing theory in an intelligent but easily understandable way this book allows readers to re-examine the role of authorship and the value of authentic art Reel Photos will appeal to students and scholars of cinema as well as anyone interested in the aesthetics of art and truth in film

**Prater Violet** Christopher Isherwood, 2025-06-25 Prater Violet concerns the filming of an unashamedly romantic and commercial musical about old Vienna It is a stinging satirical novel about the film industry trifling studio feuds and the fatuous movie Prater Violet which ironically counterpoints the tragic events on the world stage as Hitler's lengthening shadow falls over the real Vienna of the thirties At its center are vivid portraits of the mocking genius Friedrich Bergmann the imperious dazzlingly witty Austrian director and his disciple a genial young screenwriter the fictionalized Christopher Isherwood When it first appeared in 1945 Prater Violet caused a fury of critical speculation and acclaim Edmund Wilson called it a deliberate historical parable and Diana Trilling's Nation review said Prater Violet is the most charming novel I have read in a long time It is a book written in the author's own person yet utterly without ego it is a novel about movie writers which is yet a novel about the life of every serious artist it is a book without a political moral but a profound moral political statement it is gay witty sophisticated but wholly responsible

**When the State Kills** Austin Sarat, 2018-06-05 Is capital punishment just Does it deter people from murder What is the risk that we will execute innocent people These are the usual questions at the heart of the increasingly heated debate about capital punishment in America In this bold and impassioned book Austin Sarat seeks to change the terms of that debate Capital punishment must be stopped Sarat argues because it undermines our democratic society Sarat unflinchingly exposes us to the realities of state killing He examines its foundations in ideas about revenge and retribution He takes us inside the courtroom of a capital trial interviews jurors and lawyers who make decisions about life and death and assesses the arguments swirling around Timothy McVeigh and his trial for the bombing in Oklahoma City Aided by a series of unsettling color photographs he traces Americans evolving quest for new methods of execution and explores the place of capital punishment in popular culture by examining such films as *Dead Man Walking* *The Last Dance* and *The Green Mile* Sarat argues that state executions once used by monarchs as symbolic displays of power gained acceptance among Americans as a sign of the people's sovereignty Yet today when the state kills it does so in a bureaucratic procedure hidden from view and for which no one in particular takes responsibility He uncovers the forces that sustain America's killing culture including overheated political rhetoric racial prejudice and the desire for a world without moral ambiguity Capital punishment Sarat shows ultimately leaves Americans more divided hostile indifferent to life's complexities and much further from solving the nation's ills In short it leaves us with an impoverished democracy The book's powerful and sobering conclusions point to a new abolitionist politics in which capital punishment should be banned not only on ethical grounds but also for what it does to Americans and what we cherish
