 Parts Edition of individual eBooks Particle Verbs and Local Domains Jochen Zeller, 2001-10-30 This book offers a new
 account of particle verbs in German and Dutch by looking at the conditions under which a non morphological structure may
 exhibit word like properties It shows that although particles are represented as phrasal complements of their verbs they lack
 the functional structure which is usually associated with phrases The author uses the concept of a local domain which can be
 established by terminal nodes both in syntax and in morphology to demonstrate why the impoverished syntactic structure of
 particle verbs shares important features of complex words derived in morphology The analysis is substantiated through a
 detailed study of the syntactic semantic and morphological properties of particle verbs Special attention is given to the
 relevance of local domains for the association of lexical information about sound and meaning with terminal nodes in
 morphological and syntactic structures *Pointed Roofs* Dorothy M. Richardson, 2022-04-26T20:34:39Z Pointed Roofs is the
 first installment in Dorothy M Richardson's Pilgrimage sequence of autobiographical novels It is also one of the first novels
 identified with the modernist technique of stream of consciousness Set in the early 1890s Pointed Roofs centers on seventeen
 year old Miriam Henderson After her family runs into financial troubles Miriam is sent to Germany to teach English at a
 finishing school in Hanover The narrative chronicles Miriam's daily life at the school as well as outings to the city and the
 countryside with the other teachers and pupils All the while it tells of her experience of living abroad her attitude to the
 people around her her future prospects and her thoughts on religion literature and the status of women in society This book
 is part of the Standard Ebooks project which produces free public domain ebooks The Watersplash Dora Amy
 Elles, 2022-08-16 In The Watersplash Dora Amy Elles artfully construes a classic mystery narrative that masterfully engages
 the reader with its vivid characterization and meticulous plot construction Published by DigiCat Publishing the work has been
 granted a new lease on life for contemporary audiences preserving the integrity and flavor of Elles original prose The
