Someone Killed His Boyfriend David Stukas, 2002-07-01 When Michael Starks's groom to be vanishes with his Matisse painting and then is found murdered all evidence points to a psychotic Bette Davis impersonator and Michael his assistant Robert and their strapping lesbian friend Monet must go undercover in a drag revue to trap a killer Reprint [Going Down for the Count](#) David Stukas, 2003 Blindsided by the fabulously wealthy Count Siegfried Von Schmidt Robert longing for old fashioned romance finds his dreams shattered when the Count is murdered forcing Robert along with his friend Michael and their lesbian sidekick Manette to wade through Berber Prada and a wealth of suspects to catch a killer Reprint 10 000 first printing [Biceps Of Death](#) David Stukas, 2006-12-01 Oops he did it again David Stukas author of Someone Killed His Boyfriend and Wearing Black To The White Party unleashes his wildly popular and outrageously funny trio of sleuths on the unsuspecting world This time Robert Michael and Monette are up to their pectorals in sex blackmail seriously ripped abs and murder It ain't easy being pretty And it ain't pretty NOT being pretty in Chelsea That's what has Robert doing an excruciating set of leg presses under his ripped roommate Michael's preening tutelage when Michael isn't admiring his new leather workout shorts or going on about how the super buff trainer Flex keeps checking him out So it takes Robert by complete surprise in the locker room when Flex grabs Robert hands him a CD ROM and a hot kiss and takes off running with a promise to retrieve the disc and Robert later But Robert doesn't have long to ponder a roll in the hay with Mr Uber Body The next morning Flex is found murdered pushed from his high rise Madison Avenue apartment Suddenly Michael and Robert are feeling like the wrong guys in every Hitchcock film ever made And when the going gets tough the tough run and hide at their lesbian friend Monette's apartment for protection Now as they muscle their way into a hidden world of escorts fetishists drug dealers and pampered men leading double lives the trio dive deeper into a mystery that has more layers than Michael has Frette towels And when the killer strikes dangerously close to home New York's most wanted sleuths will have to give it everything they've got before someone can give them a final workout Sexy catty and downright hilarious Biceps Of Death deliciously skewers the cult of the body while delivering an absolutely perfect nail biter of a mystery **My Love is for the Deserving Man** Mona Ndenko, 2007 **Leverage** Catherine Lievens, 2019-06-28 Dorrans life could be better He likes his job as a freelance translator and he loves his boyfriend but he and Eli have been fighting and he's not sure how to solve their problems There's nothing Dorrans can do about seeing ghosts no matter how much Eli hates it and the situation with Eli's family isn't helping matters Dorrans wants to give Eli time to deal with his parents but he also doesn't want to be kept a secret Dorrans temporarily forgets all about his problems when his neighbor Emanuel wakes him up at one in the morning and thrusts a bloody knife in his hands Emanuel insists he didn't kill his boyfriend Dorrans believes him but everything points to him Dorrans isn't sure he'll be able to prove Emanuel had nothing to do with the murder not even with the help of Francis the ghost who shares his apartment He's going to try there's no way he'd let an innocent man go to

jail when he might be able to help even though that might be the last drop that ends his relationship with Eli

Scott,2023-03-06 After serving two years on a life sentence David Scott is given a new trial because of new evidence that has

come out and once he is set free he thinks that his past is in the past But little does he know everyone has someone who loves them and after he s home and trying to live his life trouble free there are things going on around him that he doesn t see or feel until after one night of drinking and celebrating an employee s four month party plus thinking he was about to have sex with one of his many lady friends he wakes up tied to a chair And there standing in front of him are people he s given a job or just plain trusted since he s been home but to have these people tell him this is his last day his heart starts racing and his head and stomach seem like they re fighting against each other But his mind gets clear enough to know that because of his past actions there would be a hit out on him once he was set free from prison So now thinking about everything damn he never pays attention to his surroundings and never thinks anything like this would ever happen To his knowledge all has been forgotten once he was sentenced to life but now for what he did or they thought he did the time for payback is standing in his face and in the form of people he has been around and trusted **The Stinger Jack Spaniel** Romeo A.

Malone,2001-04 A big percentage of marketing and sales work can and should be done as projects These are jobs where a specific product system or other deliverable must be produced by a specific date within a specific budget One of the most challenging of these is a project to launch a new product the focus of this book Here are some of the things that must be ready on the launch date the product itself including packaging documentation and demonstration packages product support including trained people and tools for customer support broad based promotion such as print ads articles and white papers website use publicity releases and trade shows focused promotion efforts such as telemarketing direct mail and seminars fully trained salespeople to meet sales goals guided by a product specific sales management process and supported by proposal guides and other sales tools a sales support organization ready to handle lead management pricing schedules along with contract terms and conditions marketing intermediaries such as distributors and resellers along with a group ready to train and support them relationships with partners other than the distribution channel type that are part of the product marketing strategy and a company wide understanding of how customers benefit from the new product and how employees can play a role in the success if the launch It is the author s conviction that success in performing sales and marketing work is enhanced when formal project management methodology is consistently applied So the early chapters provide the reader with perhaps the most clearly articulated project management methodology that can be found anywhere At the end of the book he applies the material in the previous chapters to managing new product launches The reader will find a very ample list of launch program tasks and see how they are related in work breakdown structures Further there is a set of Launch Readiness Checklists and instructions on using them to control product launch projects **The Gay Male Sleuth in Print and Film** Drewey Wayne Gunn,2013 This new edition of The Gay Male Sleuth in Print and Film provides an overview of milestones in the development of gay detectives over the last several decades Also included in this volume is an annotated list of novels short stories plays graphic novels comic strips fil **Shadow Walkers** R. ,1999-04 Out is a fashion style celebrity and opinion magazine for the modern gay man **Violence against Queer People**
Doug Meyer,2015-10-11 Violence against lesbians and gay men has increasingly captured media and scholarly attention But these reports tend to focus on one segment of the LGBT community white middle class men and largely ignore that part of the community that arguably suffers a larger share of the violence racial minorities the poor and women In Violence against Queer People sociologist Doug Meyer offers the first investigation of anti queer violence that focuses on the role played by race class and gender Drawing on interviews with forty seven victims of violence Meyer shows that LGBT people encounter significantly different forms of violence and perceive that violence quite differently based on their race class and gender His research highlights the extent to which other forms of discrimination including racism and sexism shape LGBT people s experience of abuse He reports for instance that lesbian and transgender women often described violent incidents in which a sexual or a misogynistic component was introduced and that LGBT people of color sometimes weren t sure if anti queer violence was based solely on their sexuality or whether racism or sexism had also played a role Meyer observes that given the many differences in how anti queer violence is experienced the present media focus on white middle class victims greatly oversimplifies and distorts the nature of anti queer violence In fact attempts to reduce anti queer violence that ignore race class and gender run the risk of helping only the most privileged gay subjects Many feel that the struggle for gay rights has largely been accomplished and the tide of history has swung in favor of LGBT equality Violence against Queer People on the contrary argues that the lives of many LGBT people particularly the most vulnerable have improved very little if at all over the past thirty years
