From Someplace Else Ralph Osborne, 2003-05-09 The decade between 1961 and 1971 was a time of tumult of innocence lost gained and lost again During those years Ralph Osborne moved from the confusions of being 17 to briefly believing that at 27 he knew everything It is he says my version of the Divine Comedy more comedic than divine From Someplace Else is an often hilarious occasionally tragic account of the exploration of boundaries inner and outer through a time of free love and psychedelic adventure And because the paths between Heaven and Hell good and bad and up and down are not linear this book is necessarily an account of one man's first trip around the circle Osborne's Holy Grail is identity His quest in which he sets out to learn a small piece of the puzzle one little thing I could know for certain takes him from a working class tenement on the east coast through the privileged confines of Westmount west to the cleansing air of the prairies and east again to the stoned out beginnings of Toronto the hip

where he becomes general manager of the infamous Rochdale College From *Someplace Else* is a journey driven by the ever relevant question to be or to become It s also the slightly surreal description of the thin line between simplicity and squalor

Someplace Else Barbara Linick,2011-10-18 Twelve year old Johnny lives way up in a high rise in a big city When he looks out the window he sees the world bustling to and fro but doesn t understand what everyone is doing Fortunately he happens to have a big imagination that conjures up an odyssey of discovery and transformation One night Johnny s pure and naive thoughts appear in the form of jewels and fly him away to captivating Zodiac Island whose gatekeeper is an enormous dragon There Johnny meets each of the 12 astrological signs in its living form The problem is they all want Johnny to choose between them as to which sign is the best In *Someplace Else* Johnny s delightful decision tells us that while each of the 12 signs is very much alive and a thing unto itself when assembled together they compose a whole new scheme This provocative idea reveals to Johnny that he should worry no longer when he looks outside his window life is a system made up of infinite things and that system works Barbara Linick has designed a whimsical enchantment using a theme as old as fantasy itself And while serving to introduce astrology to children and adults alike Johnny s intriguing voyage also unfolds for us how the sum can be greater than its parts

Foreign Friends David P. Fields,2019-04-19 The division of Korea in August 1945 was one of the most consequential foreign policy decisions of the twentieth century Despite the enormous impact this split has had on international relations from the Cold War to the present comparatively little has been done to explain the decision In Foreign Friends Syngman Rhee American Exceptionalism and the Division of Korea author David P Fields argues that the division resulted not from a snap decision made by US military officers at the end of World War II but from a forty year lobbying campaign spearheaded by Korean nationalist Syngman Rhee Educated in an American missionary school in Seoul Rhee understood the importance of exceptionalism in American society Alleging that the US turned its back on the most rapidly Christianizing nation in the world when it acquiesced to Japan s annexation of Korea in 1905 Rhee constructed a coalition of American supporters to pressure policymakers to right these historical wrongs by supporting Korea s independence Following the attack on Pearl Harbor Rhee and his Korean supporters reasoned that the American abandonment of Korea had given the Japanese a foothold in Asia tarnishing the US claim to leadership in the opinion of millions of Asians By transforming Korea into a moralist tale of the failures of American foreign policy in Asia Rhee and his camp turned the country into a test case of American exceptionalism in the postwar era Division was not the outcome they sought but their lobbying was a crucial yet overlooked piece that contributed to this final resolution Through its systematic use of the personal papers and diary of Syngman Rhee as well as its serious examination of American exceptionalism Foreign Friends synthesizes religious intellectual and diplomatic history to offer a new interpretation of US Korean relations
