Someone Safe:

Safe People Henry Cloud, John Townsend, 2009-05-26 *Safe People* will help you discover why good people can get tangled in bad relationships how to avoid repeating your own mistakes and how to pick safe healthy people for the friends you make and the company you keep Too many of us have invested in relationships that have gone wrong Maybe you've been judged manipulated or controlled Or maybe you've trusted the wrong people in the past It's easy to make the same mistakes of judgment over and over or worse to give up on trying to have great authentic relationships again But it doesn't have to be that way In *Safe People* Drs Henry Cloud and John Townsend teach you that being with an unsafe person can be damaging to your confidence your trust in others and even your health You'll learn that you have the power to surround yourself with accepting honest and safe people who draw you closer to being the person God intended you to be Drs Cloud and Townsend authors of the New York Times bestseller *Boundaries* are here to share the lessons they've learned in their years of practicing psychology and studying the patterns and practices that support clear biblical boundaries In *Safe People* they offer guidance for making safe choices in all of your day to day relationships from family and friends to colleagues and partners *Safe People* will give you the tools you need to recognize what makes people relationally safe form positive relationships and even become a safe person along the way Drs Cloud and Townsend share expert insights that will help you ask important questions How can I learn to pick better friends Why do I choose people who let me down How did I end up with this critical boss How do I attract irresponsible people Why did I invest money with that unscrupulous person What is it about me that draws the wrong types of people to me Why am I drawn to the wrong types of people It's time to revitalize your connections and finally start enjoying the healthy balanced relationships that you deserve From Street-smart to Web-wise® Al
