Somebody's Someone Regina Louise, 2025-05-01 In this poignant and heart wrenching true story Regina Louise recounts her childhood search for connection in the face of abuse neglect and rejection What happens to a child when her own parents reject her and sit idly by as others abuse her In this poignant heart wrenching debut work Regina Louise recounts her childhood search for someone to feel connected to A mother she has never known but long fantasized about deposited her and her half sister at the same group home that she herself fled years before When another resident beats Regina so badly that she can barely move she knows that she must leave this terrible place the only home she knows Thus begins Regina's fight to survive utterly alone at the age of 10 A stint living with her mother and her abusive boyfriend is followed by a stay with her father's lily white wife and daughters who ignore her before turning to abuse and ultimately kicking her out of the house Regina then tries everything in her search for someone to care for her and to care about from taking herself to jail to escaping countless foster homes to be near her beloved counselor Written in her distinctive and unique voice Regina's story offers an in depth look at the life of a child who no one wanted From her initial flight to her eventual discovery of love your heart will go out to Regina's younger self and you'll cheer her on as she struggles to be Somebody's Someone **The**

**Fellowship of Song** Ginette Dunn, 2015-12-22 Originally published in 1980 Song is perhaps the strongest form of traditional culture Its vigour and energy represent the power of the community from which it springs This book focuses on traditional singing in two small English villages It studies in detail an activity which goes to the core of the communal life in any village and demonstrates how song becomes the lifeblood of the traditions of rural life In many ways traditional singing is highly subversive because its practice is an affirmation of community and a denial of the fragmentation of modern society The songs sung those remembered the singers now dead whose lives are recalled each time an old favourite is performed all connect the present with the past The primary aesthetic concern within these singing traditions is that a man should sing whatever the objective quality of his performance and a song should tell a good story The individual singer assumes a special role in performance since he becomes spokesman for a group and gives voice not only to personal but also to social concerns dynamics and emotions The New American Poetry of Engagement Ann Keniston, Jeffrey Gray, 2012-07-31 This anthology

of poetry collects 21st century American works by both established and emerging poets that deal with the public events government policies ecological and political threats economic uncertainties and large scale violence that have largely defined the century to date But these 138 poems by 50 poets do not simply describe lament or bear witness to contemporary events they also explore the linguistic temporal and imaginative problems involved in doing so In this way the anthology offers a comprehensive look at contemporary American poetry demonstrating that poets are moving at once toward a new engagement with public concerns and toward a focus on the problems of representation A detailed introduction by the editors along with poetics statements by many of the poets add depth and context to a book that will appeal to anyone

 Jelline Smith,2013-06-13 Jelline Smith lives with her husband in Decatur Illinois The couple has one son and seven grandchildren She loves the Midwest but longs for her home state of Mississippi She always said that some day she would return to Mississippi to live but there was always something to stop her such as a better paying job or a better way of living The main reason for staying is her family parents and siblings living in Decatur She simply couldn t bear the thought of leaving them The author believes in and loves her family but her love for God is greater She gives God the glory for the writing of this book Although she knows God has brought her a long way she tries to refrain from the phrase and points to personal motivation Jelline always knew she wanted to be a writer ever since she was a little girl She was always making up songs and poems but nothing ever came of them Some day she told herself she would see her name in print I will see my

dream come true and people enjoying it as much as I enjoyed writing it Jelline said A friend once told her if she ever wrote a book to make sure it was about something she knew because it takes more to write about something you don't know about than it takes to write about what you know Jelline said her childhood was what she knew best *Rational Choice Theory* Lina Eriksson, 2011-10-18 Few approaches in political science have generated so much controversy as rational choice theory Some claim that the approach has made political science scientific Its critics argue that it involves unrealistic assumptions about individual behaviour While its tenets and benefits remain the subject of heated debate rational choice theory is now established as a core approach in political science and one that is vital for contemporary students of the discipline to understand With an impressive degree of clarity the book introduces the philosophical foundations the methodology and the key issues of rational choice theory It shows how the approach has been constructively used to explain political phenomena and also reflects more broadly on how theories are developed and used in political science Balanced and insightful this important new text gives a nuanced and elegant evaluation of the potential and limits of rational choice theory **Singing in the Lower Secondary School** Martin Ashley, 2015 This is an essential text on an important area of the music curriculum consistently judged weak or inadequate by school inspectors in Britain It covers social physiological musical and pedagogical aspects of young adolescent singing with focus on Key Stage 3 ages 11-14 and the progression from primary school Grounded in extensive research and authoritatively written it uses case studies to illustrate best practice and introduces the principles of *cambiata* a dedicated approach to the adolescent voice Other chapters contain practical and proven advice on repertoire technique and the motivation of reluctant singers boosting the confidence of teachers for whom choral work is not the main specialism **The Flamingo Bay Dialect of the Asmat Language** C.L.
