Jesse Sullivan isn't afraid of anything; any man or any bull. But when he decides to take a chance and carve out a life outside his rodeo career, he feels like he's walking on shaky ground. In typical Jesse style, he jumps at a chance to purchase Main Street Gallery, a Boise tradition in the art world. Taylor DeMarco has two goals for the next year: Getting the gallery on sound financial ground to prove to her parents that she can keep her grandfather's legacy alive is the first one. Moving out of the house and into her own condo by the Boise River is the second. When she finds her folks are selling the gallery to Jesse, she vows to stop the sale, no holds barred. When sparks fly between Jesse and Taylor, family gets in the way of reason, and they have to decide what is more important: their desires or keeping Main Street Gallery open and successful. *Sensuality Level Sensual* **Thunder Rider's Burden** Christopher Madonia, 2010-09-22

Daviot, a world of magic, faces impending destruction by an ancient curse. Magic has proved to be their ultimate undoing. Prophecy states that none of their own would be able to stop The Cracking. The hero of prophecy was awaited. A stranger arrives atop an iron horse from a blinding light, a stranger to all but the woman Liesh. Her dreams have been haunted by this stranger's face for years. He is the man to take up the sacred Sword of Braelor and save the Davioti from their shortsightedness. He is Harley Davidson. His past is fog of disjointed memories and illusive images. The only thing real to him is his love for the woman Liesh. For this woman, he agrees to take up Braelor's Sword to make things right. A magical stone must be found and restored to stop their impending doom. The Stone of Intent, instrumental in causing their plight, the stone was long ago broken in two and hidden away. Upon the motorcycle that bears his name, Harley and Liesh set out on a quest to retrieve the stone, pieces restore it to its original state, and call upon its power in an effort to avert catastrophe. Their road is long and difficult. Evil influences scheme in the background in the guise of the elders and Vellis, the god of the dead. Influences determined to stop Harley from completing his task. The would-be hero is forced to come to terms with his value system and inborn sense of right and wrong as he counters each and every obstacle that they encounter and to choose between what he has in the here and now or what he left behind: choices that will ultimately decide the fate of a world.
