**A Place Called Home** Kevin Shell, 2013-11 This is the intimate private poetic journal of a man who was physically incarcerated and was also lost inside the wilderness of his soul It is the story of secrets told monsters fought and love found It is a tale told for those who have looked between the pages of the books that they have read for the other side of the words It is a story that will only be understood by those who have looked into the mirror of their hearts seen the inner and outer person that they are and accepted themselves *The Journal of the Switchmen's Union of North America* Switchmen's Union of North America, 1901 **Collection of Poetry**, *Seasons of Love* Jack Mooney, 2021-10-20 Seasons of Love is a collection of poems centered around love God and pain that is associated with being in love All of the poems are written in the early morning hours before work under candlelight my favorite part of the day There is one central theme or element within the poems that you will identify with which is the moon I believe that when you are in love the moon changes It becomes the one that you are in love with It is something that you can both share while holding hands on a park bench or five hundred miles apart You are never alone at this time because she is always there ever present for you to see From distant doors you can both share the moon as if she is standing next to you whispering in your ear Love is about two inseparable hearts it is about her being the only one in a crowded room and the feeling you are overcome with when she touches your hand The poems are written in the first person to pull you in and bring these elements to life Cover to cover I want the reader to see love from a new perspective where God is always present and love is unabridged So when completed grab her hand and look at the moon and make it yours make it personal The moon will change and your love will grow deeper and God ever present Love becomes more than just a word used to express our feelings It becomes an emotion that will overwhelm you when you touch her stare at the moon look into her eyes and watch her sleep *Screams & Dreams* Matthew McCain, 2019-05-21 Fear what comes next From Matthew McCain comes a terrifying mesmerizing collection of stories that will grab you from the first sentence and linger well after the final page From madmen lurking in the dark to monsters in the night McCain's stories will plunge you into the darkest corners of his mind while forcing you to keep the lights on deep into the night **Time's Power: Poems 1985-1988** Adrienne Rich, 1989-05-17 Time's Power is a new book by a major American poet and a landmark in a distinguished ongoing career For thirty years Rich's poetry has revealed the individual personal life sexualities loves damages struggles as inseparable from a wider social condition a world with others in which the empowering of the disempowered is increasingly the source of human hope Now her mature vision engages with the power of time itself memory and its contradictions the ebb and flow between parents and children the deaths we all face sooner or later the meaning of human responsibility in all this Letters in the Family for example is written in the voices of three women from the Spanish Civil War from a Jewish rescue mission behind Nazi lines and from present day Southern Africa Time's Power shows Rich writing with unprecedented range complexity and authority **Mothering Heights** Tracey R.

Rush, Rebecca Christian, 2001      *Days on End* Mark Bucci, Donna Jones, 1960      **Until He Comes** Amir Tsarfati, Barry Stagner, 2025-12-02 Powerful Biblical Inspiration Each Day of the Year The chaos and evil so prevalent in the world today can leave us feeling hopeless But when we abide in God's Word we are reminded of His faithfulness and how everything is coming together according to His plan *Until He Comes* offers 365 devotions focused on God's steadfast affection for all His people for Israel as well as Christians You'll discover the sacrificial love He has expressed in the past as well as His promises to care for you in the present and to bless you in the future Each day Amir and Barry offer poignant teachings from God's Word and guidance on practical ways to apply them to your life Addressing topics related to spiritual growth everyday faith and Bible prophecy these daily reflections provide uplifting reminders of God's trustworthiness His comforting presence and His power to make all things new You are invited to experience the many ways God is speaking to you through Scripture These devotions will lift your heart and embolden your faith so that you can make each day count until Jesus returns

Classic American Popular Song David Jenness, Donald Velsey, 2014-02-04 *Classic American Popular Song The Second Half Century 1950-2000* addresses the question What happened to American popular song after 1950 There are numerous books available on the so called Golden Age of popular song but none that follow the development of popular song styles in the second half of the 20th century While 1950 is seen as the end of an era the tap of popular song creation hardly ran dry after that date Many of the classic songwriters continued to work through the following decades Porter was active until 1958 Rodgers until the later 1970s Arlen until 1976 Some of the greatest lyricists of the classic era continued to do outstanding and successful work Johnny Mercer and Dorothy Fields for example continued to produce lyrics through the early 70s These works could be explained as simply the Golden Age's last stand a refusal of major figures to give in to a new reality But then how can we explain the outstanding careers of Frank Loesser Cy Coleman Jerry Herman Jerry Bock and Sheldon Harnick Fred Kander and John Ebb Jule Styne Alan Jay Lerner and Frederick Loewe and several other major figures Where did Stephen Sondheim come from For anyone interested in the development of American popular song and its survival this book will make fascinating reading      **Working on a Dream** David Masciotra, 2010-01-28 For almost four decades Bruce Springsteen's music has directly inspired influenced and uplifted millions of devoted fans who hold a special place in their hearts and minds for his work Springsteen's rise to the top of American music coincided with the triumph of American conservatism and the veneration of marketplace values above democratic principles and humanistic priorities Springsteen has consistently summoned his creative power and artistic vision to indict these political developments and demand the cultivation of a more compassionate and progressive society And yet his often harsh critique of the status quo and radical ideas for reform have either been ignored or misunderstood as a result of his All American image and his narrative storytelling style On nearly every major issue poverty racism urban decay war and peace Springsteen's music has offered a unique vision for moving forward with the agenda of creating the country we carry in our hearts as he called it in an op ed for

the New York Times Filled with provocative analysis of Springsteen s best known hits and his most obscure songs comparisons to other important works of American culture ranging from The Sopranos to Edward Hopper and a wealth of information about the last fifty years of American politics culture and society Working On a Dream is a powerful and engaging study of this songwriter and performer s art David Masciotra shows how Springsteen s music darkly comments on the increased isolation of Americans and calls for a return to community living and values based on compassion empathy and tolerance He illustrates how Springsteen has forced listeners to wrestle with the facts of rising poverty rates in the world s richest nation of wars with questionable justification and of the continued mistreatment of racial minorities arguing that Springsteen does this by emphasizing the suffering that everyday people usually ignored in mainline political discussions endure on a daily basis By using Springsteen s life and music to shine a light on the dark recesses of America s most important political and social trials and conflicts race religion and working class hardship Working on a Dream connects readers with the power purpose and promise of Springsteen s extraordinary and enduring music

**Alec Wilder in Spite of Himself** Desmond Stone,1996 This is a biography of Alec Wilder who made an impact as a major writer of American popular songs in the 1940s and had a strong influence on the careers of Frank Sinatra and Mabel Mercer Wilder was a great eccentric who lived a nomad s life and wrote music for unusual combinations
