Someone Who'll Watch Over Me Frank McGuinness, 1992 An Englishman an Irishman and an American are locked up together in a cell in the Middle East As victims of political action powerless to initiate change what can they do How do they live and survive Frank McGuinness s new play introduced by Brian Keenan explores the daily crisis endured by hostages whose strength comes from communication both subtle and mundane from humor wit and faith **New York Magazine**, 1992-12-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Contexts for Frank McGuinness's Drama Helen Lojek, 2004 Contexts for Frank McGuinness s Drama is the most complete consideration of the playwright yet published including discussion of his original stage work through *Gates of Gold* 2002 and highlighting the connections between McGuinness s creativity and the biographical geographical social and literary factors that have shaped his world *"Celebrating Confusion"* Kenneth Nally, 2009-01-14 Though widely lauded as one of the most creative and challenging forces in Irish theatre Frank McGuinness s plays have often met with a tempestuous reception This new work details the significance of key productions of his plays in the context of Ireland s culture and society Charting McGuinness s development as a dramatist from *The Factory Girls* through to *Gates of Gold* it combines cultural political and theatrical analysis to position McGuinness as the most significant Irish playwright of his generation Textual analysis supports considerations of theatrical performance to show how visual art stagecraft sculpture and song are central to our understanding of McGuinness s theatre Drawing forth the range of sexual familial and national identities found in McGuinness s work this book shows the significance of symbols in theatre that often seeks to confuse the simplicities of absolutes in order to show the complexities of difference Wide ranging theoretically astute and written in a lucid and engaging style *Celebrating Confusion* will appeal to all readers who are interested in Irish Theatre and its intersection with the politics and culture of contemporary Ireland **A Century of Irish Drama** Stephen Watt, Eileen Morgan, Shakir Mustafa, 2000 Based on essays originally presented at a symposium entitled Nationalism and a national theatre 100 years of Irish drama convened at Indiana University May 26 29 1999 **Irish Theater in America** John P. established theater critics Contributors explore the history of Irish theater in America from Harrigan and Hart through some of the greatest and most disappointing Irish tours of America to the most contemporary productions of senior Irish playwrights such as Brian Friel and younger writers such as Martin McDonagh and Conor McPherson Covering the complexity of the relationship between Irish theater and the United States this volume goes beyond the expected analysis of plays to include examinations of company dynamics analysis of audience reception and reviews of production history of individual works Contents include Mick Moloney Harrigan Hart and Braham Irish America and the Birth of the American Musical Nicholas Grene Faith Healer in New York and Dublin Lucy McDiarmid The Abbey Its Helpers and the Field of Cultural Production in 1913 Christina Hunt Mahony The Irish Play Beyond the Generic **No Other Way To Tell It** Derek Paget, 1998-06-15 Drama documentary is a program category unique to television Combining the factual approach of documentary with the entertainment values of drama dramadoc docudrama has featured in television schedules for over forty years and has often been the focus of controversy Questions are frequently asked about how the viewer is to judge between fact and fiction and whether such programs invade individuals privacy No Other Way to Tell It is an introductory book which defines the form and reviews its history and development on British and American television The people who make the programs television producers writers actors and lawyers give their views and recent co production work between Granada TV in Britain and Home Box Office in America is examined Hostages a co production which was bitterly opposed by the British and American hostages released from captivity in Beirut at the beginning of the decade is used to illustrate the changes that are now taking place within the medium **Theatre Stuff** Eamonn Jordan, 2000 Essays on contemporary Irish theatre **Irish Theatre in Transition** D. Pont Marie Al Stotts, 2011-04-19 Metempsychosis refers to the passing of the soul at death into another body either human or animal At its most basic it refers to reincarnation but the theory of past lives can have overwhelming consequences especially when memories of these past lives seep into the life we currently live Just ask a modern day middle aged New Mexico gentleman whose dreams threaten his reality According to his dreams this unassuming man was once a printer in seventeenth century Paris and then a United States senator Prior to both of these lives he was an Anasazi sun priest in the eleventh century At first it was easy to ignore his dreams However thanks to their persistence this man must come to terms with the ramifications of his past lives and how they may affect the life he currently struggles to lead Set above the backdrop of an ancient bridge in Paris Pont Marie is the narrative of places people and things once forgotten but enlivened in one mans mind How can he thrive in his current life when the past permeates his present How can he hold together relationships when ancient relationships still haunt Will his quest for closure leave him cleansed or perhaps insane
