# Someplace Surely A Quest For Meaning

**J Dewey**

## **Someplace Surely A Quest For Meaning:**

Someplace, Surely Bryce W. Yourd, 1990-11-01 The marvels of this universe including ourselves demand a reason for being Such is the theme of this thought probing novel But as a reviewer put it When old fires are poked new sparks fly And for this story sparks do just that The problem arises when the MARVELS also demand an examination of OLD concepts in the light of updated intelligence The sparks begin to fly when well entrenched icons are bumped a persistent intruder refuses to snap off his God given MIND In fact the demanding mind is now seen as the best evidence of PURPOSE It also becomes our best tool in expanding strengthening our faith For those of us who can t take the crazy cults scientology scams fundamentalist harangue but for whom the traditional heavenly hosts no longer glorify there must still be a way to spiritual comfort Is it time for a new reformation This down to earth story is a good starting point As one of the determined characters says Our religions philosophies must push on to more pertinent ideas We do so need our Creator but one both heart mind can respect To order contact B W Yourd 10913 Sluice Box Circle Auburn CA 95603 **Books in Print** ,1977 Forthcoming Books Rose Arny,1991 *A Crisis of Meaning* Steven Schwartzberg,1996-12-05 For gay men the demands of the AIDS epidemic are enormous and unrelenting Regardless of HIV status all are called on to maintain vigilant safety with sex to face down a cultural stigma greater even than homophobia and to somehow find a way to go forward in a world heavy with loss As exhaustion and grief threaten to overwhelm the activism and optimism of earlier years and with new infections on the rise among young gay men the challenge of finding meaning in a world turned upside down is more than an idle philosophical exercise It is a matter of psychological and perhaps even physical survival In this poignant and uncompromising new book Dr Steven Schwartzberg offers a ground breaking perspective on how gay men and particularly HIV positive gay men find ways to rebuild a world of meaning amid the trauma and uncertainty of the AIDS crisis Eschewing both glib prescriptions for turning tragedy into triumph and theoretical abstractions Schwartzberg grounds his insights in his own experiences as a gay man and as a practicing psychotherapist and in in depth interviews with nineteen men living with HIV Ranging in age from twenty seven to fifty the men include a construction foreman a physician an art historian a waiter a librarian and a licensed massage therapist With candor insight eagerness and a remarkable ability to share of themselves they speak eloquently about how HIV has affected their views of the world their senses of themselves and how they live their lives Interweaving the men s stories with observations from his research and clinical practice Schwartzberg bears witness to the remarkable transformations some men have accomplished and the anguish of meaninglessness that weighs others down He strives to uncover why some view HIV as a catalyst for change or growth while others see it only as punishment And though he passes no judgment on the coping strategies he describes Schwartzberg does insist on the vital necessity of balancing somber reality with healing life sustaining hope He argues that men who opt for too much illusion and too little reality risk shoddy self care and inadequate preparation for the future while those who find no escape from reality may teeter into rage or suicidal

despair Beautifully written with piercing awareness of the enormity of the challenges confronting individuals with HIV this book celebrates the resilience of the human spirit It is both a keen psychological guide and an elegiac chronicle of what life for many has become Gently pointing the way to an oasis of growth strength and love that exists amid the epidemic s bleak terrain of loss it is essential reading for people living with HIV for their friends families and the mental health professionals who care for them and for all gay men grappling with the enormous changes AIDS has brought to a community under siege

*A Modern Circe* Duchess,1887    Lippincott's Series of Select Novels ,1887    **A modern Circe, by the author of 'Molly Bawn'**. Margaret Wolfe Hungerford,1887    A Modern Circe ,1888    **The Woman with the Fan** Robert Hichens,1904 IN a large and cool drawing room of London a few people were scattered about listening to a soprano voice that was singing to the accompaniment of a piano The sound of the voice came from an inner room towards which most of these people were looking earnestly Only one or two seemed indifferent to the fascination of the singer    A Modern Circe Hungerford,1888    **Paperbound Books in Print** ,1992    The Tarragona Vortex Lawrence J. McCrank,2024-04-01 Roman Tarraco was the foundation for what came afterward at the same site in Late Antiquity and the Islamic and Latin Christian periods but it was an overlay on an Iberian habitation Cissis a coastal trading post with the Phocaeen Greek partner Kesse a Punic counterpart on the other side of the River Tulsis and above them all a refuge fort on the summit of Mt Tarrakon This history traces the amalgamation of these and their Romanization during the Punic Wars I III and Rome s conversion of Tarraco into an imperial provincial capital It was a complex of the main army base a vast war industry the government for the Hispania Citerior that became the Tarraconensis a port and trade center for the Western Mediterranean It grew in population to become a major city with sophistication imitating everything Roman The Hispanic Romans converted this outpost into a walled fortress and magnificent hillside municipality whose city state encompassed the Camp de Tarragona as its territorium Its upper tier was built into a terraformed tri level monumental complex consisting of the temple ceremonial square a new forum and a circus with an amphitheater below The hillside became its intramural residential district and old Cissis was overbuilt with a lower forum temple market and an entertainment area with a great theater baths gardens and the coastal shelf consisted of a warehouse row a manufacturing center fishing villages and an artificial port and waterworks for the Tulsis and harbor that demonstrated Roman advanced engineering just like the upper city showed off Roman architectural prowess and artistic tastes but also entertainment i e its love of racing and games bloodlust and violence and enjoyment of drama music and the brisque The province would have an extensive road system a proliferation of provincial towns wealthy villas and large scale farms The Tarraconensis was reduced in size during the re organizations of the Empire and the Roman Ulterior or Baetica became more urbanized as its population became more dense The powerful northeastern capital followed the history of Rome and decline of the Empire with its interminable wars barbarian invasions weakened civic religion and economic problems leading to the Visigothic successor state in Late Antiquity Roman Tarraco

was transformed into Tarracona but its monumental ruins and fabled history remained to be an inspiration to the medieval Restoration movement after the Islamic interlude These are the subjects of subsequent volumes in this series *Mother India*, 1981 Articles about India and its culture based on Arabindoo's Philosophy **"The" Athenaeum**, 1892 Bigfoot Exposed David J. Daegling, 2004-10-22 The myth of Bigfoot has captured the popular imagination since the creature's first public debut in 1958 numerous citations of evidence newspaper articles books hysterical personal accounts and even Hollywood movies illustrate the American public's enduring romance with the Sasquatch The scientific community on the whole however has stubbornly refused to comment on what it views as a very tall tale though Bigfoot's existence continues to be hotly argued between proponents of the beast and its skeptics Now biological anthropologist and primate physiology specialist David J. Daegling enters the fray to offer both sides of the dispute benefit of objective scientific study A well-crafted read *Bigfoot Exposed* will prove to be as much a model of scientific method for anthropologists and researchers as it is an engaging and persuasive debunking of the myth of Bigfoot *Athenaeum* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1892 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *Steinbeck's Uneasy America* Barbara A. Heavilin, Susan Shillinglaw, 2024 The first scholarly assessment of Steinbeck's bestselling travelogue *Travels with Charley* published in 1962 a narrative that blurs the lines between nonfiction and fiction Steinbeck's *Uneasy America* is the first collection of critical scholarship devoted to *Travels with Charley* in Search of America John Steinbeck's best-selling late career travel memoir In 1960 Steinbeck was a renowned man of American letters Many considered him America's troubadour of ordinary people the conscience of the country But weakened by two small strokes and anxious that he had lost touch with America he embarked on a cross-country road trip accompanied by his wife's standard poodle Charley Two years later he published *Travels with Charley* to popular acclaim and robust sales Throughout this narrative Steinbeck insists that all of our perceptions are warped by personality history and society And while this hybrid and experimental book has long been accepted as an accurate account of his journey journalists and scholars agree that the narrative is part factual part fiction America as seen through Steinbeck's particular warp The work is long overdue for scholarly assessment Steinbeck's *Uneasy America* explores three main topics Part 1 explores genre and form to consider the degree to which the work is fiction or nonfiction Part 2 assesses Steinbeck's increasingly bleak assessment of America almost a jeremiad that warns citizens of ecological excess and political apathy Part 3 focuses on *Travels with Charley* as a road text travel adventure and literary influence This volume's authors offer rich scholarly insights and a wealth of stories facts and anecdotes about Steinbeck and the adventures and misadventures he and Charley met on the road Lively and groundbreaking the collection both enlightens and enlivens discussions of Steinbeck and of the twentieth-century American book world CONTRIBUTORS Danica E.
