explores television's impact on social change by comparing three sitcoms and their audiences. The shows in focus are *Till Death Us Do Part* in Britain, *All in the Family* in the United States, and *One Heart and One Soul* in West Germany. Centered on a bigoted anti-hero and his family, between 1966 and 1979 they saturated popular culture and managed to accelerate as well as deradicalize value changes and collective attitudes regarding gender roles, sexuality, religion, and race. **Understanding**

the Global TV Format Albert Moran, Justin Malbon, 2006-01-01. Recent years have seen an astonishing growth in the adaptation of program formats in television systems across the world. Under the new market conditions of the multi-channel cluster brought about by new technologies and increased privatization of service, the adaptation of successful and popular TV formats from one place to another is occurring on an increasingly regular basis. Hence the remaking of different national versions of *Big Brother* and *Pop Idol* are only part of what is going on. In fact, from Chinese versions of *Coronation Street* and *Sex and the City*, Indian and Indonesian remakes of *Who Wants To Be A Millionaire*, program clones of *Ground Force* and other make-over and renovation shows across Europe and the UK, the present is the era of the global TV format. But what exactly is a format? After all, programs have been copied and imitated since the beginnings of broadcasting. In this, the first book in the English language to systematically deal with the subject, Albert Moran and Justin Malbon provide a valuable guide to the institutional, cultural, and legal dimensions of the format. Now widely referred to, although equally often misunderstood, the TV format is a commodity of production, finance, distribution, broadcasting, and marketing knowledges that is facilitating the international reconfiguration of program making. *Understanding the Global TV Format* thus addresses the different stages and issues of the business. It tracks the steps whereby formats are devised, developed, and distributed. Major companies are profiled, as are the international markets and festivals at which trade occurs. However, there is also a great deal of piracy taking place, so that the book is concerned with the control and regulation of format remaking. Legal protection is often both the first and last recourse of parties, and the authors examine the relevance of laws relating to such matters as copyright and contract. **Television** Toby Miller, 2003. **Hollywood and the Invention of England** Jonathan Stubbs, 2019-02-21.

Drawing on new archival research into Hollywood production history and detailed analysis of individual films, *Hollywood and the Invention of England* examines the surprising affinity for the English past in Hollywood cinema. Stubbs asks why Hollywood filmmakers have so frequently drawn on images and narratives depicting English history, and why films of this type have resonated with audiences in America. Beginning with an overview of the cultural interaction between American film and English historical culture, the book proceeds to chart the major filmmaking cycles which characterise Hollywood's engagement with the English past from the 1930s to the present, assessing the value of English-themed films in the American film industry while also placing them in a broader historical context. **Something Completely Different** Jeffrey S.

Miller, 1997. **American Culture in the 1980s** Graham Thompson, 2007-03-13. This book looks beyond the common label of Ronald Reagan's America to chart the complex intersection of cultures in the 1980s. In doing so, it provides an insightful

account of the major cultural forms of 1980s America literature and drama film and television music and performance art and photography and influential texts and trends of the decade from White Noise to Wall Street from Silicon Valley to MTV and from Madonna to Cindy Sherman A focused chapter considers the changing dynamics of American culture in an increasingly globalised marketplace
