Somerset Murders:

Somerset Murders Nicola Sly, John Kiste, 2012-02-29 Somerset Murders brings together numerous murderous tales that shocked not only the county but also made headlines throughout the country. They include the cases of Elizabeth and Betty Branch, a mother and daughter who beat a young servant girl to death in Hemington in 1740; 13-year-old Betty Trump whose throat was cut while walking home at Buckland St Mary in 1823; factory worker Joan Turner battered to death in Chard in 1829; George Watkins killed in a bare knuckle fight outside the Running Horse pub in Yeovil in 1843; Constance Kent who confessed in 1865 to killing her half brother at Rode in 1860, nearly five years earlier; and elderly landlady Mrs Emily Bowers strangled in her bed in Middlezoy in 1947. Nicola Sly and John van der Kiste, co-authors of *Cornish Murders* in this series, have an encyclopedic knowledge of their subject. Their carefully researched, well-illustrated and enthralling text will appeal to anyone interested in the shady side of Somerset's history.

More Somerset Murders Nicola Sly, John Van der Kiste, 2011-01-20 This chilling follow-up to *Somerset Murders* brings together more murderous tales that shocked not only the county but made headline news throughout the nation. Covering the length and breadth of Somerset, the featured cases include two female poisoners: Catherine Churchill who killed her husband in Knowle St Giles in 1879, and Sarah Freeman who claimed several victims in the Bridgwater area from 1843 onwards. A wide variety of means and motives are covered. There is murder committed in the course of robbery, such as the brutal killing of Sarah Wilkins in Nempnett Thrubwell in 1851; murder through jealousy, as in the case of George Bitten who murdered his wife at Wolverton in 1867; and even altruistic murders, such as that committed by Albion Wadman near Wincanton in 1883. Also included is the strange and intriguing story of Reginald Woolmington who faced two trials for the murder of his wife at Milborne Port in 1934. Nicola Sly and John Van der Kiste's well-illustrated and enthralling text will appeal to everyone interested in true crime history and the shadier side of Somerset's past.

Channel Island Murders Nicola Sly, 2013-05-15 Although an idyllic setting where violent crime is thankfully rare, the Channel Islands have a shadier side. Contained within the pages of this book are twenty-five historic cases of murder committed in the Channel Islands. They include a fatal assault on John Francis in 1894 which remains unsolved; the murder by Philippe Jolin of his father in 1829; and the murder and suicide committed by Eugenie Toupin in 1881, all of which occurred in Jersey. In Guernsey, elderly widow Elizabeth Saujon was murdered during the course of a robbery in 1853; Edward Hooper drunkenly beat his wife to death in 1890; and housekeeper Elizabeth de la Mare murdered her elderly employer in 1935, wanting to hasten his demise on the understanding that she was the sole beneficiary of his will. Nicola Sly's carefully researched and enthralling text will appeal to everyone interested in true crime and the shady side of Jersey, Guernsey, and Alderney's history.

West Country Murders Nicola Sly, John Van der Kiste, 2012-02-29 Hidden behind the picturesque facade of country lanes and rugged coastlines, quaint villages and busy market towns, the South West counties of Cornwall, Devon, and Somerset have witnessed some of the most shocking murder cases in British history. *West Country Murders* brings

together over 30 cases from the authors previous collections here in one volume They include stories of those who killed for greed jealousy and lust as well as those who committed murder in what a well known judge once described as a gust of passion Some of the killers were undoubtedly insane at the time of their crimes others were almost certainly innocent yet paid the ultimate price for a murder they did not commit Some remain unsolved to this day despite the best efforts of the local constabularies This book is sure to appeal to all those interested in the shady side of the West Country s history

Death in Disguise ,1998 **Written in Blood** Caroline Graham,2014-10-15 When a visiting author is suspected of murder the case is hardly open and shut in this English village mystery novel by the author of Death in Disguise The Midsomer Worthy s Writers Circle has never had much luck in attracting guest speakers Consequently there is much surprise when best selling novelist Max Jennings accepts their invitation But the members are even more surprised by their secretary Gerald Hadleigh who furiously objects to hosting Jennings and offers no explanation Surprise turns into a variety of responses when Hadleigh is found dead the morning after Jennings visitation Chief Inspector Barnaby soon determines that the key to solving the murder will lie with the illustrious Jennings There s only one problem the famous author has disappeared

Murder by Poison Nicola Sly,2011-10-30 Murder by poison is often thought of as a crime mainly committed by women ususally to despatch an unwanted spouse or children While there are indeed many infamous female poisoners such as Mary Ann Cotton who is believed to have claimed at least twenty victims between 1860 and 1872 and Mary Wilson who killed her husbands and lovers in the 1950s for the proceeds of their insurance policies there are also many men who chose poison as their preferred means to deadly end Dr Thomas Neil Cream poisoned five people between 1881 and 1892 and was connected with several earlier suspicious deaths while Staffordshire doctor William Palmer murdered at least ten victims between 1842 and 1856 Readily obtainable and almost undetectable prior to advances in forensic science during

the twentieth century poison was considered the ideal method of murder and many of its exponents failed to stop at just one victim Along with the most notorious case of murder by poison in the country this book also features many of the cases that did not make national headlines examining not only the methods and motives but also the real stories of the perpetrators and their victims

A Horrid History of Christmas Nicola Sly,2012-09-01 This grisly collection of historic horrid happenings from across the country demonstrates that Christmas is not necessarily a time of peace joy and goodwill to all men The holiday season has witnessed a plethora of almost unbelievable accidents such as the amateur mechanic who died with his head stuck in a car engine the footballer who leaped into a quarry to retrieve a lost ball and the Christmas party guest who fell down a flight of stairs and broke his neck There are fatal rail crashes in Oxfordshire Bedfordshire Cheshire Cumbria and Scotland freak weather conditions and devastating fires such as the Christmas Eve fire in Glasgow that cost the lives of four firemen in 1927 Among the chilling crimes featured here is that of Nottinghamshire man Edward Kesteven who killed his wife on Christmas Day 1894 and the murder of Thirza Kelly in Norfolk by a local teenager on Christmas Eve 1900 Full of merry madness and hearty heartache A Horrid History of Christmas will make you want to bypass the festivities altogether

The Killings at Badger's Drift Caroline Graham,2014-10-15 A quaint English village is home to a murderer in the Macavity Award winning mystery series debut that launched the British crime drama Midsomer Murders Badger s Drift is the ideal English village complete with vicar bumbling local doctor and kindly spinster But when the spinster dies suddenly her best friend kicks up a fuss loud enough to attract the attention of Detective Chief Inspector Barnaby And when Barnaby and his eager beaver deputy start poking around they uncover a swamp of ugly scandals and long suppressed resentments seething below the picture postcard prettiness In the grand English tradition of the quietly intelligent copper Barnaby has both an irresistibly dry sense of humor and a keen insight into what makes people tick The Killings at Badger s Drift marks Inspector Barnaby s debut and offers ample proof that Caroline Graham may indeed be simply the best detective writer since Agatha Christie Sunday Times of London Murder most pleasing a corking good mystery Los Angeles Times

Death in Disguise Caroline Graham,1993 When the charming Master of a New Age commune is quite prematurely transported into the Other World right in the middle of a regression a riotous tale of murder most bizarre and romance most improbable takes off It s up to the always down to earth Chief Inspector Barnaby and the thorough but vulnerable Sergeant Troy to sort through the tangled relationships and passions intertwining this most unlikely family of spiritual disciples Among the suspects are a lovely runaway heiress her blustering furious runaway dad a duplicitous pair of disciples a handsome young man whose credentials are clearly not all that they should be and a poor wretch of a fellow hardly capable of uttering a word With a story that is part P G Wodehouse part Martha Grimes and always inimitably Caroline Graham this is a classic tale of mistaken identities surprising chicanery and murder most disturbing Death in Disguise is the third in the widely acclaimed Chief Inspector Barnaby series from one of England s most charming authors Steeped in Graham s wickedly funny prose

spiced with a devilishly intricate murder or three and sustained throughout by a crew of evil tycoons village gossips and a delightfully traditional sleuth Death in Disguise is a sure bet for both armchair detectives and literate crime aficionados

The Musical Milkman Murder - In the idyllic country village used to film Midsomer Murders, it was the real-life murder story that shocked 1920 Britain Quentin Falk, 2012-09-28. On October 8, 1920, the body of a young woman named Kate Lilian Bailey, aged 22, was discovered. It transpired that her husband, George Arthur Bailey, had poisoned his seven-months pregnant wife with prussic acid, and with a whiff of the same chloroform he used to ease her final anguish, sedated his three-year-old daughter, whom he placed in bed next to the corpse. Fourteen hours later, he fled the cottage, taking his child to relatives in Swindon, before being arrested three days after the murder at Reading Station, with four kinds of poison in his pockets. Police also found a note suggesting that Bailey had intended to kill his little girl as well as himself and his wife. So was this simply the botched suicide pact of a devoted couple that had gone tragically out of control? All would be revealed at a sensational 1921 trial at Aylesbury Assizes, a shabby record of forgery, fraud, theft, false information, and army desertion. Bailey, also known to the police as George Cox and Ronald Gilbert Treherne, or Tremayne, was also, it's said, a budding sex criminal and a fantasist of the first order. Although, curiously, he didn't plead insanity at his trial, the accused had a history of mental

disorder including nervous breakdowns and several suicide attempts At his trial where women would sit on an English murder jury for the first time Bailey denied all the charges The prosecution argued that Bailey murdered his wife in order to be free to seduce innocent local girls and a conviction was swiftly secured after the four day trial Despite an appeal Bailey was hanged three clear Sundays after the jury returned with its verdict George was a milkman and was known as the musical milkman because he could be heard whistling while on his daily rounds **Murder at the Abbey** Frances
