Someone Going Home Late Poems:

Someone Going Home Late Daryl Jones, 1990 An entrepreneurial and engineering genius Leroy Hill left his mark on 20th century aviation But that was just the beginning As a gifted Berkeley engineering graduate in the late teens Hill succeeded in reengineering the famous Liberty Engine of World War I to fit into the legendary fighter DH 4 or Flying Coffin In the late 1920s his passion for aviation brought him to a new marketplace as twelve year president of Air Associates that remarkable aviation catalog of everything from plane parts and repairs to whole aircraft Later in World War II he founded the company that manufactured and distributed all the hose clamps for the popular P 51 Mustang Fighter A true entrepreneur Leroy Hill was involved in sixty different companies either designing new technologies or marketing improved versions of the old Politically he was a lifelong anti union activist working in the most unionized industries in the nation Though he marched lockstep with no one Hill remained to the end of his life a hardbitten opponent of big government who championed many conservative movements of his day From Leroy Hill s substantial archives including his voluminous diaries author Craig Miner has distilled the heady public and private dynamics of an extraordinary life *Texas in Poetry* 2 Billy Bob Hill, 2002 And of course one poem about Texas that is magnificent in its awfulness Lasca with memorable lines like Scratches don t count In Texas down by the Rio Grande *Literary History and Avant-Garde Poetics in the Antipodes* A. J. Carruthers, 2024-03-05 Avant garde poetry in the Antipodes causes all sorts of trouble for literary history It is an avant garde that seems to arrive too late and yet right on time In 1897 Christopher Brennan made his own version of Un Coup de Des the same year Mallarme published it in Cosmopolis In the 1940s the same period avant gardism was declared dead or fatally injured due to the Ern Malley affair Harry Hooton began writing a significant body of experimental poetry From the 1950s to the 1970s Australian Dada emerged belatedly through figures like Jas H Duke Tristan Tzara had previously sung Aboriginal songs at the Cabaret Voltaire in 1916 First Nations and Migrant poets then began reinventing avant garde poetry in the twentieth and early twenty first centuries This book maintains that such a confounding literary history poses a distinct challenge to the theories of the avant gardes we have become accustomed to and changes our perspective of avant garde time

Camden, 2008-04-20 K C Camden professes that her family was just like any other in the fact that over the years they were hardly perfect But together they weathered the storms laughed and cried and loved and fought Everything changed for the Camden family one November day when K C drove up to her house and made a horrifying discovery her son Joey had committed suicide K C details her journey as an average mother who provides a loving and nurturing home for her two children but eventually must face and fight the daunting issues of domestic violence drug abuse and depression While sharing her own misgivings and insecurities she honestly portrays the path of severe depression that led Joey to take his own life including her personal regret in not knowing more about the side effects of the controversial anti depressant drug Paxil and in trusting the doctor who prescribed it for Joey Only Forgotten Son offers understanding and

compassion for those who suffer the terrible darkness of depression and will hopefully lessen the unwarranted stigma associated with suicide
